Fever Pitch Nick Hornby, 2005-05-05 *WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR* Fever Pitch is Nick Hornby's million-copy-selling, award-winning football classic 'A spanking 7-0 away win of a football book. . . inventive, honest, funny, heroic, charming' Independent For many people watching football is mere entertainment, to some it's more like a ritual; but to others, its highs and lows provide a narrative to life itself. But, for Nick Hornby, his devotion to the game has provided one of few constants in a life where the meaningful things - like growing up, leaving home and forming relationships, both parental and romantic - have rarely been as simple or as uncomplicated as his love for Arsenal. Brimming with wit and honesty, Fever Pitch, catches perfectly what it really means to be a football fan - and in doing so, what it means to be a man. 'Hornby has put his finger on truths that have been unspoken for generations' Irish Times 'Funny, wise and true' Roddy Doyle

The Pitch Hugh Rank, 1991 This book probes the ways ads persuade people to purchase, and attempts to teach individuals to become more discerning consumers. Critical thinking, when applied to analyzing ads, benefits consumers by helping them recognize patterns of persuasion and sort incoming information in order to get to the hidden message. The book's basic premise is that all people are benefit-seekers and persuaders are benefit-promisers. There are four dynamics of benefit-seeking behaviors: (1) protection, or keeping a perceived good; (2) relief, or getting rid of a perceived bad; (3) acquisition, or getting a new

good; and (4) prevention, or avoiding getting a new bad. The book identifies a five-part strategy of the basic pattern of advertising (Hi, Trust Me, You Need, Hurry, Buy), discusses the vocabulary of advertising, and provides exercises, discussion topics, and quiz sheets as learning and assessment tools. Beyond the Red Ava Jae, 2016-03-01 Alien queen Kora has a problem as vast as the endless crimson deserts. She's the first female ruler of her territory in generations, but her people are rioting and call for her violent younger twin brother to take the throne. Despite assassination attempts, a mounting uprising of nomadic human rebels, and pressure to find a mate to help her rule, she's determined to protect her people from her brother's would-be tyrannical rule. Eros is a rebel soldier hated by aliens and human alike for being a half-blood. Yet that doesn't stop him from defending his people, at least until Kora's soldiers raze his camp and take him captive. He's given an ultimatum: be an enslaved bodyguard to Kora, or be executed for his true identity—a secret kept even from him. When Kora and Eros are framed for the attempted assassination of her betrothed, they flee. Their only chance of survival is to turn themselves in to the high court, where revealing Eros's secret could mean a swift public execution. But when they uncover a violent plot to end the human insurgency, they must find a way to work together to prevent genocide.

The Levitan Pitch. Buy This Book. Win More Pitches Peter Levitan, 2014-08-28 The Levitan Pitch.

Buy This Book. Win More Pitches. is the definitive how-to guide for every advertising, design, digital and PR agency that wants to increase its odds of winning new accounts. Based on 30 years of pitching for new accounts, I know that there is no such thing as a standard marketing services pitch scenario. Every client category, assignment, timetable, budget, search consultant, procurement system, and client personality is unique. However... While there is no standard pitch or agency, I know from experience that there are universal pitch criteria that can be identified and addressed regardless of the type or size of client, specific marketing objectives, or agency. To that extent, The Levitan Pitch is designed to deliver one master benefit: You will win more new clients. In Chapter One of this book, I discuss the very high cost of failing to run well-crafted, efficient pitches. The costs of failure include poor agency staff morale, individual employee burnout, and the financial cost to an agency's bottom-line that comes from the cost of participating in four-month agency searches and funding an agency's annual business development plan. This chapter tells the story of Saatchi & Saatchi Advertising's The Worst Advertising Pitch Ever. Chapter Two offers an escape hatch. You should not pitch every account that comes knocking. I give you a handy tool to gauge both the value of the prospective client and your agency's chances of winning. Chapter Three begins to help you position the pitch for success. We look at the essential facts of the pitch and dig into understanding the client's mindset by understanding the type of assignment, type of relationship they are looking for, and what type of agency will fulfill their needs. Chapter Four delivers the list of The 12 Deadliest Presentation Mistakes. These are identified pitch killers that come from my personal experience and the experiences of agency CEO's, clients, and search consultants. The accompanying cartoons wouldn't be as funny if these

mistakes were not being made over and over, even by the most sophisticated agencies. In Chapter Five I lay out thirty short but very sweet suggestions for how to build a brilliant presentation that I know will greatly increase your odds of winning. These ideas cover three core elements of a successful pitch: process management, content development, and how to deliver a standout presentation. Each rule is supported by a tip or insight that offers a fast way to achieve your objectives. Chapter Six is all about don't take my word for it. This chapter brings in valuable learning via fourteen interviews with a range of communications industry experts. It is informative and often mind-blowing to hear the pitch related experiences and advice of agency search consultants, compensation experts, an ex P&G procurement executive, a negotiation trainer, the 4A's, the Association of National Advertisers, a silicon valley presentation guru, a leading agency strategist, an ex-Nike and W+K executive on building chemistry, an IP lawyer on who actually owns your pitch ideas, the CEO of a London advertising agency, and the CEO of an independent agency network who has been on both sides of the table. Finally, I've included insights about all too common agency pitch mistakes from 16 of the world's leading search consultants. I hope that you will find the book informative, insightful, occasionally humorous, and most importantly, a good read that ultimately results in more wins for your company.

Elevator Pitch Linwood Barclay,2019-09-17 ****INSTANT NATIONAL BESTSELLER**** The #1 bestselling Linwood Barclay returns with an edge-of-your-seat thriller that does for elevators what Psycho did for showers and Jaws did for the beach—a heart-pounding tale of terror and menace that will make you think twice the next time you hit Up. It all begins on a Monday, when four people board an elevator in a Manhattan office tower. Each presses a button for their floor, but the elevator proceeds, nonstop, to the top. Once there it pauses for a few seconds, but the doors don't open. Instead, the elevator begins to descend floor-by-floor. Then it plummets. Right to the bottom of the shaft. It appears to be a random accident. . . . But on Tuesday, it happens again, in a different Manhattan skyscraper. And then Wednesday brings yet another tragic high-rise catastrophe. In only three days, one of the most vertical cities in the world—and the nation's capital of media, finance and entertainment--is plunged into chaos. Clearly, this is anything but random. This is a cold, calculated bid to terrorize the city. And it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a fingerless body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's newest, and tallest, residential tower has its ribbon-cutting on

Friday night. With each diabolical twist, Linwood Barclay ratchets up the tension, building to a shattering finale. Elevator Pitch is a riveting tale of psychological suspense that is all too plausible . . . and will chill you to the bone.
