

River

Wade Davis

What Is a River? Monika Vaicenavičiene, 2020-02-12 A river is a thread, embroidering our world. This non-fiction picture book brings attention to the rivers that stitch and thread our world together.

One River Wade Davis, 2010-05-11 The story of two generations of scientific explorers in South America—Richard Evans Schultes and his protégé Wade Davis—an epic tale of adventure and a compelling work of natural history. In 1941, Professor Richard Evan Schultes took a leave from Harvard and disappeared into the Amazon, where he spent the next twelve years mapping uncharted rivers and living among dozens of Indian tribes. In the 1970s, he sent two prize students, Tim Plowman and Wade Davis, to follow in his footsteps and unveil the botanical secrets of coca, the notorious source of cocaine, a sacred plant known to the Inca as the Divine Leaf of Immortality. A stunning account of adventure and discovery, betrayal and destruction, *One River* is a story of two generations of explorers drawn together by the transcendent knowledge of Indian peoples, the visionary realms of the shaman, and the extraordinary plants that sustain all life in a forest that once stood immense and inviolable.

River of No Return John Carrey, Cort Conley, 1978

The River Peter Heller, 2019 A NATIONAL BESTSELLER A fiery tour de force... I could not put this book down. It truly was terrifying and unutterably beautiful. -Alison Borden, The Denver Post From the best-selling author of *The Dog Stars*, the story of two college students on a wilderness canoe trip—a gripping tale of a friendship tested by fire, white water, and violence Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant,

a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the river, paddling alone. Is this the man they heard? And, if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

All Along the River Magnus Weightman, 2020 Join this delightful river journey through forests, farms, waterfalls, and harbors.

River Esther Kinsky, 2018 On a series of solitary walks around London, a woman recalls the rivers she's encountered in prose reminiscent of Sebald.

The River Alessandro Sanna, 2014 The River tells four stories about life on the Po River, one story for each of the four seasons--

The River Michael Neale, 2012-09-17 "The River is a story that will transform how you see yourself and the world." —Andy Andrews, New York Times best-selling author of *The Noticer*, *The Traveler's Gift*, and *How Do You Kill 11 Million People?* "You were made for The River . . ." Gabriel Clarke is mysteriously drawn to The River, a ribbon of frothy white water carving its way through steep canyons

high in the Colorado Rockies. The rushing waters beckon him to experience freedom and adventure. But something holds him back—the memory of the terrible event he witnessed on The River when he was just five years old—something no child should ever see. Chains of fear and resentment imprison Gabriel, keeping him from discovering the treasures of The River. He remains trapped, afraid to take hold of the life awaiting him. When he returns to The River after years away, his heart knows he is finally home. His destiny is within reach. Claiming that destiny will be the hardest—and bravest—thing he has ever done.

The Boiling River Andrés Ruzo, 2016-02-16 In this exciting adventure mixed with amazing scientific study, a young, exuberant explorer and geoscientist journeys deep into the Amazon—where rivers boil and legends come to life. When Andrés Ruzo was just a small boy in Peru, his grandfather told him the story of a mysterious legend: There is a river, deep in the Amazon, which boils as if a fire burns below it. Twelve years later, Ruzo—now a geoscientist—hears his aunt mention that she herself had visited this strange river. Determined to discover if the boiling river is real, Ruzo sets out on a journey deep into the Amazon. What he finds astounds him: In this long, wide, and winding river, the waters run so hot that locals brew tea in them; small animals that fall in are instantly cooked. As he studies the river, Ruzo faces challenges more complex than he had ever imagined. The Boiling River follows this young explorer as he navigates a tangle of competing interests—local shamans, illegal cattle farmers and loggers, and oil companies. This true account reads like a modern-day adventure, complete with extraordinary characters, captivating plot twists, and jaw-dropping details—including stunning photographs and a never-before-published account about this incredible natural wonder. Ultimately, though, *The Boiling River* is about a man trying to understand the

moral obligation that comes with scientific discovery —to protect a sacred site from misuse, neglect, and even from his own discovery.

Freedom River Doreen Rappaport,2014-06-30 Describes an incident in the life of John Parker, an ex-slave who became a successful businessman in Ripley, Ohio, and who repeatedly risked his life to help other slaves escape to freedom.

People of the River W. Michael Gear,Kathleen O'Neal Gear,2009-12 All the Gears' previous titles in the First North American series have been national bestsellers. Now, People of the River is finally available in mass-market. This gripping saga tells of the Mound Builders of the Mississippi Valley. In a time of many troubles, a warchief and his people have lost all hope. But hope is revived with a young girl learning to Dream of Power.

The People of the River Oscar de la Torre,2018-08-17 In this history of the black peasants of Amazonia, Oscar de la Torre focuses on the experience of African-descended people navigating the transition from slavery to freedom. He draws on social and environmental history to connect them intimately to the natural landscape and to Indigenous peoples. Relying on this world as a repository for traditions, discourses, and strategies that they retrieved especially in moments of conflict, Afro-Brazilians fought for autonomous communities and developed a vibrant ethnic identity that supported their struggles over labor, land, and citizenship. Prior to abolition, enslaved and escaped blacks found in the tropical forest a source for tools, weapons, and trade--but it was also a cultural storehouse within which they shaped their stories and records of confrontations with slaveowners and state authorities. After abolition, the black peasants'

knowledge of local environments continued to be key to their aspirations, allowing them to maintain relationships with powerful patrons and to participate in the protest cycle that led Getulio Vargas to the presidency of Brazil in 1930. In commonly referring to themselves by such names as sons of the river, black Amazonians melded their agro-ecological traditions with their emergent identity as political stakeholders.

Goodbye to a River John Graves, 2010-11-10 In the 1950s, a series of dams was proposed along the Brazos River in north-central Texas. For John Graves, this project meant that if the stream's regimen was thus changed, the beautiful and sometimes brutal surrounding countryside would also change, as would the lives of the people whose rugged ancestors had eked out an existence there. Graves therefore decided to visit that stretch of the river, which he had known intimately as a youth. Goodbye to a River is his account of that farewell canoe voyage. As he braves rapids and fatigue and the fickle autumn weather, he muses upon old blood feuds of the region and violent skirmishes with native tribes, and retells wild stories of courage and cowardice and deceit that shaped both the river's people and the land during frontier times and later. Nearly half a century after its initial publication, Goodbye to a River is a true American classic, a vivid narrative about an exciting journey and a powerful tribute to a vanishing way of life and its ever-changing natural environment.

Over in a River Marianne Berkes, 2013-09-01 Learning becomes fun for everyone in this book about the geography of north American rivers and about the animals that live in this habitat. The amazing artwork in this book will inspire kids in classrooms and at home to appreciate the world around us! The

great rivers of North America are teeming with life and on the pages of *Over in a River*—from blue herons in the Hudson to salmon in the Columbia, and from dragonflies in the Rio Grande to mallards in the St. Lawrence. Children will slither like water snakes and slide like otters while singing to the tune of *Over in a Meadow*. Read about the snake, beaver, frog, otter, dragonfly, and more that lives along the rivers! Kids love counting books, too! What a delightful way to learn about riparian habitats and geography at the same time! **Backmatter Includes:** Further information about rivers and the animals in this book! Music and song lyrics to *Over in the River* sung to the tune *Over in the Meadow*!

Rivers Michael Farris Smith, 2013-09-10 For fans of Cormac McCarthy and Annie Proulx, “a wonderfully cinematic story” (The Washington Post) set in the post-Katrina South after violent storms have decimated the region. It had been raining for weeks. Maybe months. He had forgotten the last day that it hadn’t rained, when the storms gave way to the pale blue of the Gulf sky, when the birds flew and the clouds were white and sunshine glistened across the drenched land. The Gulf Coast has been brought to its knees. Years of catastrophic hurricanes have so punished and depleted the region that the government has drawn a new boundary ninety miles north of the coastline. Life below the Line offers no services, no electricity, and no resources, and those who stay behind live by their own rules—including Cohen, whose wife and unborn child were killed during an evacuation attempt. He buried them on family land and never left. But after he is ambushed and his home is ransacked, Cohen is forced to flee. On the road north, he is captured by Aggie, a fanatical, snake-handling preacher who has a colony of captives and dangerous visions of repopulating the barren region. Now Cohen is faced with a decision: continue to the Line alone,

or try to shepherd the madman's prisoners across the unforgiving land with the biggest hurricane yet bearing down—and Cohen harboring a secret that poses the greatest threat of all. Eerily prophetic in its depiction of a Southern landscape ravaged by extreme weather, *Rivers* is a masterful tale of survival and redemption in a world where the next devastating storm is never far behind. “This is the kind of book that lifts you up with its mesmerizing language then pulls you under like a riptide” (The Atlanta Journal-Constitution).

A River Marc Martin, 2017-03-07 “This stunningly illustrated book, rendered in deep blues and greens, charts a river’s meandering course through cities, farms and jungles.” —Entertainment Weekly A Winner of the New York Times/New York Public Library Best Illustrated Children’s Books Award There’s a river outside my window. Where will it take me? So begins the imaginary journey of a child inspired by the view outside her bedroom window: a vast river winding through a towering city. A small boat with a single white sail floats down the river and takes her from factories to farmlands, freeways to forests, out to the stormy and teeming depths of the ocean, and finally back to the comforts—and inspirations—of home. This lush, immersive book by award-winning picture book creator Marc Martin will delight readers of all ages by taking them on a transcendent and aspirational journey through an imaginative landscape. “A subtle study of how imagination allows children to safely explore the unknown without ever leaving home.” —Publishers Weekly

Riparia's River Michael J. Caduto, 2023-05-02 At the back of the book is a list of the animals that appear in the story and an invitation to find them all. This lively story about non-point source pollution is filled

with both information and action. Realistic, lush illustrations by Olga Pastuchiv illuminate the children's passion for their river and the ecosystem it supports.

Along the River Vanina Starkoff,2017-04-01 Boats of all shapes and sizes travel on the river, through the seasons, toward the sea. Who will you meet on the river? This vibrant picture book from Brazil depicts the joy of the journey, showing in simple yet detailed illustrations the people you might meet along the way, the sights you might see and the food you might eat. Readers will delight in identifying recurring details when rereading. Reminiscent of the highly acclaimed *Jimmy the Greatest!*, which received six starred reviews, *Along the River* is a celebration of community bonds and shared experiences. With strong social studies curriculum connections, *Along the River* introduces young children to an alternate form of transportation, as well as to some of the customs and culture of Brazil. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.6 With prompting and support, name the author and illustrator of a story and define the role of each in telling the story.

The Rock and the River Kekla Magoon,2009-01-06 Coretta Scott King - John Steptoe Award winner In this “taut, eloquent first novel” (Booklist, starred review), a young Black boy wrestles with conflicting notions of revolution and family loyalty as he becomes involved with the Black Panthers in 1968 Chicago. The Time: 1968 The Place: Chicago For thirteen-year-old Sam, it’s not easy being the son of known civil rights activist Roland Childs. Especially when his older (and best friend), Stick, begins to drift away from him for no apparent reason. And then it happens: Sam finds something that changes everything forever. Sam has always had faith in his father, but when he finds literature about the Black Panthers under Stick’s

bed, he's not sure who to believe: his father or his best friend. Suddenly, nothing feels certain anymore. Sam wants to believe that his father is right: You can effect change without using violence. But as time goes on, Sam grows weary of standing by and watching as his friends and family suffer at the hands of racism in their own community. Sam begins to explore the Panthers with Stick, but soon he's involved in something far more serious—and more dangerous—than he could have ever predicted. Sam is faced with a difficult decision. Will he follow his father or his brother? His mind or his heart? The rock or the river?

The River that Changed Its Course Shanwa, John Tedman, 1961

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **River**

In a world inundated with displays and the cacophony of quick transmission, the profound energy and mental resonance of verbal art often diminish into obscurity, eclipsed by the regular assault of sound and distractions. Yet, nestled within the musical pages of **River**, a charming work of fictional elegance that impales with organic feelings, lies an wonderful trip waiting to be embarked upon. Written by a virtuoso wordsmith, that interesting opus manuals readers on a mental odyssey, softly exposing the latent potential and profound influence stuck within the elaborate web of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is main subjects, dissect its charming writing design, and immerse ourselves in the indelible impact it leaves upon the

depths of readers souls.

River Introduction

In the digital age, access to information has become easier than ever before. The ability to download River has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download River has opened up a world of possibilities. Downloading River

provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading River has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals

with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download River. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their

content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading River. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of

content. When downloading River, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download River has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About River Books

1. Where can I buy River books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a River book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of River books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or

- | | | |
|---|---|--|
| <p>manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.</p> <p>7. What are River audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or</p> | <p>multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.</p> <p>8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.</p> <p>9. Are there book clubs or reading communities I can join? Local Clubs: Check for</p> | <p>local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.</p> <p>10. Can I read River books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.</p> |
