PX This ,

Chewing Gum, Candy Bars, and Beer James J. Cooke, 2009-11-01 Veterans of World War II have long sung the praises of the PX—a little piece of home in far-flung corners of the world. Though many books on that war tell of combat operations and logistics in detail, this is the first to tell the full story of the Army Exchange System. The AES was dedicated to providing soldiers with some of the comforts they had enjoyed in civilian life—candy, beer, cigarettes, razor blades, soap—whether by operating an exchange close to where they were fighting or by sending goods forward to the lines, free of charge. The beer may have been only “3.2,” but it was cheap and, unlike British beer, was served cold, thanks to PX coolers. And a constant supply of cigarettes and chewing gum gave GIs an advantage when flirting with the local girls. In chronicling the history of the AES, James J. Cooke harks back to the Civil War, in which sutlers sold basic items to the Yankee troops for exorbitant prices, and to the First World War, when morale-building provisions were brought in by agencies such as the Red Cross. He then traces the evolution of the PX through World War II from the point of view of those who ran the service and that of the soldiers who used it, blending administrative history with colorful anecdotes and interspersing letters from GIs. Cooke views the PX as a manifestation of American mobility, materialism, and the cultural revolution of mass consumerism that flourished in the 1920s,

serving soldiers who were themselves products of this new American way of retail and expected a high level of material support in time of war. He emphasizes the accomplishments of Major General Joseph W. Byron, chief PX officer from 1941 to 1943, and his deputy, Colonel Frank Kerr. He also tells how the PX dealt with the presence of large numbers of women in uniform and the need to meet their demands in exchange offerings. By 1945, General Byron could boast that the Army Exchange Service operated the world's largest department store chain, serving the grandest army the United States had ever put in the field, and today the PX is still a central factor of military life. Yet as Cooke shows, the key to the AES's importance was ultimately the way it bolstered morale—and helped give our fighting men the will to keep fighting.

PX This. - the Revised Edition Abbe Diaz, 2010-05-20 PX This. (diary of the 'Maître d' to the Stars'), by Abbe Diaz, is the witty, irreverent (star-studded) four-year diary of a struggling commercial-artist/fashion-designer moonlighting as a maître d' at some of Manhattan's most renowned restaurants. It is a humorous, poignant, and uniquely insightful romp through the nightly playgrounds of some of New York's (and Hollywood's) most glamorous and elite, as viewed from the front podium. You'll laugh! You'll cry! It's 'the bible of the [NYC fine-dining Food and Beverage] industry.' 'Restaurateur Jean-Georges Vongerichten is so annoyed by the success of his former Maitre D' Abbe Diaz's new tell-all book, he is forcing his employees to sign confidentiality

agreements. They were also banned from discussing [the book] at work.' ' The New York Post

Shop Till You Drop P X Duke,2020-12-17 Jim Nash and Maddie Spence find their lives disrupted when a woman from Jim's past lands on their doorstep. Faithful dog Friday doesn't seem to mind. He has a new bestie, even when she slips from their shared sofa-bed and disappears. It doesn't faze Friday in the slightest. He knows she'll be back, even when everyone else refuses to believe it to be. Anya Quinn is back and beaten to a pulp. Will Jim and Maddie, along with faithful dog Friday, be able to put all the pieces back together again?

Breakdown P X Duke,2020-04-29 Jim Nash and his partner's faithful dog Friday are left to fend for themselves when Maddie Spence is called home. A concerned client lands on their second-floor doorstep, convinced his wife has gone missing. The police won't get involved. It's too soon, and the wife hasn't been gone long enough. Friday takes matters into his own hands when he chooses to babysit the man's young daughter while Jim handles business. Is the woman really missing, or has her husband contrived an elaborate plan to cover up something more sinister?

Uncharted P X Duke,2024-01-09 Harry Delaney is back on the Horn of Africa, smuggling guns and falling in love while partying it up on a Nairobi R&R. When Kari, his latest love interest ends up in his desert camp, she saves a squad of his men during a shootout. The episode only serves to convince him

she is the one. A DC-3 flight into Djibouti and revolution is a harbinger of problems to come as Harry's men take their favorite hotel without firing a shot. Hawaiian shirts, dancing, and explosions put Harry on the warpath to avenge his true love's death.

No Free Ride P X Duke, 2023-04-04 Jim Nash is a private detective who has occasionally made his living on the shady side of the street. In his past, he has done off-the-book work for the Feds. One of those old jobs has returned to haunt him. A woman he long thought dead comes back into his life when she shows up at his office unannounced. He's not real happy when he sees for himself the woman isn't dead. Now, Lucky Lucy, as he calls her, is just another Fed looking for a sweet deal. This time, he's got the paperwork all filled out. Until it's signed, sealed, and delivered, he's not going to do the work. Jim's partner, Maddie, isn't happy, either. Neither is Luz. She almost kills the interloper when Lucky Lucy kidnaps Jim in an attempt to force him to go to work. All this before the contract with the Feds has even started. A trip to Bimini, drug and people smugglers in the Keys, and an exploding fastboat all figure in the Nash crew's latest adventure when it turns out to be No Free Ride.

Report on Armed Services Exchanges (PX's), 1953 United States. Congress. House. Committee on Armed Services, 1953

Forget Me Not P X Duke, 2020-04-29 Jim Nash and his partner, Maddie Spence, are called on to help an old friend locate his missing daughter. But is she

really missing? Jim thinks she's gone on a romantic getaway for a long weekend and an opportunity to study for her final exams soon to be coming up. Maddie isn't so certain. An old nemesis is out of prison and looking for trouble. When she crosses the path of someone who looks familiar, it doesn't take her long to put two and two together. How could she not? The woman was the one who drove a giant snow clearing machine into the back of her car in god-forsaken Escape, scattering money, dreams, and hope for a new life in the bright lights and big city. Jim and Maddie agree to help locate the missing woman. They make for the Florida panhandle, determined to track down the woman with the help of faithful dog and companion, Friday, along for the ride.

Report on Armed Services Exchanged (PX's), 1953, Report of the Subcommittee on Defense Activities of ... , Under Authority of H. Res. 125, (83d Congress). United States. Congress. House. Committee on Armed Services, 1953
Last Stop to Nowhere P X Duke, 2016-12-12

Wedding Bell Blues P X Duke, 2020-04-29 Jim Nash has no plans to attend the wedding of former best friend Warren to Allie Sands, a girlfriend from his past. All that goes out the window when his current partner, Maddie Stone, sees the emails and convinces him otherwise. With the decision made for both of them, Jim and Maddie are waylaid in a small town on the way to the wedding for reasons unknown. Faithful dog Friday is dispatched to rescue the pair. On arrival at the marina, Jim is determined to discover what's going on when the

Feds make it plain they're playing for keeps. Convinced that the Feds are up to no good, he takes matters into his own hands with the help of three dogs, three women, and the two men who refuse to see the writing on the wall. Dogs, kids, and ice cream all play a part in this Jim Nash short story.

PX [i.e. Pax] Alfredo Pioda,1892

No Way Out P X Duke,2015-12-27 Revised and edited. Frank would collect his final paycheck from the last bike rally of the riding season, pack up, and ride south in late fall. He liked to spend the winter months down on the Baja, a refugee from the freezing cold of a northern winter. Come spring, he'd head north and begin the bike rally work-cycle all over again. He had a rude awakening early in the spring when his ride broke down only 70 miles north of the border. He ended up stranded in a small, desolate town by the Salton Sea. Following a chance meet-up in a motel parking lot, a woman took pity on Frank. Kelly invited him into her home for a dose of welcome home cooking that turned into some old-fashioned loving. When his hostess pointed a loaded gun at his back and pulled back the hammer, Frank knew he was in the wrong place at the wrong time. The woman took exception to the fact he had discovered five keys of cartel coca stashed in her closet. It put her on edge when she thought he was stealing it. Frank stayed around only long enough to witness the cartel sicarios hard-hitting double tap response to their missing drugs. He double-timed it out of town with a reformed pole dancer named Tammi riding bitch on the back of his motorcycle. The woman had been Kelly's friend

and neighbor. When she learned that Kelly was into the cartel for five keys, she decided to join Frank in his hasty exit. A wise decision on her part made for bad karma for Frank, and now he was on the run with a woman intent on keeping her own secrets. By the time he arrived in El Lay, Frank had just about given up hope of surviving, thanks to a Molotov tossed in his direction on the freeway. He didn't even drink. The fiery cocktail missed its mark, and Frank and his passenger rode on, only to become embroiled in multiple attempts at discovering who was out to kill them. After a second firebombing failed to do its job, and following a murder committed by his girl of the minute, Frank knew he had to blow town in a hurry. He made good his escape for a third time, and now he's back on the road, in a brand-new town, looking for work and a woman, not necessarily in that order.

Mexico Time P X Duke, Jim Nash wants to put his past behind him, but in order to do that, he has to remove himself from the present. His quick trip down the Baja is beginning to look like he overstayed his welcome on a vacay from hell. He's riding around in an armor-plated van when a teenage stowaway jumps on board. He can't get rid of her, and now he's stuck babysitting, too. If that isn't enough, the go-fast panga he borrowed in Todos Santos is on the hot sheet with the cartels. He has a remedy for that tucked away on board that involves an RPG and someone who knows how to use it. He discovers his teenage ward hanging upside-down in a Cabo San Lucas bar. She was supposed to be homeward-bound on an airplane. Not to be outdone, the teenager discovers

Jim in flagrante delicto with a cartel woman intent on stealing every dollar he has amassed over the years. With the banks closed and nowhere to turn, he's forced to rely on his own devices and those of his young ward. He's resolved to get her home safely, even if she doesn't want to go on her own. She is insisting on leaving with the one that brought her, and that's Jim Nash. A cartel gunfight on a Cabo pier has made the news back home, and now Maddie Spence, his partner, is itching to get her hands on Jim, too. She recognized him as one of the stars in the video with two other women. The only trouble is, until he made the news, she had no idea where he was. That's not a pressing problem for Jim, though. At least, not yet. Jim still has to make his way north by sea and by land to the border and home.

Revenge Is Justice P X Duke,2020-04-29 Jim Nash has been chasing the ghosts in his life for too long. His business partner has deserted him and he doesn't know if she's coming back. His most recent receptionist and her dog, Friday, keeps handing him verbal abuse. The requested HR meeting never happens. And to top it off, he still hasn't learned who orchestrated the death of both his wives. He can handle the missing partner. He can even handle the good-natured verbal abuse his receptionist dishes. What he can't handle is the runaround he's getting from someone who knows what happened to his wives and who should be taking the blame for their deaths.

No Harbor P X Duke,2016-04-22 Jim Nash is well on his way to a complete recovery from events in his past life. He's in his second marriage and very

happy. His job at the resort is secure. Then a blast from his past re-emerges and threatens to throw a wrench into his plans for the future. Will his bond with the new woman in his life be endangered? Tempted by old and familiar love into leaving the only safe harbor he has known, Jim is forced to making choices that could forever affect the new life he has chosen for himself. Keywords pulp hard boiled dark gritty police automatic pistol gun detective noir fiction thrillers novels secret fugitive ops murder mag clip action adventure intrigue mystery suspense books novel series vigilante justice revenge vengeful

Partners in Crime P X Duke, 2021-01-05 Good boy Friday is taking his masters, Maddie and Jim, out for a walk on his long leash. He veers off course into a dark alley, testing the patience of both. Refusing to come or heel when called, the usually well-behaved dog is forced to disobey. He has discovered what appears to him to be a new friend. He takes it upon himself to inform his masters by nudging the reluctant little yellow ball of fur out from the dark alley and onto the sunny sidewalk. Jim Nash decides he wants to claim the tiny puppy as his own. Maddie Spence knows better, and is already planning the found dog poster she will produce when she gets the lost little dog home. Both plans go awry when the owner of the puppy appears on their doorstep intent on claiming her dog for herself. When Maddie heads out on an assignment that will take her away from Friday and Jim for an unknown amount of time, dog and man are forced to admit they desperately miss their partner.

To counter his loneliness, Jim is drawn into a relationship that will prove difficult to break off when Maddie returns.

Dreams Die Fast P X Duke, 2016-03-30 Frank Ross spent the winter on the Baja riding his motorcycle under sunshine and blue skies. Now it's spring and he's headed home, but bad luck encountered in a casino parking lot has left him stuck waiting for parts in a small, isolated town on the west side of the Salton Sea just 70 miles north of the Mexican border. With nothing to do but kill time, Frank accepts an invitation for a home-cooked meal. Before he knows it, he's knee-deep in cartel drugs with a woman itching to pull the trigger on the gun she has pointed at his back. Keywords: vacation trouble breakdown motorcycle biker drug coke scorpion cartel hit sicario cocaine harley davidson hog gang salton sea dance strip pole deal romance bad baja mexico

Gun Crazy 3 P X Duke, 2016-10-18 The Gun Crazy collections have so far proven popular. I offer Gun Crazy Collection #3 as the most recent. Vendetta #9 - Nash turns himself into an insurance investigator tasked with discovering whether the death for a former drug dealer is cause for concern regarding a life insurance payout. The policy can't be paid until Nash has finished his investigation into the old man's former life. Along the way, Jim somehow manages to fall in love with the pretty and personable beneficiary. Secrets and lies conspire to keep Jim from learning the true story until the very end. A Girl's Best Friend #10 - Jim has a brand new Private

Investigator's license, but he can't use it in Nassau. After a briefing in the Big Apple on the diamond market, he heads off to the sunny paradise to try and dissuade a friend from flashing a blue diamond at one of his infamous parties. Minus a guest list for the forty partiers, they're all suspects in the murder investigation until Jim finally realizes that a woman he knows could be the prime suspect. Dead End #11 - A missing teenager draws Jim back to the scene of the crime in Mexico where Kara, his pregnant wife, was killed in an explosion aboard their sloop. He's needed the intervening two years to get over the life-changing event, but now he's ready to take another look in an effort to put it all behind him for good. He crosses the border, lands an exceptional deal on a rental car, and, realizing one of his shortcomings, hires a translator. Now all he has to do is find two missing girls and try not to fall in love all over again while doing it. No Harbor #12 - Jim Nash is well on his way to a complete recovery from events in his past life. He's in his second marriage and very happy. His job at the resort is secure. Then a blast from his past re-emerges and threatens to throw a wrench into his plans for the future. Will his bond with the new woman in his life be endangered? Tempted by old and familiar love into leaving the only safe harbor he has known, Jim is forced to making choices that could forever affect the new life he has chosen for himself. Dog Days #13 - Jim Nash is as content as he's ever been—that is, until he manages to get himself arrested thanks to the new girl that has come into his life. While being held on

trumped-up charges of murder, all the women in his life come together to post bond. With the local PD's enthusiasm to pin the crime on him, he is forced into honoring payback in a form he will find very familiar. Startup Blues #14 - Being elected to the position of chief of police isn't everything it's cracked up to be when Jim has competent help to assist him. Bored with desk duty, Jim takes a short leave to use his P.I. license to help two sisters in their time of need. Persons unknown are harassing and threatening their startup business. To find out who, his quest leads him to gator country in the Florida Everglades, where he must separate business from the more than pleasurable sisters he is intent on protecting. Keywords pulp hard boiled dark gritty police automatic pistol gun detective noir fiction best selling thrillers novels secret fugitive ops murder mag clip action adventure intrigue mystery suspense books novel series vigilante justice revenge vengeful

Thank you for downloading **PX**. As you may know, people have search numerous times for their favorite readings like this PX, but end up in harmful downloads.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of PX eBooks, including some popular titles.

FAQs About PX Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the

eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia

elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. PX is one of the best book in our library for free trial. We provide copy of PX in digital format, so the resources that you find are reliable. There are also many Ebooks of related with PX. Where to download PX online for free? Are you looking for PX PDF? This is definitely going to save you time and cash in something you should think about.
