Becoming a Film Producer Boris Kachka, 2021-05-25 A revealing guide to a career as a film producer written by acclaimed author Boris Kachka and based on the real-life experiences of award-winning producers—required reading for anyone considering a path to this profession. At the center of every successful film is a producer. Producers bring films to life by orchestrating the major players—screenwriters, directors, talent, distributors, financiers—to create movie magic. Bestselling author and journalist Boris Kachka shadows award-winning producers Fred Berger and Michael London and emerging producer Siena Oberman as movies are pitched, financed, developed, shot, and released. Fly between Los Angeles and New York, with a stop in Utah at the Sundance Film Festival, for a candid look at this high-stakes profession. Learn how the industry has changed over the decades—from the heyday of studios to the reign of streaming platforms. Gain insight and wisdom from these masters' years of experience producing films, from the indie darlings *Sideways* and *Milk* to Academy Award-winning blockbusters like *La La Land*. Here is how the job is performed at the highest level.

Beyond the Bottom Line Andrew Spicer, Anthony McKenna, Christopher Meir, 2014-07-31 This is the first collection of original critical essays devoted to exploring the misunderstood, neglected and frequently caricatured role played by the film producer. The editors' introduction provides a conceptual and methodological overview, arguing that the producer's complex and multifaceted role is crucial to a film's success or failure. The collection is divided into three sections where detailed individual essays explore a broad range of contrasting producers working in different historical, geographical, generic and industrial contexts. Rather than suggest there is a single type of producer, the collection analyses the rich variety of roles producers play, providing fascinating and informative insights into how the film

industry actually works. This groundbreaking collection challenges several of the conventional orthodoxies of film studies, providing a new approach that will become required reading for scholars and students.

Movie Moguls Speak Steven Priggé, 2004-01-01 In the film world today, there is extraordinary attention paid to actors, actresses and directors, yet the producers who gave many of them their first breaks and helped mold their careers have managed to remain outside the limelight. This work covers producers who gave early breaks to actors and actresses like Al Pacino and Demi Moore, directors like Steven Spielberg and Todd Haynes, and writers like Aaron Sorkin. These legends may never have become known if not for their producers' behind-the-scenes insight and ability to recognize talent. Interviewees include David Brown (Jaws, A Few Good Men), Martin Richards (Chicago, The Shining), Barbara Broccoli and Michael G. Wilson (Goldeneye, Die Another Day), Dino DeLaurentiis (La Strada, Hannibal), Michael Phillips (Taxi Driver, The Sting), Martin Bregman (Serpico, Scarface), Lauren Shuler Donner (You've Got Mail, X-Men), Robert Chartoff (Rocky, Raging Bull), Mace Neufeld (The Hunt for Red October, Patriot Games), Paula Wagner (Vanilla Sky, Mission: Impossible), and many, many more!
