Neil Cornwell

The Everything Learning Russian Book with CD Julia Stakhnevich,2007-11 Whether you're planning a trip to Russia or adding a second language to your resume, this book will help you to: recognize and read Cyrillic letters; pronounce Russian words like a native; ask for directions, order dinner, and conduct business; and hold your own in a conversation. Includes step-by-step lessons in vocabulary, grammar, and conversation.

Russians Gregory Feifer,2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries-and continue to do so today. RUSSIANS explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. RUSSIANS is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

The Russian James Patterson,James O. Born,2021-01-25 When a serial killer crashes Detective Michael Bennett's wedding, he and his new partner uncover a gruesome string of cold-case homicides across the country. Weeks before NYPD Detective Michael Bennett is to marry his longtime love, Mary Catherine, an assassin announces his presence in the city with a string of grisly murders. Each victim is a young woman. And each has been killed in a manner as precise as it was gruesome. Tasked with working alongside the FBI, Bennett and his gung-ho new partner uncover multiple cold-case homicides across the country that fit the same distinctive pattern—proving the perpetrator they seek is as experienced at ending lives as he is at evading detection. Bennett promises Mary Catherine that the case won't affect their upcoming wedding. But as Bennett prepares to make a lifetime commitment, the killer has a lethal vow of his own to fulfill.

Everything Essential Russian Book Julia Stakhnevich,2014-08-14 All the basics of Russian—fast and easy! The Everything Essential Russian Book is perfect for a quick introduction to learning the Russian language. Whether you are planning a vacation or adding a valuable second language to your resume, this portable guide covers the most important basics, including how to: *Recognize and read Cyrillic letters *Pronounce Russian words like a native *Ask and answer everyday questions *Ask for directions, order dinner, or conduct business *Hold your own in a conversation With The Everything Essential Russian Book, you will see how exciting learning Russian can be!

Historical Dictionary of the Russian Federation Robert A. Saunders,Vlad Strukov,2010-05-13 Historical Dictionary of the Russian Federation provides insight into this rapidly developing country. The volume includes coverage of pivotal movements, events, and persons in the late Soviet

Union (1985-1991) and contemporary Russia (1991-present), as well as detailed entries covering the country's expansive geography, unique culture, diverse ethnic groups, and complex political and social environment. This is done through a chronology, an introductory essay, maps, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, and organizations.

The North in Russian Romantic Literature Otto Boele, 1996 This book explores the North in Russian romantic literature as a symbol of national particularity. It largely ignores the vogue of Ossian, being primarily concerned with the significance of the North for Russia's national self-image. The author demonstrates how, starting with Lomonosov, the North initially functions as a symbol of Russia's 'new' European identity. Gradually it acquires a different ideological charge, giving voice to growing resentment over the inroads of western culture. By the turn of the century, the North no longer denotes Russia's supposed Europeanness, but its 'unique national' spirit, believed to have been polluted by the slavish imitation of the West. By this time, the theme of winter was discovered as an appropriate vehicle for the expression of nationalist sentiments, culminating in the popular myth of the winter of 1812 as an ally of the Russian people. This study also investigates the theme of 'northern homesickness' as opposed to the lure of the South and concludes by examining the national stereotypes of Russia's northern neighbours, the Swedes and the Finns.

An Illustrated Description of the Russian Empire Robert Sears, 1855

25 Years of Soviet Russian Literature (1918-1943) Gleb Struve, 2021-06-15 This book, first published in 1944, is a comprehensive survey of post-revolutionary Russian literature up to the early 1940s. A huge range of writers are examined, and the analysis is made in the knowledge of the sometimes considerable pressure brought by the Government on writers in Soviet Russia. Links are made by the author between the writers being assessed, as well as to the Russian writers that had come before them. As a wide-ranging analysis of Soviet literature, this book has rarely been bettered.

Russian Silhouettes Anton Pavlovich Chekhov, 1915

To Be or Not to Be Russian? Konstantin Averin Tatiana Pavlova, 2011-11-21 The authors are neither professional writers nor social commentators. They have carried out this joint research in the national consciousness of Russians on the basis of their personal convictions, citizenship and love to their Motherland. Konstantin Averin is an economist. His main areas of activity are banking business, agriculture, building industry, pharmaceutical production, investigation in practical philosophy. Resides in Russia, Rostov-on-Don. Tatiana Pavlova is a psychologist. Her main areas of activity are investigation in practical philosophy, delivery of assistance in crisis conditions, pre-trial conflict resolution, family consulting. Resides in Russia, Rostov-on-Don.

Amerika Mikhail Iossel, Jeff Parker, 2004 For half of the twentieth century, there were two superpowers in the world and a gulf of silence between them. Knowledge of Russian culture was based on propaganda and rumour, and their knowledge of the West was no better. When the Soviet Union fell, Russians began to travel to America more regularly, and what they discovered was a very different place to the one they had imagined, but, at the same time, not exactly the one that Americans think they know. This collection of beautifully written and entertaining literary essays by a wide range of Russian writers - young and old, funny and sombre, angry and celebratory, many being translated for the first time - offers readers a unique chance to see Americans in a whole new light, to question how the American dream stands up to the American reality, and to experience the wit and generosity of today's Russian writers.

My First Russian Book. Russian-English Book for Bilingual Children Anna Young, 2021-03-16 Start raising bilingual children the fun, easy way! Your child is a few pages away from reaping the benefits of bilingualism: a sharper brain + improved language skills. Among the best dual language

children's books to jumpstart your little one's learning journey, this bilingual book is a treasure trove for families who are bringing up a bilingual child. Specifically created for ages 0-5, whose primary language is non-Russian Includes 100+ words on different topics to maximize your child's bilingual ability With bright and memorable illustrations to capture and keep the attention of young learners Printed in Russian and English with phonetic transcription, so non-Russian parents can still read the book to their child

Inside the Russian Revolution Mrs. Rheta Childe Dorr, Rheta Childe Dorr, 1917

Specimens of the Russian Poets John Bowring, 1821

A Companion to the Russian Revolution Daniel Orlovsky, 2020-10-19 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one-sixth of the world. It altered the geo-political landscape of not only Eurasia, but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity— the causes and meanings of revolution are many, as is reflected in contemporary scholarship on the subject. A Companion to the Russian Revolution offers more than thirty original essays, written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism, and more. Although primarily focused on 1917 itself, and the singular Revolutionary experience in that year, this book also explores time-periods such as the First Russian Revolution, early Soviet government, the Civil War period, and even into the 1920's. Presents a wide range of original essays that discuss Brings together in-depth coverage of political history, party history, cultural history, and new social approaches Explores the long-range causes, influence on early Soviet culture, and global after-life of the Russian Revolution Offers broadly-conceived, contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject, and a valuable resource for those interested in Russian, Late Imperial, or Soviet history as well as anyone interested in Revolution as a global phenomenon.

Four Great Russian Plays Anton Chekhov, 2012-04-26 From the golden age of Russian theater: The Inspector General by Gogol; Chekhov's The Cherry Orchard; Gorky's The Lower Depths; and A Month in the Country by Turgenev.

The Routledge Companion to Russian Literature Neil Cornwell, 2001 An engaging and accessible guide to Russian writing of the past thousand years covering the entire span of Russian literature, from the Middle Ages to the post-Soviet period, and exploring all the forms that have made it so famous.

Misunderstanding Russia Magda Leichtova, 2016-07-22 Well argued and balanced, Leichtova provides an alternative and more constructive understanding of what drives Russian foreign policy. The book is based on the concepts of constructivism and orientalism in international relations to analyse the policies of the Russian Federation. This book highlights that Russian foreign policy is a complex phenomenon constructed from internal as well as external developments, perceptions and expectations. At the same time, it also highlights that Western states are the most significant Other in construction of the Russian foreign policy and even Russian identity and, at the same time, actively create an 'image of Russia' in international politics which is widely based on their own Western assumptions about the country. The author introduces the reader to an alternate portrayal of relations between Russia and the West which all analysts should take into consideration before drawing conclusions.

An Anthology of Russian Literature from Earliest Writings to Modern Fiction Nicholas Rzhevsky, 2005 The literary works selected for inclusion in this anthology introduce the core cultural and historical themes of Russian civilization. Each text has resonance throughout the arts.

They are supported by introductions, annotations, bibliographies of resources, and a companion multimedia CD that brings the anthology's cultural references to life.

A Very Russian Christmas Mikhail Zoshchenko, Anton Chekhov, Fyodor Dostoyevsky, Lev Tolstoy, Vladimir Korolenko, Klaudia Lukashevich, Maxim Gorky, Teffi, 2016-09-26 A collection of short Christmas stories by some of Russia's greatest nineteenth and twentieth century authors—several appearing in English for the first time. Running the gamut from sweet and reverent to twisted and uproarious, this collection offers a holiday feast of Russian fiction. Dostoevsky brings stories of poverty and tragedy; Tolstoy inspires with his fable-like tales; Chekhov's unmatched skills are on full display in his story of a female factory owner and her wretched workers; Klaudia Lukashevitch delights with a sweet and surprising tale of a childhood in White Russia; and Mikhail Zoshchenko recounts madcap anecdotes of Christmas trees and Christmas thieves in the Soviet Era—a time when it was illegal to celebrate the holiday in Russia. There is no shortage of imagination, wit, or vodka on display in this collection that proves, with its wonderful variety and remarkable human touch, that nobody does Christmas like the Russians.

Russian Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Russian**, a literary masterpiece that delves deep into the significance of words and their impact on our lives.
