

Recover

Germana Rovinelli

Recover! Stanton Peele, Ilse Thompson, 2014-02-04 Outlines a holistic program for addicts and their families based on evidence-based treatments, CBT, and meditation, rejecting conventional beliefs and programs to explain how to permanently overcome self-destructive compulsions.

We Do Recover Germana Rovinelli, 2021-02-03 This book is for anyone who is impacted by addiction trauma or abuse that is ready to learn about healing and recovery * Therapists, Universities, Treatment centers, people who are new or seasoned in recovery. The purpose is to help people seek out SOLUTIONS to these everyday problems. Are you looking for hope, and courageous answers to helping yourself or a loved one recover from the effects of unresolved trauma * as it gets played out as addiction and family dysfunction? WE DO RECOVER FROM ADDICTION, SHAME, ABUSE, NEGLECT, ABANDONMENT We do recover from being mistreated We can reclaim our dignity, our health, our relationship with ourself. This book is created to help others find solutions, hope, improve their lives, and live their best life regardless of what has or has not happened to them in their life. We need to know and believe that recovery is possible! We need to know that we can recover and hold space for our people to heal Rather than enabling addiction and letting life or a family be lost to the disease of active addiction (self-abandonment).

The Recovery Book Al J. Mooney, Catherine Dold, Howard Eisenberg, 2014-09-09 “A classic. Read it. Use it. It can help guide you step by step into the bright light of the world of recovery.” —from the Foreword by Harry Haroutunian, M.D., Physician Director, Betty Ford Center “The Recovery Book is the Bible of recovery. Everything you need to know you will find in here.” —Neil Scott, host, Recovery Coast to Coast radio Hope, support, and a clear road map for people with drug or alcohol addiction. Announcing a completely revised and updated second edition of The Recovery Book, the Bible of

addiction recovery. The Recovery Book provides a direct and easy-to-follow road map to every step in the recovery process, from the momentous decision to quit to the emotional, physical, and spiritual issues that arise along the way. Its comprehensive and effective advice speaks to people with addiction, their loved ones, and addiction professionals who need a proven, trusted resource and a supportive voice. The new edition of The Recovery Book features the revolutionary Recovery Zone System, which divides a life in recovery into three chronological zones and provides guidance on exactly what to do in each zone. First is the Red Zone, where the reader is encouraged to stop everything, activate their recovery and save their life. Next is the Yellow Zone, where the reader can begin to rebuild a life that was torn apart by addiction. Finally, the reader reaches the Green Zone, where he can enjoy a life a recovery and help others. Readers also learn how to use the Recovery Zone ReCheck, a simple, yet very effective relapse prevention tool. The Recovery Zone System works hand-in-hand with the 12-step philosophy and all other recovery methods. In addition, The Recovery Book covers new knowledge about addiction mechanisms and neuroplasticity, explaining how alcohol and drugs alter the brain. The authors outline a simple daily practice, called TAMERS, that helps people to use those same processes to “remold their brains” around recovery, eventually making sobriety a routine way of life. Written by Al J. Mooney, M.D., a recovery activist who speaks internationally on recovery, and health journalists Catherine Dold and Howard Eisenberg, The Recovery Book covers all the latest in addiction science and recovery methods. In 26 chapters and over 600 pages, The Recovery Book tackles issues such as: Committing to Recovery: Identifying and accepting the problem; deciding to get sober. Treatment Options: Extensive information on all current options, and how to choose a program. AA and other 12-Step Fellowships: How to get involved in a mutual-support group and what it can do for you. Addiction Science and Neuroplasticity: How alcohol

and drugs alter pathways in the brain, and how to use the same processes to remold the brain around recovery. Relapse Prevention: The Recovery Zone ReCheck, a simple new technique to anticipate and avoid relapses. Rebuilding Your Life: How to handle relationships, socializing, work, education, and finances. Physical and Mental Health: Tips for getting healthy; how to handle common ailments. Pain Control: How to deal with pain in recovery; how to avoid a relapse if you need pain control for surgery or emergency care. Family and Friends: How you can help a loved one with addiction, and how you can help yourself. Raising Substance-Free Kids: How to “addiction-proof” your child. The Epidemic of Prescription Drugs: Now a bigger problem than illegal drugs. Dr. Al J. Mooney has been helping alcoholics and addicts get their lives back for more than thirty years, using both his professional and personal experiences at his family’s treatment center, Willingway, and most recently through his work as medical director for The Healing Place of Wake County (NC), a homeless shelter. The Recovery Book will help millions gain control of their mind, their body, their life, and their happiness. www.TheRecoveryBook.com

Why States Recover Greg Mills, 2015-01-03 State failure takes many forms. Somalia offers one extreme. The country's prolonged civil war led to the collapse of central authority, with state control devolving to warlord-led factions that competed for the spoils of local commerce, political power, and international aid. Malawi, on the other hand, is at the other end of the scale. During President Bingu's second term in office, the country's economy collapsed as a result of poor policies and Bingu's brand of personal politics. On the surface, Malawi's economy seemed largely stable; underneath, however, the polity was fractured and the economy broken. In between these two extremes of state failure are all manner of examples, many of which Mills explores in the fascinating and profoundly personal *Why States Recover*. Throughout he returns to his key questions: how do countries recover? What roles

should both insiders and outsiders play to aid that process? Drawing on research in more than thirty countries, and incorporating interviews with a dozen leaders, Mills examines state failure and identifies instances of recovery in Latin America, Asia, and Africa. For anyone interested in the reasons behind states' failure, and remedies to ensure future economic stability, it is important reading.

Recovery Gavin Francis, 2023-09-05 “An essential book for our times, full of wisdom, compassion and sound advice. Every patient needs a copy of this gem.” –Katherine May, author of *Wintering and Enchantment* A gentle, expert guide to the secrets of recovery, showing why we need it and how to do it better For many of us, time spent in recovery—from a broken leg, a virus, chronic illness, or the crisis of depression or anxiety—can feel like an unwelcome obstacle on the road to health. Modern medicine too often assumes that once doctors have prescribed a course of treatment, healing takes care of itself. But recovery isn’t something that “just happens.” It is an act that we engage in and that has the potential to transform our lives, if only we can find ways to learn its rhythms and invest our time, energy, and participation. Drawing on thirty years of medicine, and on insights from practitioners, psychologists, and writers across history, physician Gavin Francis delivers a profound, practical, and deeply hopeful guide to recovery. Rejecting the idea that healing is passive, *Recovery* offers tools and wisdom for convalescence, and shows how tending to our bodies, environments, and perspectives can help us move through the landscape of illness—and come out the other side whole.

We Do Recover Germana Rovinelli, 2021-01-22 This book is for anyone who is impacted by addiction trauma or abuse that is ready to learn about healing and recovery * Therapists, Universities, Treatment centers, people who are new or seasoned in recovery. The purpose is to help people seek out SOLUTIONS to these everyday problems Are you looking for hope, and courageous answers to

helping yourself or a loved one recover from the effects of unresolved trauma * as it gets played out as addiction and family dysfunction? WE DO RECOVER FROM ADDICTION, SHAME, ABUSE, NEGLECT, ABANDONMENT We do recover from being mistreated We can reclaim our dignity, our health, our relationship with ourself This book is created to help others find solutions, hope, improve their lives, and live their best life regardless of what has or has not happened to them in their life. We need to know and believe that recovery is possible! We need to know that we can recover and hold space for our people to heal Rather than enabling addiction and letting life or a family be lost to the disease of active addiction (self-abandonment)...

The Recovering Leslie Jamison, 2018-04-03 From the New York Times bestselling author of *The Empathy Exams* comes this transformative work showing that sometimes the recovery is more gripping than the addiction. With its deeply personal and seamless blend of memoir, cultural history, literary criticism, and reportage, *The Recovering* turns our understanding of the traditional addiction narrative on its head, demonstrating that the story of recovery can be every bit as electrifying as the train wreck itself. Leslie Jamison deftly excavates the stories we tell about addiction -- both her own and others' -- and examines what we want these stories to do and what happens when they fail us. All the while, she offers a fascinating look at the larger history of the recovery movement, and at the complicated bearing that race and class have on our understanding of who is criminal and who is ill. At the heart of the book is Jamison's ongoing conversation with literary and artistic geniuses whose lives and works were shaped by alcoholism and substance dependence, including John Berryman, Jean Rhys, Billie Holiday, Raymond Carver, Denis Johnson, and David Foster Wallace, as well as brilliant lesser-known figures such as George Cain, lost to obscurity but newly illuminated here. Through its unvarnished relation of Jamison's own ordeals, *The Recovering* also becomes a book

about a different kind of dependency: the way our desires can make us all, as she puts it, broken spigots of need. It's about the particular loneliness of the human experience—the craving for love that both devours us and shapes who we are. For her striking language and piercing observations, Jamison has been compared to such iconic writers as Joan Didion and Susan Sontag, yet her utterly singular voice also offers something new. With enormous empathy and wisdom, Jamison has given us nothing less than the story of addiction and recovery in America writ large, a definitive and revelatory account that will resonate for years to come.

Find Your Light Beverly Conyers, 2019-11-26 Author Beverly Conyers—one of the most respected voices in wellness and recovery—has guided hundreds of thousands of readers through the process of recognizing family roles in addiction, healing shame, building healthy relationships, releasing trauma, focusing on emotional sobriety, as well as acknowledging self-sabotaging behaviors, addictive tendencies, and substance use patterns. With her newest work, Conyers shows us how the practice of mindfulness can be a game-changing part of recovering from any- and everything. A guided introduction to mindfulness practice as a path to recovering health and sanity - even in unpredictable times. Early in our recovery journey, we focused on healing. Further along in the process of recovering, we dare to believe it's possible to embark on a new chapter, but often feel stuck. At times, we wonder...how do we create the breakthroughs we want? With a mindfulness practice—meditation and other habits of awareness—we develop the courage to look within. As we hold space for ourselves, we find the light within that can spark change, personal growth, and self-compassion. Mindfulness is an irreplaceable part of the health and healing toolkit because it illuminates our true selves; as a result, it illuminates our recovery. Conyers gives us an approachable mindfulness book with carefully designed reflections and practices that set us on a path forward. Her insight guides our

way whether recovering from unhealthy relationships, addictions of all types, compulsive habits, anxiety and stress, workaholism, disordered eating, or mental health and emotional challenges—and whether we follow the Twelve Steps or not. Discover why Beverly Conyers' books have been a mainstay for support groups the world over, and why so many have turned to her insights and guidance. As the author of the recovery classic *Addict in the Family*, she has inspired hope and healing in a way few others have managed to match.

Rehabilitate, Rewire, Recover! Tabitha Farrar, 2018-02-07 *Rehabilitate, Rewire, Recover!* focuses on: - Nutritional rehabilitation to heal the body and turn off the anorexia response. - Neural rewiring to shift neural pathways of restriction, exercise compulsions, and anorexia-generated thoughts and behaviours in the brain. Using experience from her own recovery, and accounts from adults whom she has worked with as a recovery coach, Tabitha Farrar takes you through the process of building your own, personalised, recovery. As well as non-traditional ideas and concepts, this book delivers a Toolkit to help with the neural rewiring process, and action-based ideas to help you eat without restriction.

Recovery Gavin Francis, 2022-01-13 THE SUNDAY TIMES BESTSELLER: an uplifting account of hope and healing by GP Gavin Francis 'I cannot think of anybody - patient or doctor - who will not be helped by reading this short and profound book' - Henry Marsh 'Such a wise, gentle, quietly hopeful book. Exactly what I needed' - Rachel Clarke 'A lovely little book' - Michael Rosen When it comes to illness, sometimes the end is just the beginning. Recovery and convalescence are words that exist at the periphery of our lives - until we are forced to contend with what they really mean. Here, GP and writer Gavin Francis explores how - and why - we get better, revealing the many shapes recovery takes, its shifting history and the frequent failure of our modern lives to make adequate space for it. Characterised by Francis's beautiful prose and his view of medicine as 'the alliance of science and

kindness', Recovery is a book about a journey that most of us never intend to make. Along the way, he unfolds a story of hope, transformation, and the everyday miracle of healing.

Full Recovery Brian McAlister, 2015-08-25 It's no wonder Full Recovery has become the go-to resource for those in recovery and treatment professionals alike. Brian McAlister's personal journey from nomadic drug-addicted biker to successful entrepreneur and businessman is beyond inspirational. More than simply serving as a renowned guide for navigating the road to recovery, McAlister takes readers on a spiritual journey of empowerment and self-discovery. By way of his own personal challenges, Brian discovered the secret that turns addiction and limitation into inspiration. He then created this revolutionary program to help others turn their own defeat into personal success. Overcoming addictive behavior is really just the beginning of recovery. Full Recovery provides practical instruction on harnessing the intense single-minded focus so common in addictive personalities, and redirecting that power of focus to improve interpersonal relationships, achieve financial abundance, and increase career satisfaction. No matter where you are on the road to recovery, this program will help you unlock your creativity, design a personal action plan for your life, create momentum, and achieve measurable results.

Recovery Russell Brand, 2017-10-03 A guide to all kinds of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery "This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse." —Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and

sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not “Why are you addicted?” but What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person’s arms? Russell has been in all the twelve-step fellowships going, he’s started his own men’s group, he’s a therapy regular and a practiced yogi—and while he’s worked on this material as part of his comedy and previous bestsellers, he’s never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

Recovery from Loss Dale Ryan, Juanita Ryan, 1990-07 These six studies on recovery from loss comprise a Life Recovery Guide from a series by Christian counselors Juanita and Dale Ryan designed to help and encourage people hurt by life in one way or another.

Bill & Hillary's 12-Step Recovery Guide, How to Recover from Anything Glenn Eichler, 2014-08-15 BILL & HILLARY'S 12-STEP RECOVERY GUIDE HOW TO RECOVER FROM ANYTHING We admit that we have become powerless over Congress and we cannot accomplish anything in the first term. We realize that if we are to achieve a second term, we will need help from a Greater Power. Quite a bit of help, actually. We carry our message of redemption and reelection to others through sound bites, photo ops and the occasional interminable speech. Join Bill and Hillary as they embark on a 12-step program to tackle their need for recovery. Get the hilarious scoop about events, people and policies in this send-up of their public and private lives. No matter what your political affiliation, you'll be uplifted, entertained, and possibly a little disgusted as the Clintons attempt to regain the confidence of the American voters. Glenn Eichler is a comedy writer who started out as an editor for

the National Lampoon magazine. From there, he moved over to work as story editor for the MTV television shows, Beavis and Butt-head and The Maxx. He was later responsible for creating and producing the television show Daria, a spinoff from Beavis and Butt-head, for MTV[2] as well as Hey Joel for VH1. He has also written for such shows as Rugrats, Married... with Children, and The Wrong Coast, a stop-action animation mini-series for the American Movie Classics cable channel. He currently writes for Comedy Central's The Colbert Report. Spitting Image, a London-based company of puppeteers, is renowned for its celebrity caricatures, which have been seen on television, in music videos and in print.

The Recovery Suzanne Young, 2015-02-24 Realm hopes that with each past he helps to recover, he'll be able to reclaim a small bit of his own in this spinoff story to Suzanne Young's bestselling duology, The Program and The Treatment. Six months after the fall of The Program, ex-handler Michael Realm is struggling with his guilt. After all, he was instrumental in erasing the memories of several patients—including one he claimed to love. With a lifetime of regret stretched before him, Realm vows to set things right. Along with his friend (yes, friend) James Murphy, Realm will track down those he's hurt in an attempt to give them back their lives—starting with Dallas Stone. He's not looking for forgiveness or redemption; he's not a hero. But helping others may be the only way to save himself.

Can America Recover? ,2021

Trauma and Recovery Judith Lewis Herman, 2015-07-07 In this groundbreaking book, a leading clinical psychiatrist redefines how we think about and treat victims of trauma. A stunning achievement that remains a classic for our generation. (Bessel van der Kolk, M.D., author of The Body Keeps the Score). Trauma and Recovery is revered as the seminal text on understanding trauma

survivors. By placing individual experience in a broader political frame, Harvard psychiatrist Judith Herman argues that psychological trauma is inseparable from its social and political context. Drawing on her own research on incest, as well as a vast literature on combat veterans and victims of political terror, she shows surprising parallels between private horrors like child abuse and public horrors like war. Hailed by the New York Times as one of the most important psychiatry works to be published since Freud, *Trauma and Recovery* is essential reading for anyone who seeks to understand how we heal and are healed.

Eating Disorder Recovery Workbook Kim Hilton, 2019-01-05 What are the things that make you want to eat more? What are the situations or people that make you feel depressed or intimidated? Is there any emotion associated with your feeding? What are you trying to satisfy by eating or not eating? Do you really get cold feet and end up eating more or less than you should? Different types of eating disorders are approached differently, with different efforts and mindsets. In mindful eating, you are going to consider the recovery from depression, substance abuse, and anxiety disorders, since most eating disorders are associated with these three ailments. These secrets were shared by people who made a miraculous recovery from eating disorders and are now living a better life. Once you follow these principles, you will begin to live the new life, above the current effect of eating disorders, either emotionally, physically, or mentally. Tags: eating disorder workbook, help your teenager beat an eating disorder, cognitive behavior therapy and eating disorders, cbt and eating disorders, binge eating disorder treatment, eating disorder anorexia, prevention treatment medication, how to overcome eating disorder, how to control binge eating disorder

Gentleman Overboard Herbert Clyde Lewis, 2021-11-30 Out of print for over seventy years, *Gentleman Overboard* by Herbert Clyde Lewis is being rescued for today's readers to launch Boiler

House Press's new series, *Recovered Books*. Halfway between Honolulu and Panama, a man slips and falls from a ship. For crucial hours, as he patiently treads water in hope of rescue, no one on board notices his absence. By the time the ship's captain is notified, it may be too late to save him... Rediscovered in 2009 by Brad Bigelow as part of tireless research for his popular *Neglected Books* website, *Gentleman Overboard* has since achieved the status of a cult classic and even become something of an international phenomenon, having seen translations into Spanish, Hebrew, and Dutch. The newspaper *Ha'aretz* has called it 'A miniature masterpiece that emerged from oblivion'; the Spanish magazine *El Cultural* dubbed it 'una perla': 'a little pearl'. A masterful piece of narrative tension, and way ahead of its time, *Gentleman Overboard* sets the question of existence in its most basic terms. The story speaks fiercely to the contemporary moment and for all who share a sense of loneliness through having found themselves isolated by politics, disease, economics -or indeed just sheer accident and bad luck. The fate of the novel's hero even has ironic parallels with that of the author, Herbert Clyde Lewis, who died forgotten and alone in 1950, a victim of Hollywood's black list, and who has since slipped beneath the waves of fashion and time, but now hopefully is to be recovered from the murky depths for the readership he posthumously deserves.

Recovery J. M. Dillard, 1995 The conclusion to the *Lost Years* saga finds Admiral James T. Kirk supervising the testing of a new rescue vessel and realizing his irresistible need for adventure, just before the ship's creator falls under alien influence.

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In

today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals

with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Recover PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the

information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This

convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Recover PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within

legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Recover free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners,

contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Recover Books

1. Where can I buy Recover books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and

various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Recover book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-

fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.

Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Recover books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?

Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and

other details.

7. What are Recover audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your

favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Recover books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or

Open Library.
