BRAVE Rose McGowan, 2018-01-30 NEW YORK TIMES BESTSELLER - A revealing memoir and empowering manifesto - As featured in Ronan Farrow's CATCH AND KILL and Jodi Kantor and Megan Twohey's SHE SAID BRAVE works beautifully as a manifesto. It's a call to arms—not just against the specific men who mistreated McGowan and the men and women who enabled that mistreatment, but against an industry.—The Boston Globe Rose McGowan was born in one cult and came of age in another, more visible cult: Hollywood. In a strange world where she was continually on display, stardom soon became a personal nightmare of constant exposure and sexualization. Rose escaped into the world of her mind, something she had done as a child, and into high-profile relationships. Every detail of her personal life became public, and the realities of an inherently sexist industry emerged with every script, role, public appearance, and magazine cover. The Hollywood machine packaged her as a sexualized bombshell, hijacking her image and identity and marketing them for profit. Hollywood expected Rose to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. She reemerged unscripted, courageous, victorious, angry, smart, fierce, unapologetic, controversial, and real as f*ck. BRAVE is her raw, honest, and poignant memoir/manifesto—a no-holds-barred, pull-no-punches account of the rise of a millennial icon, fearless activist, and unstoppable force for change who is determined to expose the truth about the entertainment industry, dismantle the concept of fame, shine a light on a multibillion-dollar business built on systemic misogyny, and empower people everywhere to wake up and be BRAVE. My life, as you will read, has taken me from one cult to another. BRAVE is the story of how I fought my way out of these cults and reclaimed my life. I want to help you do the same. - Rose McGowan

The Personals Brian O'Connell, 2019-10-03 The Personals reveals how classified ads are not just a few commercial lines of text in print or online - they can be a treasure trove of fascinating human stories; stories of love, loss, loneliness, redemption and hope.

Personal Days Ed Park, 2008 In an unnamed New York-based company, the employees are getting restless as everything around them unravels. Rich with Orwellian doublespeak, filled with sabotage and romance, this astonishing literary debut is at once a comic delight and a narrative tour de force.

Lament of the Dead James Hillman, Sonu Shamdasani, 2013-08-26 Two psychologists explore the issues presented in the seminal work of Carl Jung and discuss human's relationships with the deceased, dreams and fantasies, how creative expression manifests and the significance of psychology to art.

The Situation and the Story Vivian Gornick, 2001 Publisher description

Nothing Personal Nancy Jo Sales, 2021-05-18 A raw and funny memoir about sex, dating, and relationships in the digital age, intertwined with a brilliant investigation into the challenges to love and intimacy wrought by dating apps, by firebrand New York Times bestselling author Nancy Jo Sales At forty-nine, famed Vanity Fair writer Nancy Jo Sales was nursing a broken heart and wondering, "How did I wind up alone?" On the advice of a young friend, she downloaded Tinder, then a brand-new dating app. What followed was a raucous ride through the world of online dating. Sales, an award-winning journalist and single mom, became a leading critic of the online dating industry, reporting and writing articles and making her directorial debut with the HBO documentary Swiped: Hooking Up in the Digital Age. Meanwhile, she was dating a series of younger men, eventually falling in love with a man less than half her age. Nothing Personal is Sales's memoir of coming-of-middle-age in the midst of a new dating revolution. She is unsparingly honest about her

own experience of addiction to dating apps and hilarious in her musings about dick pics, sexting, dating FOMO, and more. Does Big Dating really want us to find love, she asks, or just keep on using its apps? Fiercely feminist, *Nothing Personal* investigates how Big Dating has overwhelmed the landscape of dating, cynically profiting off its users' deepest needs and desires. Looking back through the history of modern courtship and her own relationships, Sales examines how sexism has always been a factor for women in dating, and asks what the future of courtship will bring, if left to the designs of Silicon Valley's tech giants—especially in a time of social distancing and a global pandemic, when the rules of romance are once again changing.

Fixed Mix Seeks Same Christine Ecklund, Dean Miner, 2004 Personal ads: Who can resist reading them—even if you're attached? Dogs: Who doesn't love them (okay, besides cats and mail carriers)? Personal ads for dogs: The most inspired combination since peanut butter and jelly! **Fixed Mix Seeks Same: The First Book of Dog Personal Ads** is a one-of-a-kind collection of hilarious canine snapshots and personal ads that will leave readers howling. What better treasure or gift for the dog lover, a friend who's making the singles rounds, or anyone who finds witty writing irresistible? Some ads are silly, others sly, and a few a tad naughty. The pooch portraits are grounded in reality, with a satiric or absurd twist—just like the most intriguing people personals. Consider the terrier in a bikini whose ad reads: Moondoggie Where Are You? Sun-worshiping beach babe seeks Big Kahuna who loves to soak up the rays and knows when it's time to roll over. Sunsets, bonfires, gnarly waves, and corn dogs float my boat. Man thongs, hairy backs, and muscle heads move on. Let's duck under the beach umbrella and dig our own love castle. No sk8ers please—get a life. A hysterically entertaining look at man's best (date-minded) friend.

The Other Side of Infamy Jim Downing, 2016-11-03 War is uncomfortable for Christians, and worldwide war is unfamiliar for today's generations. Jim Downing reflects on his illustrious military career, including his experience during the bombing of Pearl Harbor, to show how we can be people of faith during troubled times. The natural human impulse is to run from attack. Jim Downing—along with countless other soldiers and sailors at Pearl Harbor on December 7, 1941—ran toward it, fighting to rescue his fellow navy men, to protect loved ones and civilians on the island, and to find the redemptive path forward from a devastating war. We are protected from war these days, but there was a time when war was very present in our lives, and in *The Other Side of Infamy* we learn from a veteran of Pearl Harbor and World War II what it means to follow Jesus into and through every danger, toil, and snare.

Personal Lee Child, 2014-08-28 Consistently pulse-raising. . . an exhilarating ride. . . *Personal* wrests back the sheer gusto of the earlier novels; it's the best Reacher adventure in some considerable time. (Independent) Jack Reacher walks alone. Once a go-to hard man in the US military police, now he's a drifter of no fixed abode. But the army tracks him down. Because someone has taken a long-range shot at the French president. Only one man could have done it. And Reacher is the one man who can find him. This new heartstopping, nailbiting book in Lee Child's number-one bestselling series takes Reacher across the Atlantic to Paris - and then to London. The stakes have never been higher - because this time, it's personal. _____ Although the Jack Reacher novels can be read in any order, *Personal* is 19th in the series. And be sure not to miss Reacher's newest adventure, no. 27, *No Plan B!* ***OUT NOW***

Betty Friedan Susan Oliver, 2008 Scholar, journalist, activist, and noted author, Betty Friedan led a public campaign for equality in American society that stretched from 1950's suburbia to the close of the 20th century. Friedan's personal experiences motivated her to rally against anti-Semitism at Smith College, reveal wage discrimination as a reporter for labor unions, define domestic dissatisfaction in *The Feminine Mystique*, and organize women for equality with the founding of the National Organization for Women. That public persona also affected her private life in marriage, motherhood, and eventual divorce. This newest addition to Longman's Library of American Biography Series follows Friedan through nearly 50 years of championing equality, mapping the successes and shortfalls of her agenda. The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where

figures in history are explored. Paperback, brief, and inexpensive, each interpretative biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life. At the same time, each biography relates the life of its subject to the broader themes and developments of the times.

When History Is Personal Mimi Schwartz, 2018-03 When History Is Personal contains the stories of twenty-five moments in Mimi Schwartz's life, each heightened by its connection to historical, political, and social issues. These essays look both inward and outward so that these individualized tales tell a larger story—of assimilation, the women's movement, racism, anti-Semitism, end-of-life issues, ethics in writing, digital and corporate challenges, and courtroom justice. A shrewd and discerning storyteller, Schwartz captures history from her vantage as a child of German-Jewish immigrants, a wife of over fifty years, a breast cancer survivor, a working mother, a traveler, a tennis player, a daughter, and a widow. In adding her personal story to the larger narrative of history, culture, and politics, Schwartz invites readers to consider her personal take alongside "official" histories and offers readers fresh assessments of our collective past.

Education, Power, and Personal Biography Carlos Torres Alberto, 1997-12-03 In dialogues with key thinkers in the area of critical education, this book documents how a tradition of study grew in the United States. Through in-depth interviews, the author asks each of these thinkers to talk about the relationship between their personal experiences and their academic work. The reader will learn, through listening to these intellectual, political and personal biographies, how and why these individual scholars have struggled for more than three decades to expand the borders of critical education studies. Interviews are held with Henry Giroux, Henry Levin, Herbert Gintis, Jeannie Oakes, Martin Carnoy, Maxine Greene, Michael Apple, Samuel Bowles, Paulo Freire, Gloria Larson-Billings and Geoff Whitty, among others.

Growing Together Frieder R. Lang, Karen L. Fingerman, 2003-11-10 Understanding personal relationships throughout the life course is one of the most crucial issues in the behavioral and social sciences. This book brings together perspectives from different disciplines on individual development and personal relationships across the life span. The book addresses two pertinent dimensions of personal relationships: 1) structures of relationship networks (e.g. kin vs non-kin,

peripheral vs intimate, short-term vs long-term) and 2) processes (i.e. change or stability) and outcomes of personal relationships across the life span. The book stimulates discussion of personal relationships as resources for and outcomes of individual development throughout the life course. Different qualities of personal relationships serve as catalysts for individual development. At the same time, relationship qualities reflect changes of developing individuals. The book does not give exclusive priority to one phase of the human life span. Rather, each chapter addresses social development across the entire life span from childhood to later adulthood.

Personal History Katharine Graham, 2011-02-09 #1 NATIONAL BESTSELLER • PULITZER PRIZE WINNER • The captivating inside story of the woman who helmed the Washington Post during one of the most turbulent periods in the history of American media: the scandals of the Pentagon Papers and Watergate In this widely acclaimed memoir (Riveting, moving...a wonderful book The New York Times Book Review), Katharine Graham tells her story—one that is extraordinary both for the events it encompasses and for the courage, candor, and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband—a confidant to John F. Kennedy and Lyndon Johnson—plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted—and mastered—the personal and professional crises of her fascinating life.
