The Hundred Thousand Kingdoms N. K. Jemisin, 2010-02-25 After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of *The Fifth Season*. Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky. There, to her shock, Yeine is named an heiress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate -- and gods and mortals -- are bound inseparably together.

The Broken Kingdoms N. K. Jemisin, 2010-11-03 A man with no memory of his past and a struggling, blind street artist will face off against the will of the gods as the secrets of this stranger's past are revealed in the sequel to *The Hundred Thousand Kingdoms*, the debut novel of NYT bestselling author N. Oree Shoth, a blind artist, takes in a strange homeless man on an impulse. This act of kindness engulfs Oree in a nightmarish conspiracy. Someone, somehow, is murdering

godlings, leaving their desecrated bodies all over the city. And Oree's guest is at the heart of it. . .

Inside the Critics' Circle Phillipa K. Chong, 2021-09-14 An inside look at the politics of book reviewing, from the assignment and writing of reviews to why critics think we should listen to what they have to say Taking readers behind the scenes in the world of fiction reviewing, *Inside the Critics' Circle* explores the ways critics evaluate books despite the inherent subjectivity involved and the uncertainties of reviewing when seemingly anyone can be a reviewer. Drawing on interviews with critics from such venues as the New York Times, Los Angeles Times, and Washington Post, Phillipa Chong delves into the complexities of the review-writing process, including the considerations, values, and cultural and personal anxieties that shape what critics do. Chong explores how critics are paired with review assignments, why they accept these time-consuming projects, how they view their own qualifications for reviewing certain books, and the criteria they employ when making literary judgments. She discovers that while their readers are of concern to reviewers, they are especially worried about authors on the receiving end of reviews. As these are most likely peers who will be returning similar favors in the future, critics' fears and frustrations factor into their willingness or reluctance to write negative reviews. At a

time when traditional review opportunities are dwindling while other forms of reviewing thrive, book reviewing as a professional practice is being brought into question. Inside the Critics' Circle offers readers a revealing look into critics' responses to these massive transitions and how, through their efforts, literary values get made.

The Waves of Dissonance Andrea Clark, 2020-10-09 Fans of The Handmaid's Tale, Brave New World, and the Manchurian Candidate, will enjoy this fast-paced, not-so-distant futuristic sci-fi thriller where New America's two

opposing presidential candidates are using mind-control to start another Civil War. Only this time, it's a war between the sexes.

Kat has never seen a man: not even a photo. Growing up in an all-female society east of the Mississippi River, she has only heard stories-about how those people are grotesque, hairy, and violent. Kat knows her government is lying (at least about the violent part): she and Jordan have been telepathically connected for years, ever since childhood, and she knows everything about him. Or, at least, she thinks she does. In Day one of this three-day saga, Kat sets out to finally meet Jordan in person. When she does, she upsets a dangerous web of mind-altering government wavelengths (Adrays), and becomes a pawn in the Adray inventor's plot to start a war. Will those unaffected by the Adrays rise to help her? Or is it too late to change both societies' cognitive dissonance?

A Rose in Winter Kathleen E. Woodiwiss,1983-10-01 The fairest flower in Mawbry is Erienne Fleming, the enchanting, raven-haired daughter of the

village mayor. Charming, spirited and exquisitely lovely, she is beset on all sides by suitors, any one of whom would pay a king's fortune for a place in her heart. But Erienne has eyes for only one: the dashing and witty young Yankee, Christopher Seton. But marriage for love is not to be, for her irresponsible and unscrupulous father, crippled by gambling debts, is intent on auctioning off his beautiful daughter to the highest bidder. And in the end, Erienne is devastated to find it is the strange and secretive Lord Saxton who has purchased her—a mysterious, tragic figure who wears a mask and a cloak at all times to hide disfiguring scars gained in a terrible fire some years back. But in the passing days, Saxton's true nature is revealed to her. A gentle and adoring soul, he treats his new bride with warmth and abiding tenderness, yet appears to her only by daylight. She, in turn, vows to be a good and loyal wife to him. And then Christopher Seton reenters Erienne's world. Conflicted by emotions she cannot suppress, Erienne valiantly attempts to remain honorable to her elusive, enigmatic husband but feels herself irresistibly drawn to Seton's passion, his fire, and his secrets. Entangled in intrigues she doesn't yet understand, Erienne Fleming will soon have to make a devastating choice: between love and honor . . . between her duty and her heart.

Turning for Home Barney Norris, 2018-01-11 The deeply moving second novel from the author of the award-winning FIVE RIVERS MET ON A WOODED PLAIN. 'Courageous...memorable...moving' - Guardian 'One of our most exciting young

writers' - The Times 'Life-affirming, beautiful and achingly poignant' - Donal Ryan 'Isn't the life of any person made up out of the telling of two tales, after all? The whole world makes more sense if you remember that everyone has two lives, their real lives and their dreams, both stories only a tape's breadth apart from each other, impossibly divided, indivisibly close.' Every year, Robert's family comes together at a rambling old house to celebrate his birthday. Aunts, uncles, distant cousins - it has been a milestone in their lives for decades. But this year Robert doesn't want to be reminded of what has happened since they last met - and nor, for quite different reasons, does his granddaughter Kate. Neither of them is sure they can face the party. But for both Robert and Kate, it may become the most important gathering of all. As lyrical and true to life as Norris's critically acclaimed debut *Five Rivers Met on a Wooded Plain*, which won a Betty Trask Award and was shortlisted for the Ondaatje Prize and Debut of the Year at the British Book Awards, this is a compelling, emotional story of family, human frailty, and the marks that love leaves on us.
