Puppy Mind Andrew Jordan Nance,2016-09-13 In this picture book for children and adults, illustrated by Jim Durk, who is adored by thousands of children for his many Clifford the Big Red Dog and Thomas the Steam Engine books, a young boy discovers his mind is like a puppy, always wandering away, into the past or the future. He sets about learning to train his puppy mind to heel to the present moment. Through remembering to breathe, the boy becomes a stronger and more caring master of his puppy mind, keeping it in the present, if only for a moment. Includes a link to a discussion guide for parents and teachers.

**Puppy Socialization** Marge Rogers,Eileen Anderson,2021-06-23 Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about: • The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later. • Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit nervous about something, or outright fearful. • Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some harmful myths to rest. • Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic. • What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.

*Snuggle Puppy!* Sandra Boynton,2003-05-22 A great big hug in book form, Snuggle Puppy is a year-round valentine from parent to child. It is bright, chunky, a pleasure to hold, and has a die-cut cover that reveals a glimpse of the joy inside before it's even opened. Best of all, it's packed, of course, with pure Boynton: her inimitable language, her inimitable illustrations, her inimitable sense of fun. OOO, Snuggle Puppy of mine! Everything about you is especially fine. I love what you are. I love what you do. Fuzzy little Snuggle Puppy, I love you. Featuring a sweet and cuddly doggie cast and rhyming verse, Snuggle Puppy is the perfect bedtime book to read last, because of an ending that kids will want again and again: I started with OOO. . . . Now we'll end like this: [BIG SMOOCH!] Oversized lap edition also available—perfect for reading aloud!
