Summer Rental Mary Kay Andrews, 2011-06-07 Sometimes, when you need a change in your life, the tide just happens to pull you in the right direction... Ellis, Julia, and Dorie. Best friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. Ellis, recently fired from a job she gave everything to, is rudderless and now beginning to question the choices she's made over the past decade of her life. Julia--whose caustic wit covers up her wounds--has a man who loves her and is offering her the world, but she can't hide from how deeply insecure she feels about her looks, her brains, her life. And Dorie has just been

shockingly betrayed by the man she loved and trusted the most in the world...though this is just the tip of the iceberg of her problems and secrets. A month in North Carolina's Outer Banks is just what they each of them needs. Ty Bazemore is their landlord, though he's hanging on to the rambling old beach house by a thin thread. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackleford is a stranger, and a woman on the run. Maryn needs just a few things in life: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs? Mary Kay Andrews' novel is the story of five people questioning everything they ever thought they knew about life. Five people on a journey that will uncover their secrets and point them on the path to forgiveness. Five people who each need a sea change, and one month in a summer rental that might just give it to them. Summer Rental is one of Library Journal's Best Women's Fiction Books of 2011

Rethinking Rental Housing John Gilderbloom, Richard P. Appelbaum, 1987-12-30
In recent years, almost daily media attention has been focused on the plight of the homeless in cities across the United States. Drawing upon experiences in the U.S. and Europe, John Gilderbloom and Richard Appelbaum challenge conventional assumptions concerning the operation of housing markets and provide policy alternatives directed at the needs of low- and moderate-income families. *Rethinking Rental Housing* is a ground-breaking analysis that shows the value of applying a broad sociological approach to urban problems, one

that takes into account the basic economic, social, and political dimensions of the urban housing crisis. Gilderbloom and Appelbaum predict that this crisis will worsen in the 1990s and argue that a supply and demand approach will not work in this case because housing markets are not competitive. They propose that the most effective approach to affordable housing is to provide non-market alternatives fashioned after European housing programs, particularly the Swedish model. An important feature of this book is the discussion of tenant movements that have tried to implement community values in opposition to values of development and landlord capital. One of the very few publications on rental housing, it is unique in applying a sociological framework to the study of this topic.

This book reveals how buying and holding rental properties will create a second income that can, in time, allow you to quit your day job. It worked for me and it can work for you too. What's stopping you? Read the book and learn how *One Rental at a Time* can lead to financial independence.

Beach House for Rent Mary Alice Monroe, 2019-04-30 Get swept away to the beautiful and breezy Isle of Palms with New York Times bestselling author

Mary Alice Monroe's return to her "exceptional and heartwarming" (Publishers Weekly) Beach House series, set in South Carolina's lowcountry. Two women. One summer. One very special beach house. Cara Rutledge rents her quaint cottage on Isle of Palms to Heather Fordham for the entire summer. As beautiful as the Isle of Palms is, Heather's anxiety keeps her indoors with her caged canaries as she paints birds for postage stamps. Eventually, however, the shore birds—and a man who rescues them—lure her outside. As the summer progresses and Heather begins to blossom, Cara's life reels with sudden tragedy. She wants only to return home but Heather refuses to budge from her sanctuary. As everything around the ladies is coming apart, they discover they can only rely on each other. Now, the two women who don't really know each other are forced to live together and support each other as they navigate the next chapter of their lives. Featuring Monroe's signature "lyrical, emotional, and gripping" (RT Book Reviews), Beach House for Rent demonstrates the power and strength of female friendships.

Rental Housing Wanted Vicente Fretes Cibils, Andrés Blanco Blanco, Andrés Muñoz Miranda, Alan Gilbert, Steven Webb, Eduardo Reese, Florencia Almansi, Julieta del Valle, Suzana Pasternak, Camila D'Ottaviano, Isabel Brain, Pía Mora, Francisco Sabatini, Jorge Enrique Torres Ramírez, Irene Vance, Pauline McHardy, Clara Salazar, Claudia Puebla, Gabriela Ponce, René Flores, Julio Calderón Cockburn, Irene Chiavone, Miguel Macellaro, Adriana Silvera, Jeongseob Kim, 2014-12-09 This book highlights the importance of

renting and its potential to help solve the most pressing housing problems in Latin America and the Caribbean. Currently, 1 in 5 households in the region rent their homes, a trend which is most prevalent among the fastest-growing segments of the population, such as young people, single-person households and divorced people. This alternative can therefore help satisfy demand preferences and create greater residential mobility. Also, the quality of rented property is often similar to that of formal homes, even for households in the lowest income quintiles, proving it is an efficient and cost-effective alternative for resolving the qualitative and quantitative housing deficits in the region, suggesting that housing policies linked to better planning and improved territorial organization can lead to more dense, compact cities. For these reasons, the rental market may become a key instrument to compliment the region's housing policy.
