Find Your Light Beverly Conyers, 2019-11-26 Author Beverly Conyers—one of the most respected voices in wellness and recovery—has guided hundreds of thousands of readers through the process of recognizing family roles in addiction, healing shame, building healthy relationships, releasing trauma, focusing on emotional sobriety, as well as acknowledging self-sabotaging behaviors, addictive tendencies, and substance use patterns. With her newest work, Conyers shows us how the practice of mindfulness can be a game-changing part of recovering from any- and everything. A guided introduction to mindfulness practice as a path to recovering health and sanity - even in unpredictable times. Early in our recovery journey, we focused on healing. Further along in the process of recovering, we dare to believe it's possible to embark on a new chapter, but often feel stuck. At times, we wonder...how do we create the breakthroughs we want? With a mindfulness practice—meditation and other habits of awareness—we develop the courage to look within. As we hold space for ourselves, we find the light within that can spark change, personal growth, and self-compassion. Mindfulness is an irreplaceable part of the health and healing toolkit because it illuminates our true selves; as a result, it illuminates our recovery. Conyers gives us an approachable mindfulness book with carefully designed reflections and practices that set us on a path forward. Her insight guides our way whether recovering from unhealthy relationships, addictions of all types, compulsive habits, anxiety and stress, workaholism, disordered eating, or mental health and emotional challenges—and whether we follow the Twelve Steps or not. Discover why Beverly Conyers' books have been a mainstay for support groups the world over, and why so many have turned to her insights and guidance. As the author of the recovery classic *Addict in the Family*, she has inspired hope and healing in a way few others have managed to match.

The Recovering Leslie Jamison,2018-04-03 From the New York Times bestselling author of The Empathy Exams comes this transformative work showing that sometimes the recovery is more gripping than the addiction. With its deeply personal and seamless blend of memoir, cultural history, literary criticism, and reportage, The Recovering turns our understanding of the traditional addiction narrative on its head, demonstrating that the story of recovery can be every bit as electrifying as the train wreck itself. Leslie Jamison deftly excavates the stories we tell about addiction -- both her own and others' -- and examines what we want these stories to do and what happens when they fail us. All the while, she offers a fascinating look at the larger history of the recovery movement, and at the complicated bearing that race and class have on our understanding of who is criminal and who is ill. At the heart of the book is Jamison's ongoing conversation with literary and artistic geniuses whose lives and works were shaped by alcoholism and substance dependence, including John Berryman, Jean Rhys, Billie Holiday, Raymond Carver, Denis Johnson, and David Foster Wallace, as well as brilliant lesser-known figures such as George Cain, lost to obscurity but newly illuminated here. Through its unvarnished relation of Jamison's own ordeals, The Recovering also becomes a book about a different kind of dependency: the way our desires can make us all, as she puts it, broken spigots of need. It's about the particular loneliness of the human experience-the craving for love that both devours us and shapes who we are. For her striking language and piercing observations, Jamison has been compared to such iconic writers as Joan Didion and Susan Sontag, yet her utterly singular voice also offers something new. With enormous empathy and wisdom, Jamison has given us nothing less than the story of addiction and recovery in America writ large, a definitive and revelatory account that will resonate for years to come.
