Room Emma Donoghue, 2023-04-06 In this deeply moving and life-affirming tale, a mother must nurture her five-year-old son through an unfathomable situation with only the power of their imagination and their boundless capacity to love. Written for the stage by Academy Award® nominee Emma Donoghue, this unique theatrical adaptation featuring songs and music by Kathryn Joseph and director Cora Bissett takes audiences on a richly emotional journey told through ingenious stagecraft, powerhouse performances, and heart-stopping storytelling. Room reaffirms our belief in humanity and the astounding resilience of the human spirit. This updated and revised edition was published to coincide with the Broadway premiere in Spring 2023.

Rooms James L. Rubart, 2010 A young software tycoon inherits a coastal Oregon home that is really a physical manifestation of his soul being used by God to heal the man's greatest wounds.

The Room Hubert Selby, 2011-12-13 “A terrifying journey into the darkest corners of the psyche” by the author of Requiem for a Dream and Last Exit to Brooklyn (The Guardian). A small-time criminal sits alone in his cell, his mind reeling with sadistic thoughts of retribution against the police and, eventually, all those he believes have failed him throughout his life. A deeply disturbing exploration of a character the Guardian described as “a genuinely frightening American Psycho,” Hubert Selby Jr.’s second novel is made all the more chilling by the narrator’s brief flashes of humanity. The Room is a tale so terrifying the author himself couldn’t read it for decades after writing it. Called “brutal” by the New York Times when it was first published, it is a dark masterpiece about a man who may be temporarily trapped in jail, but whose true prison is his own anger, as he is enslaved by out-of-control passions and sickening fantasies of revenge. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author’s estate.

How to Work a Room Susan RoAne, 1989 Here is the definitive guide to successful mingling at business meetings, cocktail parties, and conventions from a seminar leader who has taught thousands of people the strategies of savvy socializing.

The Room Jonas Karlsson, 2015-02-17 “The daily grind got you down? Escape into this Swedish dark comedy about a scaldingly contemptuous office drone who discovers a secret room in his workplace.” —O: The Oprah Magazine The inspiration for the upcoming feature film *Corner Office*, starring Jon Hamm Björn is a compulsive, meticulous bureaucrat who discovers a secret room at the government office where he works—a secret room that no one else in his office will acknowledge. When Björn is in his room, what his co-workers see is him standing by the wall and staring off into space looking dazed, relaxed, and decidedly creepy. Björn’s bizarre behavior eventually leads his co-workers to try and have him fired, but Björn will turn the tables on them with help from his secret room. Debut author Jonas Karlsson doesn’t leave a word out of place in this brilliant, bizarre, delightful take on how far we will go—in a world ruled by conformity—to live an individual and examined life.

Earth Room Rachel Mannheimer, 2022-04-05 Selected by Nobel Laureate Louise Glück as Winner of the inaugural Bergman Prize, Rachel Mannheimer’s debut, *Earth Room*, is a dazzling book-length narrative poem that explores with tenderness how art and love intersect to make one’s life. Transporting the reader across decades and from the Moon to Mars by way of Alaska, Berlin, and the Hudson Valley, *Earth Room* considers a lineage of sculpture, performance, and land art—from Robert Smithson to Pina Bausch—with observations shaped by gender and environment, history and portents of apocalypse. With an urgent, direct, and unmistakably powerful voice, Mannheimer tests the line between nature and culture, ordinary life and performance. A work of sly wit and bracing sincerity, *Earth Room* is an original, unsparing book that Louise Glück calls a lesson in how to make something

of where we find ourselves.

Last Night at the Viper Room Gavin Edwards, 2013-10-22 In *Last Night at the Viper Room*, acclaimed author and journalist Gavin Edwards vividly recounts the life and tragic death of acclaimed actor River Phoenix—a teen idol on the fast track to Hollywood royalty who died of a drug overdose in front of West Hollywood’s storied club, the Viper Room, at the age of 23. *Last Night at the Viper Room* explores the young star’s life, including his childhood in Venezuela growing up under the aegis of the cultish Children of God. Putting him at the center of a new generation of leading men emerging in the early 1990s— including Johnny Depp, Keanu Reeves, Brad Pitt, Nicolas Cage, and Leonardo DiCaprio—Gavin Edwards traces the Academy Award nominee’s meteoric rise, couches him in an examination of the 1990s, and illuminates his lasting legacy on Hollywood and popular culture itself.

The Salamander Room Anne Mazer, 1994-03-01 A boy finds a salamander in the woods and imagines the many things he can do to turn his room into a perfect salamander home. Together, Anne Mazer and Steve Johnson have created a woodland paradise that any salamander would love to share with a child.

Rooms for Living Suzanne Rheinstein, 2015-10-06 Celebrated interior designer Suzanne Rheinstein focuses on the use of rooms—from entries to outdoor spaces—that reflect her relaxed, elegant style, in which beauty and comfort are paramount. Suzanne Rheinstein is a master at translating traditional style into something fresh and elegant. In *Rooms for Living*, she shows how to achieve a calm and livable environment in casual or more formal settings. Rheinstein presents welcoming rooms to share with others, as well as private, cozy spaces for relaxing or sleeping. Included are examples of refashioned spaces, such as a neglected living room that has been repurposed for reading and writing, and a kitchen that has been expanded to accommodate informal meals. Rheinstein also offers

innovative ideas on how to make a statement with an entryway by adding vibrant color, dress a bed for ultimate comfort and romance with luxurious pillows, display books in an understated way, and create a unique party atmosphere. No small detail is overlooked. Beautifully photographed, this inspiring book is a must-have for design-savvy individuals.

How to Own the Room Viv Groskop, 2019-03-19 A powerful guide for every woman looking to find—or amplify—her voice Most books about public speaking don't tell you what to do when you open your mouth and nothing comes out. And they don't tell you how to get over the performance anxiety that most people naturally have. They don't tell you what to do in the moments when you are made, as a woman, to feel small. They don't tell you how to own the room. This book does. From the way Michelle Obama projects “happy high status,” and the power of J.K.Rowling's understated speaking style, to Virginia Woolf's leisurely pacing and Oprah Winfrey's mastery of inner conviction, what is it that our heroines do to make us sit up and listen - really listen - to their every word? And how can you achieve that impact in your own life? *How to Own the Room* will show you exactly how.

Room. Film Tie-In Emma Donoghue, 2015-09-24 Jack is five. He lives in a single, locked room with his Ma. *Room* by Emma Donoghue is an extraordinarily powerful story of a mother and child kept in isolation, and the desire for, and price of, freedom.

Books Do Furnish a Room Anthony Powell, 1971

The Room Ryan Finnigan, 2014 (Applause Books). Oh Hai! *The Room: The Definitive Guide* is the ultimate key to the biggest pop culture phenomenon of the 21st century, Tommy Wiseau's *The Room*. Arguably the worst film of all time and certainly one of the most beguiling, the masterpiece of so-bad-it's-good filmmaking has grown since its release in 2003 to become one of the most popular theatrical releases of all time, with an extremely loyal and vocal fan base. Within the book, readers

will find everything required to step into *The Room* for the first time and understand the traditions, characters, and (lack of) logic at play within the ultimate cult film. Favorite customers of the film will also find a dozen red roses as the book takes a look back at the history of the phenomenon, features extensive and in-depth analysis of the film, includes extensive interviews with the cast and crew, and, of course, studies the film's enigmatic and visionary auteur, Tommy Wiseau. This is the first available book guide to *The Room*. And an added bonus is the graphic design from cult film artist Mute, which will give the book an eye-catching and distinctive look. So get your tuxedo on, grab your football, have your spoons at the ready, and prepare to shout, You're tearing me apart, Lisa! for the first or thousandth time, as we enter *The Room*.

Modern Room Acoustics John Calder, 2020-08-15 *Modern Room Acoustics* will help to mitigate sound problems in rooms using acoustical principles and the constraints of time, budget and practicality. Practical room acoustics can be divided into two categories: less noise and better sound. Or, in acoustical terms, soundproofing and room treatments, which are described and solutions recommended.

Elbow Room James Alan McPherson, 1986-10-12 A beautiful collection of short stories that explores blacks and whites today, *Elbow Room* is alive with warmth and humor. Bold and very real, these twelve stories examine a world we all know but find difficult to define. Whether a story dashes the bravado of young street toughs or pierces through the self-deception of a failed preacher, challenges the audacity of a killer or explodes the jealousy of two lovers, James Alan McPherson has created an array of haunting images and memorable characters in an unsurpassed collection of honest, masterful fiction.

The Havana Room Colin Harrison, 2007-04-17 Bill Wyeth is a rising real estate attorney living the

lofty heights of success. Then a tragic accident claims everything he has: his family, his fortune, his career. But this is Manhattan, and Bill has much further to fall. His downward spiral lands him at the table of Allison Sparks, the dangerously alluring owner of a midtown steakhouse. She needs a personal favor of him--to engineer a midnight trade-off in a shady multimillion-dollar real estate deal. For a man with nothing left to lose, the set-up is too lucrative to refuse, and like Allison, too forbidden to resist. But her favor draws him deeper into a web of sex, deception, and murder--and to a secret place at the back of her restaurant, the Havana Room, where a man might find both evil and redemption. The Havana Room is a great New York thriller from a modern master of the genre.

Jacob's Room Virginia Woolf, 2015-08-07 A Nonconformist Novel with No Central Character "Either we are men, or we are women. Either we are cold, or we are sentimental. Either we are young, or growing old. In any case life is but a procession of shadows, and God knows why it is that we embrace them so eagerly, and see them depart with such anguish, being shadows." - Virginia Woolf, Jacob's Room Jacob's Room is not your typical Victorian English novel. The fact that there is no real protagonist stands out the most. Jacob is not actually a character, only a collection of memories, feelings and sensations. His life is like a room seen through the eyes of other people. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

The Living Room Graham Greene, 1954 The play consists of two acts, each of two scenes and is set entirely in the living room of Rose Pemberton and her two elderly aunts who live with the aunts' brother James, a disabled Roman Catholic priest. The aunts have a long running fear of death in the

house, with any bedroom being locked away from further use following a death of its resident family member. The story revolves around the introduction of Rose's new lover, Michael Dennis, to the family. It later transpires that Michael is married when his suicidal wife arrives at the house.

In the Closed Room Frances Hodgson Burnett, 1904 Judith meets and plays with a little girl who has died.

Small Space Organizing Kathryn Bechen, 2012-01-01 While we may admire the spacious rooms in large homes we see in magazines or on TV, let's face it: most of us don't live in rambling estates.
