Tell Me the Path, Sweet Wand'rer, Tell Reginald Spofforth,1799

The Fuehrer's Redemption John Schettine,2012-02 Imagine - Hitler did not die in his bunker. Imagine - Adolf Hitler saved! Meet: Toby McCabe. A teenage orphan from New York City. Small, courageous, loyal friend. A seeker after God. Arty Miller. The most feared young hoodlum in Hell's Kitchen. He hates the world and everyone in it - except Toby. Elizabeth Rothstein. A young Jewish girl about to die at the Nazi death camp - Sobibor. Her prayer for her executioner moves the Lord's loving heart. Jacob Rothstein. Messianic pastor, Elizabeth's older brother. Called by the Lord to bring the gospel to Adolf Hitler - his family's murderer. Abraham Wyman. Jacob's friend, elder, and devout servant of God. Pamela Quinn. A witty young Christian woman with a zest for life and a zeal for the Kingdom of God. Adolf Hitler. Candidate for salvation? All of these diverse lives unite to partake in God's plan to redeem one of history's most wicked men. Born and raised in Schenectady, NY, John Schettine did not respond to the Lord's call on his life until the age of 27. Before knowing Christ, he lived a life filled with drugs, alcohol abuse, violence, and incarceration. After the heartbreak of divorce, John hitchhiked throughout the United States and Canada in the late 1970s to try to heal and find himself. Instead, the Lord found him - pulling him from the miry clay, as the song says. He has been a Christian for three decades. He has two grown children who follow Jesus and three grandchildren. This is his first novel, and he says, If it reaches even one lost soul with the Good News, it will be worth the effort.

Reframing Albrecht Dürer Andrea Bubenik,2017-07-05 Focusing on the ways his art and persona were valued and criticized by writers, collectors, and artists subsequent to his death, this book examines the reception of the works of Albrecht Dürer. Andrea Bubenik's analysis highlights the intensive and international interest in Dürer's art and personality, and his developing role as a paragon in art historiography, in conjunction with the proliferation of portraits after his likeness. The author traces carefully how Dürer's paintings, prints, drawings and theoretical writings traveled widely, and were appropriated into new contexts and charged with different meanings. Drawing on inventories and correspondences and taking collecting practices into account, Bubenik establishes who owned what by Dürer in the 16th and 17th centuries, and characterizes the key locations where interest in Dürer peaked (especially the courts of Maximilian I in Munich, and Rudolf II in Prague). Bubenik treats the emergent artistic appropriations of Dürer-borrowings from or transformations of his originals-in conjunction with contemporary sources on art theory. The volume includes illustrations of numerous imitative works after Dürer. As well as being the first book to fully address the early reception of the most important of German Renaissance artists, *Reframing Albrecht Dürer* shows how appropriation is a crucial concept for understanding artistic practice during the early modern period.

Art Masterpiece--"Young Hare" by Albrecht Dürer Jennifer Thomas,2014-01-01 Awaken in students an interest in well-known artists throughout time. By studying famous paintings by well-known artists, students can learn techniques and styles and how they can be used effectively in the students' own works of art.

The Zoological Record ,1909 Indexes the world's zoological and animal science literature, covering all research from biochemistry to veterinary medicine. The database provides a collection of references from over 4,500 international serial publications, plus books, meetings, reviews and other non-serial literature from over 100 countries. It is the oldest continuing database of animal biology, indexing literature published from 1864 to the present. Zoological Record has long been recognized as the unofficial register for taxonomy and systematics, but other topics in animal biology are also covered.
