*Ricochet* Richard Feldman,2011-05-16 *Ricochet* Confessions Of A Gun Lobbyist Ricochet tells the truth. With each page I can hear the echo of footsteps down the Rayburn Building's marbled halls as Feldman tells the intimate story few know and even fewer survive. ?Jack Brooks (D-Tex.), former Chairman, U.S. House Judiciary Committee Ricochet casts an eye-opening spotlight on the shadowy world of behind-the-scenes gun politics. Is it accurate? Absolutely! I was there. ?John Aquilino, former Director, NRA Public Education Ricochet is right on target. Feldman's behind-the-scenes memoir vividly describes America's firearms debate and struggle to win in extraordinary detail. I thoroughly enjoyed it. ?John W. **R is for Ricochet** Sue Grafton,2021-01-05 In this #1 New York Times bestseller in Sue Grafton's Alphabet series, private investigator Kinsey Millhone has her hands full when a job that should be easy money takes a turn for the worse. Reba Lafferty was a daughter of privilege, the only child of an adoring father. Nord Lafferty was already in his fifties when Reba was

born, and he could deny her nothing. Over the years, he quietly settled her many scrapes with the law, but wasn't there for her when she was convicted of embezzlement and sent to the California Institution for Women. Now, at thirty-two, she's about to be paroled, having served twenty-two months of a four-year sentence. Her father wants to be sure Reba stays straight, stays home and away from the drugs, the booze, and the gamblers... It seems a straightforward assignment for Kinsey: babysit Reba until she settles in, make sure she follows all the niceties of her parole. Maybe a week's work. Nothing untoward—the woman seems remorseful and friendly. And the money is good. But life is never that simple, and Reba is out of prison less than twenty-four hours when one of her old crowd comes circling round...

*Ricochet* Thom Nicholson, 2007-11-06 There's a \$3,000 bounty on James Bennett's head, and Marty Keller intends to collect it. Deep in the Oklahoma badlands, Keller corners his quarry, pinning him down with warning shots...until one ricocheting bullet strikes Bennett in the back, mortally wounding him. Keller returns to Fort Wayne to collect his reward, only to be branded a back shooter by the townsfolk. Then, to his surprise, Bennett's widow pleads with him to escort her and her young son to their new home in Wyoming Territory. And as he sets out to lead them across countless miles of mountains and prairies, Keller is determined to protect his charges from any danger that may befall them—both natural and human.

*Ricochet* Taylor Moore, 2023-08-29 DEA Special Agent Garrett Kohl and his CIA team embark on an off-the-books investigation and partner up with a ragtag crew of outcasts and outlaws to stop extortionists and dismantle their operation before complete devastation rains down in their Texas High Plains community in this pulse-pounding thriller for fans of C. J. Box. After hunting down a rogue spy as part of an elite CIA counterespionage unit, Garrett Kohl returns home to Texas in hopes of settling down and carving out

a normal life. While learning the ropes of fatherhood, falling deeper in love with his high school crush, and rebuilding his wildfire ravaged cattle ranch, he is approached in secret by an engineer working at a nearby nuclear weapons plant, who is in desperate need of his help. Utilizing a unique skill set—abilities Garrett has honed as a deep cover narcotics agent and former Green Beret—he embarks on an off-the-books investigation and learns that Iranian operatives are blackmailing weapons facility employees and potentially planning a devastating act of sabotage and destruction. Already engaged in an intense shadow war with Tehran and their Quds Force spies, Garrett's CIA team rallies to take down the extortionists and dismantle their operation. But before they can get their mission under way, enemy commandos hijack a train carrying nuclear weapons, and activate a lone wolf assassin to murder the visiting U.S. Secretary of Defense. Caught flatfooted by the sudden attack, Garrett musters the only help he can find—a ragtag crew of outcasts and outlaws, some of whom he'd once put behind bars. Although they're from different walks of life, and opposite sides of the law, they hold in common the deep desire to protect their homes, their families, and their way of life on the remote, wild, and alluring Texas High Plains.

**Ricochet** Christy Barritt, 2012-09-04 When Molly Hamilton returns to her beloved summer camp, she finds nothing but trouble. First she hits a dead body in the road before arriving. Then she discovers the camp director is missing. If that isn't stressful enough, Molly's new boss is none other than

Nick White, the man who once broke her heart. Nick and Molly know there's something dangerous going on at Camp Hope Springs. But as the former teenage sweethearts try to uncover the mystery, they discover even more hidden secrets--about the camp and themselves. Saving the camp may not be safe, especially for their hearts.

Ricochet Jessica Andersen, 2006-01-01 Bear Claw Creek's young girls were disappearing and forensics expert Alissa Wyatt was in way over her head. Now her only choice was to partner with Detective Tucker McDermott – the very same man she'd sworn to keep her distance from. But suddenly, the tables turned. Alissa became a madman's next target – and her only hope to stay alive lay within the safety of Tucker's strong arms. As the danger mounted, the killer on her trail was nothing compared to the feelings provoked by reuniting with Tucker...or the consequences she'd face if she walked away once again.

*Ricochet* Ovid Demaris, 1989-07-13

**Ricochet** Julie Gonzalez, 2008-10-14 A bully. A gun. A dare. A friendship ripped apart. An instant in which Connor Kaeden's life changes forever. . . .

*Ricochet* Ovid Demaris, 1990 Frank Conti, the son of a cop, grew up on the mean streets of South Philadelphia--and made the son of a Mafia hood his mortal enemy. A Green Beret hero in Vietnam, Frank came home to begin a career as a successful banker and respected businessman. He thought he'd left behind forever the violence of the streets and the insanity of the jungle.

But he was wrong--dead wrong. For his boyhood enemy is now Atlantic City's most powerful crime boss. And Tony 'The Blade' Allio has not forgotten Frank or the vengeance he swore against his old nemesis. He has kidnapped Frank's beautiful, gambling-addicted wife to lure Frank to Atlantic City--and a glittering world of corruption, extortion, drugs, and murder. Now, faking his own death in a plane crash, Conti must give up his new life to settle an old score--and use his commando training to beat the mob at its own deadly game.

*Ricochet* Sandra Brown, 2007-08 Detective Sergeant Duncan Hatcher is summoned in the middle of the night to the home of a judge in order to investigate the death of a burglar.

**Ricochet** Mary Jo McConahay, 2014-05-29 A stunning memoir by California Book Award winner Mary Jo McConahay, from her years reporting for national magazines from Central America. When three colleagues die violently during a single wartime election day in Central America, two female journalists, best friends, are hurled into a torrent of change in their personal and professional lives and in their relationship with each other. The author, bedeviled by stress and feelings of abandonment, hangs on by her fingernails to reporting while her dear friend "just can't take another picture of a dead body" and throws herself into teaching photography to children who live in a garbage dump. Big questions quietly roil their lives—What is our responsibility to history? To individuals?—until unexpectedly, they approach

an answer together, when a child from the dump goes missing.

Ricochet Paula Gosling, 2018-07-26 A loved professor is found shot dead in her home. Her student is murdered whilst he's working at the hospital. And Jack Stryker's partner Kate is being secretly harassed. Can he get to the bottom of this dark mystery in Paula Gosling's third and final Jack Stryker novel? Whilst the professor's case looks like a domestic homicide and the student's looks like a mugging gone wrong, nothing is really as it seems in this intense and puzzling thriller. Stryker's instincts seem to be leading him awry but could the two barbarous murders be interlinked? Jack Stryker follows a dangerous trail to find out in Ricochet.

How We Ricochet Faith Gardner, 2022-05-24 For readers of This Is How It Ends and All the Bright Places, How We Ricochet takes an intimate and unflinching look into the devastating consequences of a mass shooting for one girl and her close-knit family, from Faith Gardner, acclaimed author of Girl on the Line. It seems sometimes a charade that we continue celebrating in the face of relentless tragedy. How dare we? But then . . . what else is there to do? Betty's mom needed new pants for her job. That was why Betty was at the mall with her mom and sister when the shooting started. Afterward, nothing is the same. There are no easy answers to be found, and Betty's search for them leads her to Michael, the brother of the shooter. But this path only shows

Betty one thing: that everything she thought she knew—about herself, about the world around her—can change in a heartbeat. A moving, powerful journey of life after tragedy, *How We Ricochet* is a fearless and necessary story for our time that will resonate with readers everywhere.
