*The Magic Strings of Frankie Presto* Mitch Albom, 2015-11-10 From the beloved author of the #1 New York Times bestsellers Tuesdays with Morrie and The Five People You Meet in Heaven comes his most critically acclaimed novel yet—a stunningly original tale of love: love between a man and a woman, between an artist and his mentor, and between a musician and his God-given talent. Narrated by the voice of Music itself, the story follows Frankie Presto, a war orphan born in a burning church, through his extraordinary journey around the world. Raised by a blind guitar teacher in Spain and gifted with a talent to change people's lives—using six mysterious blue strings—Frankie navigates the musical landscape of the twentieth century, from the 1950s jazz scene to the Grand Ole Opry to Elvis mania and Woodstock, all the while searching for his childhood love. As he becomes a famous star, he loses his way, until tragedy steals his ability to play the guitar that had so defined him. Overwhelmed by his loss, Frankie disappears for decades, reemerging late in life for one spectacular yet mystifying farewell. Part love story, part magical mystery, *The Magic Strings of Frankie Presto* is Mitch Albom at his finest, a *Forrest Gump*-like epic about one man's journey to discover what truly matters and the power of talent to change our lives.

And yet, through a terrible whim of nature, he could not have what he most wanted - ordinary human happiness. One day, he decided to change it all by appealing to one of the strangest physicians available.

Disproven Ken Block, 2024-03-12 Many searched for evidence of voter fraud in 2020, only a few were unbiased professionals . . . and only one has written a book about his experience. If you value the integrity of our elections—or want a behind-the-scenes look at an attempt at overturning one—Disproven by Ken Block takes you out of the voting booth and into the chaos that was the attempt to challenge the results of the 2020 U.S. presidential election. In November 2020, data specialist Ken Block received a phone call from the Trump Campaign. They wanted to hire him to find evidence of election fraud. What followed were late night and early morning requests to assess fraud claims at a blistering pace and ultimately find definitive evidence about the role voter fraud played in the outcome of the 2020 presidential election. Multiple subpoenas later, Block reveals the truth about being one of the few professionals hired to prove the Trump Campaign's allegation that voter fraud cost Donald Trump the 2020 presidential election. He explains what the voter data tells us and exposes the sobering truth that our federal elections are operating on hundreds, if not thousands, of disparate voting systems prone to error—a threat to national election integrity. Disproven is an insider's look at the results of an inflammatory claim, a flawed system, and the changes drastically needed before the results of another election are threatened or contested.

A Harvest of Thorns Corban Addison, 2017-01-24 A beloved American corporation with an explosive secret. A disgraced former journalist looking for redemption. And a corporate executive with nothing left to lose. In Dhaka, Bangladesh, a garment factory burns to the ground, claiming the lives of hundreds of workers, mostly young women. Amid the rubble, a bystander captures a heart-stopping photograph—a teenage girl lying in the dirt, her body broken by a multi-story fall, and over her mouth a mask of fabric bearing the label of one of America's largest retailers, Presto Omnishops Corporation. Eight thousand miles away at Presto's headquarters in Virginia, Cameron Alexander, the company's long-time general counsel, watches the media coverage in horror, wondering if the damage can be contained. When the photo goes viral, fanning the flames of a decades-old controversy about sweatshops, labor rights, and the ethics of globalization, he launches an investigation into the disaster that will reach further than he could ever imagine—and

threaten everything he has left in the world. A year later in Washington DC, Joshua Griswold, a disgraced former journalist from the Washington Post, receives an anonymous summons from a corporate whistleblower who offers him confidential information about Presto and the fire. For Griswold, the challenge of exposing Presto's culpability is irresistible, as is the chance, however slight, at redemption. Deploying his old journalistic skills, he builds a historic case against Presto, setting the stage for a war in the courtroom and in the media that Griswold is determined to win—both to salvage his reputation and to provoke a revolution in Presto's boardroom that could transform the fashion industry across the globe. Praise for *Harvest of Thorns*: "This exposé of the underbelly of the international fashion industry is disturbing, moving, and thoroughly engrossing." —Phillip Margolin, New York Times bestselling author of *Violent Crimes* "A must-read book which uncovers what lies behind what we wear every single day. I promise that you will never be able to look at your clothes the same way again." —Livia Firth, OXFAM Global Ambassador, UN Leader of Change, and Founder of Eco Age LTD "This is a poignant and engrossing description of the manner in which men and women from the poorest countries on the globe are pressed into working for slave wages to manufacture soft goods to be sold in the most affluent counties in North America and Europe. Corban Addison will hold you spellbound with his elegant prose from his first word to his last." —Wilbur Smith, worldwide bestselling author *Stand-alone novel* Includes discussion questions for book clubs and author's note Also by Corban Addison: *The Tears of Dark Water*
