Roll Model Jill Miller,2014-11-04 Pain is an epidemic. It prevents you from performing at your best because it robs you of concentration, power, and peace of mind. But most pain is preventable and treatable, and healing is within your grasp. Hundreds of thousands of people around the globe have taken life “by the balls” and circumvented a dismal future of painkillers, surgeries, and hopelessness by using Jill Miller’s groundbreaking Roll Model Method. The Roll Model gives you the tools to change the course of your life in less than 5 minutes a day. You are a fully equipped self-healing organism, and this book will guide you through easy-to-perform self-massage techniques that will erase pain and improve your performance in whatever activities you pursue. The Roll Model teaches you how to improve the quality of your life no matter your size, shape, or condition. Within these pages you will find: • Inspiring stories of people just like you who have altered the course of their lives by using the Roll Model Method • Accessible explanations of how and why this system works based on the science of your body and the physiological effects of rolling • Step-by-step rolling techniques to help awaken your body’s resilience from head to toe so that you have more energy, less stress, and greater performance Whether you’re living with constant discomfort, seeking to improve your mobility, or trying to avoid medication and surgery, this book provides empowering and effective solutions for becoming your own best Roll Model.

Roll Darcy Miller,2017-05-23 Winner of the 2018 Burr/Worzalla Award * A CCBC (Cooperative Children’s Book Center) Choices 2018 Pick * A Bank Street Best Children's Book of 2017 A hilariously funny and poignant debut novel, perfect for fans of Jerry Spinelli, Kat Yeh, Gary D. Schmidt, and Rebecca Stead. When Lauren (but call him “Ren,” pretty please) Hall sees birds falling from the sky, he knows something is wrong. But just as he’s starting to worry, he realizes that the birds are plummeting toward the ground on purpose. Turns out they’re Birmingham Roller Pigeons, and his new neighbor Sutton is training them for a competition. Sure, it’s strange, but Ren’s best and only friend Aiden has picked this summer to start hanging with the popular kids. So Ren starts training pigeons with Sutton—what’s the worst that could happen? A bird falls on his head? You’ll have to read Roll to find out.

Roll, Jordan, Roll Eugene D. Genovese,2008-07-10 A definitive account of slave life in the Old South and the role of the slaves in fashioning a Black national culture.

Roll with It Jamie Sumner,2020-09 Twelve-year-old Ellie, who has cerebral palsy, finds her life transformed when she moves with her mother to small-town Oklahoma to help care for her grandfather, who has Alzheimer's Disease.

Roll, Jordan, Roll Eugene D. Genovese,1976-01-12 This landmark history of slavery in the South--a winner of the Bancroft Prize--challenged conventional views of slaves by illuminating the many forms of resistance to dehumanization that developed in slave society. Rather than emphasizing the cruelty and degradation of slavery, historian Eugene Genovese investigates the ways that slaves forced their owners to acknowledge their humanity through culture, music, and religion. Not merely passive victims, the slaves in this account actively engaged with the paternalism of slaveholding culture in ways that supported their self-respect and aspirations for freedom. Roll, Jordan, Roll covers a vast range of subjects, from slave weddings and funerals, to the language, food, clothing, and labor of slaves, and places particular emphasis on religion as both a major battleground for psychological control and a paradoxical source of spiritual strength. Displaying keen insight into the minds of both slaves and slaveholders, Roll, Jordan, Roll is a testament to the power of the human spirit under conditions of extreme oppression.

The Rock And Roll Book Of The Dead David Comfort,2009-08-25 Once you're dead, you're made for life. --Jimi Hendrix Hendrix. Janis. Morrison. Elvis. Lennon. Cobain. Garcia. Their reckless brilliance held the key to their self-destruction. Their deaths had much in common--and, surprisingly, so did their lives. From lonely childhoods marred by loss to groundbreaking music and turbulent careers that ended tragically and suspiciously, David Comfort explodes the myths as he probes: • The sinister roles of Hendrix's manager and girlfriend in his death and subsequent cover-up • The bizarre odyssey of Jim Morrison's corpse • Why Kurt Cobain was worth more dead than alive to Courtney Love • The twisted motives that caused John Lennon to sail through the Devil's Triangle to Bermuda--nearly going down in a storm--shortly before he was fatally shot • The crippling disease and miracle drug that drove Elvis to suicide Charismatic and gifted, but also isolated and conflicted, these are not the rock icons you thought you knew. Here are their larger-than-life stories of turmoil and excess that led to their early deaths and ultimate immortality. It's a wild ride to the other side of fame. Fame is the soul eater. --Jerry Garcia Everybody loves you when you're six foot in the ground. --John Lennon Includes Rare Photos David Comfort is the author of three bestselling nonfiction books. His short fiction has appeared in numerous magazines, including Eclectic Literary Forum, Pacific Review, Coe Review, and Belletrist Review. He has been the recipient of several literary prizes and a finalist for such prestigious awards as the Nelson Algren Award and America's Best. A former rock musician, he has spent over 30 years studying rock music, particularly the revolutionary and fatalistic pioneers of the 1960s. He lives in Santa Rosa, California.

Shapes That Roll Karen Nagel,2023-07

Ride, Roll, Run Valerie Bolling,2022-10-04 A joyful, rhyming picture book that is an ode to community and outdoor play Pedal, pump. Speed bump! Ride, roll, run. Friends and fun! This energetic picture book celebrates community and friendship, following children as they play their way through their vibrant neighborhood. Author and educator Valerie Bolling’s rhyming text makes for an exciting read-aloud and is paired with stunning illustrations by Sabrena Khadija.

Baby Boomer Rock 'n' Roll Fans Joseph A. Kotarba,2013 Based on 18 years of sociological research and 52 years of rock 'n' roll fandom, Baby Boomer Rock 'n' Roll Fans: The Music Never Ends draws on data collected from participant observations and interviews with artists, fans, and producers to explore our aging rock culture through the filter of symbolic interactionist theory.

Extending Commodity Credit Act; Roll-back in Food Prices United States. Congress. Senate. Committee on Banking and Currency,1943

Rock and Roll, Desegregation Movements, and Racism in the Post-Civil Rights Era Beth Fowler,2022-04-27 The rock and roll music that dominated airwaves across the country during the 1950s and early 1960s is often described as a triumph for integration. Black and white musicians alike, including Chuck Berry, Little Richard, Elvis Presley, and Jerry Lee Lewis, scored hit records with young audiences from different racial groups, blending sonic traditions from R&B, country, and pop. This so-called desegregation of the charts seemed particularly resonant since major civil rights groups were waging major battles for desegregation in public places at the same time. And yet the centering of integration, as well as the supposition that democratic rights largely based in consumerism should be available to everyone regardless of race, has resulted in very distinct responses to both music and movement among Black and white listeners who grew up during this period. Rock and Roll, Desegregation Movements, and Racism in the Post-Civil Rights Era: An Integrated Effort traces these distinctions using archival research, musical performances, and original oral histories to determine the uncertain legacies of the civil rights movement and early rock and roll music in a supposedly post-civil rights era.
