Jamba Juice Power Stan Dembecki, Kirk Perron, 2003-12-29 Jamba, from the African word jama, meaning to celebrate, is the philosophy of Jamba Juice, a nationally known chain of smoothie and juice stores. Reasons to celebrate include good health, happiness, and of course, delicious, nutritious, all-natural energizing smoothies. In Jamba Juice Power Jamba Juice founder Kirk Perron shares dozens of his easy-to-prepare smoothie recipes (a blender is the only equipment required), his nutrition advice (developed with a team of scientists and physicians), and his twenty-one-day lifestyle-changing plan with daily tips for mind, body, and spirit and a relevant smoothie recipe. Jamba Juice Power is filled with Jambaisms-Do unto your body as you would have it do unto you (Jambaism #3), health fast-fact sidebars, illustrations, and testimonials, all delivered with the hip, irreverent attitude that has made Jamba Juice a phenomenon.

Calm Fearne Cotton, 2017-12-28 From the bestselling author of HAPPY and the HAPPY PLACE PODCAST THE FOLLOW UP TO THE SUNDAY TIMES BESTSELLER, HAPPY: FINDING JOY IN EVERY DAY AND LETTING GO OF PERFECT 'Calm for me is less about thought and much more about feeling. It is a stillness that allows my lungs to expand like hot air balloons. It is an acceptance of the noise around me. It is a magic alchemy that might last a second or a whole day, where I feel relaxed yet aware; still yet dynamic; open yet protected . . . ' *** In today's always-on world, for many of us it seems impossible to relax, take time out or mute the encircling 'noise'. It is easy to feel trapped in this frenzied state of mind: we are surrounded by negative stories in the press, weighed down by pressures from work, family life or school and subject to constant scrutiny under the all-seeing eye of social media. As a result, mental health illnesses are on the rise in every age group, and more of us than ever before yearn for silence, peace and calm. CALM is Fearne's mission to find the simple things that can inch us away from stress and over to the good stuff. Including expert advice, conversations with wise friends from all walks of life, easy ideas to try, activities to complete - and the little things that have made a difference to her own, sometimes-bumpy life - this book is a friendly reminder that Calm is a place that exists in us all, we just have to find our way back to it.

But he's sure those peculiar mourners, the same ones at each graveside every time, are forcing her into rituals against her will... Caleb, still reeling from the death of his mother, soon finds himself deep in a world of the dead in this chilling YA horror novel; will it be too late for him to climb back out?

Vino Italiano Joseph Bastianich, David Lynch, 2012-07-11 At one time, Italian wines conjured images of cheap Chianti in straw-wrapped bottles. More recently, expensive “Super Tuscans” have been the rage. It surveys the country's wine-producing regions; identifies key wine styles, producers, and vintages; and offers delicious regional recipes. Extensive reference materials—on Italy's 300 growing zones, 361 authorized grape varieties, and 200 of the top producers—provide essential information for restaurateurs and wine merchants, as well as for wine enthusiasts. Beautifully illustrated as well as informative, *Vino Italiano* is the perfect invitation to the Italian wine experience.

The Official Puppet Ministry Survival Guide Susan Parsons, 2002 I can do everything through him who gives me strength. (Philippians 4:13) Think it takes a professional actor to have a puppet ministry? Think again. This book gives you a step-by-step plan and tons of tips on using puppets to tell children all about Jesus while entertaining them at the same time! Puppets are a wonderful teaching tool. They can be whatever you want them to be. Puppets can take on different personalities, exhibit various character traits, teach different lessons. Kids are drawn to puppets, opening doors and establishing instant trust. Tell a conventional story to kids and watch as their eyes glaze over. Their short attention spans cause them to squirm and by the end they've missed out on the whole point of the story. Use puppets to tell the story and suddenly every eye is on the stage. Your audience stays with you all the way through and weeks later you're still be hearing about the memorable things the puppets said and did—just like kids act when they're talking about their favorite videos or TV shows. Everything you need to start a new puppet ministry or breath new life into an existing one is in this book. The author, Susan Parsons, relates many firsthand experiences she has had during her substantial career as a playwright and puppeteer. Learn about creative ways of making puppets from all sorts of unconventional things. Find out how to build a nifty, professional-looking stage out of PVC pipe—lightweight, easy to work with and affordable. Get pointers on writing and presenting skits, on staging and lighting them, on recruiting people to help you! Also, the book contains puppet patterns and ready-to-present skits which you can use for practice or incorporate right into your ministry! After reading this book you won't just survive as a puppeteer—you'll thrive! Product Update It has come to our attention that page 59 of *The Official Puppet Ministry Survival Guide* contains an error in the instructions for constructing the PVC stage. This error will be corrected when the book is next reprinted. Our apologies for the mistake. The correct numbers and dimensions of pieces appear below. 2.5 ft (8 pieces) 2 ft. 9 in. (8 pieces) 3.5 ft. (2 pieces) 4.5 ft. (6 pieces) 6 ft. (2 pieces) Also, page 60 incorrectly lists a 7 ft., 3 in. piece of pipe.

The Waiting Game Jessica Thompson, 2015-08-13 'The moon was speckled like a bird's egg. It hung reliably in the blackness above Will Turnbull and Nessa Grier who sat side by side on a bench as the leaves fell around them, landing softly on the thick, wet grass. Their knees were just touching, hearts pounding hard.' Nessa Bruce waits for her husband to come through the double doors. She'd waited for him to return home from Afghanistan for what felt like forever, and now the moment was finally here. But Jake isn't... Jake Bruce hasn't come home, and it looks like he never will. Nessa's life - and that of her daughter Poppy - is turned upside down in an instant. What has happened to the elusive man at the centre of their world? They hold onto the hope that he is still out there somewhere, alive... but as time passes by, Nessa is forced to look at her life, at the decisions she has made and the secrets she has kept. For maybe somewhere within it all lies the answer to the question she's desperate to answer - where is the man she loves? *The Waiting Game* is perfect for reading groups with lots of twists and turns, and big topics such as mental illness, discussed in a fresh and sensitive way.

Healthy, Sexy, Happy Nancy Deville, 2011 We are living longer, but our quality of life isn't necessarily any better. With equal measure of easy-to-read physiology, wit, and practicality, this book veers away from unhealthy conventional dietary and lifestyle wisdom and shows how to unite the mind, body, and spirit for long-term vitality. Derived from her extensive research for her book *Death By Supermarket*, Nancy Deville provides a series of straightforward, no-nonsense guidelines that shows readers how to take control of their health. This comprehensive program addresses topics such as accelerated ageing and how to avoid it, how to properly care for and nourish the brain, managing insomnia, practising self-compassion, and the appropriate exercise levels for all ages. Whether a twenty-year-old who can't get out of bed without four cups of coffee and a cigarette, a depressed thirty-five-year-old with no sex drive, or someone free-falling into old age, this book shows readers how to redefine their sense of well-being in a toxic world.

Breasts Carolyn Latteier, 1998 *Breasts: The Women's Perspective* on an American Obsession describes and explores

our national breast fetish, which is defined as a culturally constructed obsession that is deeply interwoven with beauty standards, breastfeeding practices, and sexuality. By tracing the complex history of this erotic fascination and discovering how it affects men's and women's sexuality and their relationships, this book will help women accept their breasts as they are and provide male readers with insight into how women think and feel about their bodies. This awareness will enable them to better understand and empathize with women's experiences as objects of a cultural fetish. Focusing on adult joys and anxieties about breasts, sex, and breastfeeding, this text uses research and expert opinions from several different fields, including psychology, anthropology, sociology, mythology, and sexology. You will find several other issues in *Breasts: The Women's Perspective on an American Obsession* that involve men's and women's struggles with this obsession, such as: breast implants human psychology and breasts beauty standards and breast sexuality how breasts are portrayed in mythology and art how ancient religions saw the breast as a sign of motherhood and giver of life breast men debates on how and why the breast evolved adolescent girls and breasts breast activists, such as La Leche League, who are proponents of breastfeeding in public Through personal interviews with men and women, *Breasts: The Women's Perspective on an American Obsession* also addresses women's pride and shame about their breasts and their confusion about the attention their breasts receive. Ultimately, this exploration of breast obsession sheds light on our society's general fear of and ambivalence toward women's bodies. *Breasts: The Women's Perspective on an American Obsession* shows you that breasts have a venerable history and urges you to see beyond the contemporary standards of visual perfection to give you an overall sense of the female body's power and worth.
