King Mork Dr. Henry T Cutler,2011-11-18 The literary content is purportedly written to appeal to young children and/or youthful adolescents. The descriptions contained here are also purposefully intended to express a moral story for young readers who are vulnerable in receiving incorrect or mixed meaning of material when read. This reading depicts a special design to establish a wholesome point of view, especially when young readers are perceived to miss important points intended. This conception could become the new “wives tale” to help children snap out of a foul personality trait. This story is about a character, “a Frog”, which perhaps can assist adults to express to children the serious side of their self-portrait, and how they wish others to view their behavior. There are moments that every adult, wish to express to their young child or adolescent that certain behavior is not acceptable. Now, here you have “King Mork” to assist you when verbalizing to your child on certain moral conduct, in order to pattern behavior in a new different direction. Dr. Henry T. Cutler,

Navigating Grief with Humor Melissa Mork,2019-06-06 Grief hits us all. Death, divorce, a broken childhood, job loss, loss of identity, or the loss of a dream can bring us each deep grief. This book reveals what we can do to work through the tasks of grief with resilience, coping, humor, and purpose. Melissa Mork is a professor of psychology and grief counselor who has studied bereavement her entire career. When her husband died, leaving her to parent their two children alone, it all became very personal. Taking what she's learned from her academic and professional studies, and using her questionable sense of humor, Melissa realized it was humor, laughter, gratitude and optimism that helped her navigate this very personal grief process.

Mork the Dancing Moose Josephine McNamara,2014-05-27 When Mork sees the circus is coming to town, he decides to show them his many dance steps! Unfortunately, the ringmaster does not ask Mork to dance for the circus. Will Mork keep a good attitude and continue dancing to bring pleasure to his friends? Follow his dance steps through the pages and find out!

Step Back and LEAP Patrick Mork,2023-08-15 Have you ever woken up in the middle of the night and thought, “Where the hell is my life going?” All of us have been there and most of us struggle to find the answer to simple but difficult questions like “What do I really want?” and “How do I actually make it happen?” Patrick Mork, a former Google exec and serial tech marketer, hit that wall in 2017. After being fired twice in the span of 18 months at two different startups, he woke up one day terrified by the realization that what he had spent the past 20 years doing no longer excited him and that his passion for it was gone. Divorced, nearly bankrupt and teetering on the edge of depression, his life and career were in ruins. Fast forward 5 years. Patrick has become a highly sought after CEO coach and motivational speaker, built one of the fastest growing leadership development startups in South America, and moved to Santiago, Chile. He and his team have impacted 1,000’s of people and developed leaders and high performance teams for clients including Walmart, Liberty Media and regional unicorns like Xepelin and Betterfly. Step Back and Leap! Is an authentic, personal and raw series of stories that trace the author's life and challenges. From being bullied as a kid in Mexico, to flaming out in a startup destined for stardom in Silicon Valley. From starting a company at age 47 in a foreign country to surviving a near-revolution in the streets of Santiago, Chile. Each chapter recounts dramatic, real-life challenges Patrick faced and the 9 indispensable “keys” he used to systematically overcome each challenge. But it doesn’t require a fortune, an MBA from a top school or having worked at Google to make radical, profound changes in your life. Anyone can do it. With the right tools, support, perspective and hard work. Step Back and LEAP details 9 powerful keys to help you unlock your true self and live a life of purpose and meaning that is in line with your values. Each key is supported by a series of proven, practical exercises which will help move you from inspiration to action as you start to become the person you really want to be. “What might be possible if you could live a life of purpose and meaning?” Imagine the possibilities.... What readers are saying: “A powerful book to find courage to live life intentionally and with meaning. Patrick's life story is inspiring and his learnings can be applied to everyone. Through humanity, vulnerability and charisma, Patrick helps us reflect and find ways to face challenges and reinvent oneself. Worth reading!” Barbara Martin Coppola, CEO of Decathlon “An inspiring life story of making difficult professional and life changes. Patrick has assembled a worthy collection of life and career lessons, with plenty of humor, humility and vulnerability, and turned this into a practical set of insights and exercises that are really helpful for startups and larger company CEOs and executives alike.” Matthijs Glastra, CEO of Novanta (NASD: NOVT) I've known and worked closely with Patrick for over a decade and know that many would benefit from this book which is a result of his deep self reflections and focus on constant, transformational change. Congratulations Patrick! Thank you for letting me be a small part of this amazing journey. Brad Bao, Founder and Chairman at LIME Part-autobiography, part self-help manual, Step Back and Leap is a captivating read from the get go. Patrick Mork has lived a rich, varied life and he's a strong storyteller, which might be why I found myself racing through this book in a single day. Mork is both open and unapologetic about his failures and successes alike, which makes the book refreshing and insightful. He articulates the classic problems of Marketing in Silicon Valley (and more broadly in tech), drives home the importance of purpose, and layers in a series of useful tips and exercises he's developed in his latest career as an executive/ corporate team coach. And when he takes you on the white knuckle ride of the Sequoia Century, you'll be hanging on the edge of your seat. As a three-time CMO on the cusp of (exciting) career change, I found myself scribbling down some of the bolder pieces of advice to take on my next journey. In the end, you may not agree with every square inch of Mork's approaches and philosophy, but you will exit the book entertained and inspired to be bolder in seeking your own truth. Leela Srinivasan, CEO at Parity, Board Member Upwork I can't recommend this book enough. From career to personal advice, this book taught me so much. I'm going through a pivotable time in my career as well as ending my 19 year marriage. I really took a lot of the advice to heart, especially around my values (and not deviating from them!), as well as learning from step backs in my career. Thank you Patrick for such sound advice! Erica M. Larsen - Gaming & CG&E Sales Coach at Google “I found it a fascinating (and unexpected) marriage of memoir and business. Sometimes I was so absorbed in the narrative that I forgot the book had business purpose, and then you would insert a pithy quote, an apropos reference, or an on-point exercise that grounded me in the lesson! “ David M.M. Taffet (serial entrepreneur and CEO) “The sustained narrative, of both your life and your career, moved me to tears on several occasions. If this book does not inspire others to live better, be better, lead better and just generally work harder on themselves, then nothing else will. You have created a treasure! Claire Harbour (Executive coach, Insead MBA, Former GM at LVMH)

Single Season Sitcoms of the 1980s Bob Leszczak,2016-05-17 As the cable TV industry exploded in the 1980s, offering viewers dozens of channels, an unprecedented number of series were produced. For every successful sitcom--The Golden Girls, Family Ties, Newhart--there were flops such as Take Five with George Segal, Annie McGuire with Mary Tyler Moore, One Big Family with Danny Thomas and Life with Lucy starring Lucille Ball, proving that a big name does not a hit show make. Other short-lived series were springboards for future stars, like Day by Day (Julia Louis-Dreyfus), The Duck Factory (Jim Carrey), Raising Miranda (Bryan Cranston) and Square Pegs (Sarah Jessica Parker). This book unearths many single-season sitcoms of the

'80s, providing behind-the-scenes stories from cast members, guest stars, writers, producers and directors.
