Pass the PCL-R Abraham Gentry,2011-09-01 The PCL-R is a test that is determining the fate of prison inmates worldwide. The stakes of not passing a standardized test have never been so great. Failing this test can mean spending additional decades in prison, possibly longer than your original sentence. Some states use the score to recommend the death penalty! This guide will take you step by step through the test. It will explain the questions asked, what traits the clinicians are looking for, how they will score your answers, and exercises to prepare. The PCL-R is unlike any other test. Many seemingly innocent traits are scored against you! If you, your friend or client have been convicted of a felony or are facing a parole hearing soon, it is very likely the PCL-R will be given. Know the rules of the game, arm yourself with the right knowledge, and rebuild your life! Pass the PCL-R contains everything you need to know to do well on the exam. It tells you how to answer the questions and how to talk to the prison psychologist to convince him that you are the one that should be let out! This is the best resource currently available. It also contains a primer to prepare you for other common prison psych tests. Rorschach, MMPI, and LCSF.
