Ridley Plays: 2 Philip Ridley, 2013-06-13 This second volume of Ridley's stage plays confirms him as one of the most imaginative, daring and unique voices currently working in theatre. All four plays collected here resonant with Ridley's trademark themes - East London, storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric and the beautiful he has made all his own. *Vincent River*: '... a grieving mother and a traumatized teenager meet as adversaries, rough each other up and eventually bond over a barbaric act of cruelty...Ridley asks questions, lots of them, about how people respond to the loss of innocence in their lives, how they hold onto their sanity in the face of savagery and how they fight to keep the bonds of humanity intact in a mad, mad world.' *Variety Mercury Fur*: '...depicts a scary, post-apocalyptic London where, in their struggle to survive, a group of youths are reduced to organising parties that cater for the most perverted tastes.' *Independent Leaves of Glass*: 'There is a different kind of murder going on here: the murder of truth that goes on in all families to a lesser or greater degree. As with nations, a family's history is written by the victors.' *Guardian Piranha Heights*: 'The extravagance of Ridley's dark vision suggests a dangerously confused society in which individuals seize on random gobbets of semi-digested information and use them to construct their own personal narrative.' *The Times*

Dive in and play the RPG to end all others; explore, create, conquer. LIVE!' It became an overnight phenomena worldwide. He can't afford college, but at least he is not out on the streets. His life is going nowhere, stuck on a treadmill. Until chance, karma, or providence, call it whatever you believe in, intervenes. Suddenly, David's circumstances change. Injured and unable to work, he's about to lose what little he has. His fate balances where crisis and opportunity go hand in hand. He can risk it all, seizing the opportunity to make circumstances work for him, potentially going further and higher than he ever dreamed. Or he can accept his fate and watch life from the sidelines Join Dave as he puts all his aspirations and hopes, all that he is, into the game he always wanted to play, Conquest! It will be a journey of adventure and discovery, victory and loss, as he strives to create a new future for himself, in-the-game and In Real Life. **** Story is currently being proofed by our Lord Sambraga! (chapters 54+) so please bear with the mediocre quality of writing in the first chaps, it gets much better later on!*****
