Jonah Lisa Dyer, Stephen Dyer

**Fever Season** Barbara Hambly,1999-05-04 Benjamin January made his debut in bestselling author Barbara Hambly's *A Free Man of Color*, a haunting mélange of history and mystery. Now he returns in another novel of greed, madness, and murder amid the dark shadows and dazzling society of old New Orleans, named a Notable Book of the Year by the New York Times. The summer of 1833 has been one of brazen heat and brutal pestilence, as the city is stalked by Bronze John—the popular name for the deadly yellow fever epidemic that tests the healing skills of doctor and voodoo alike. Even as Benjamin January tends the dying at Charity Hospital during the steaming nights, he continues his work as a music teacher during the day. When he is asked to pass a message from a runaway slave to the servant of one of his students, January finds himself swept into a tempest of lies, greed, and murder that rivals the storms battering New Orleans. And to find the truth he must risk his freedom...and his very life.

**Hurricane Season** Fernanda Melchor,2020-10-06 The English-language debut of one of the most thrilling and accomplished young Mexican writers Winner of the Queen Sofía Spanish Institute's Translation Prize Longlisted for the National Book Award Shortlisted for the Booker Prize Winner of the Internationaler Literaturpreis New York Public Library Best Books of 2020 Chicago Public Library Best Book of 2020 *The Witch is dead*. And the discovery of her corpse has the whole village investigating the murder. As the novel unfolds in a dazzling linguistic torrent, with each unreliable narrator lingering on new details, new acts of depravity or brutality, Melchor extracts some tiny shred of humanity from these characters—innies whom most people would write off as irredeemable—forming a lasting portrait of a damned Mexican village. Like Roberto Bolaño's *2666* or Faulkner's novels, *Hurricane Season* takes place in a world saturated with mythology and violence—real violence, the kind that seeps into the soil, poisoning everything around: it's a world that becomes more and more terrifying the deeper you explore it.

**The Bone Season** Samantha Shannon,2023-08-22 THE TENTH ANNIVERSARY SPECIAL EDITION, FULLY UPDATED WITH NEW MATERIAL A lavishly reimagined tenth anniversary edition of the first novel in the sensational Bone Season series, by the Sunday Times and New York Times-bestselling author of *The Priory of the Orange Tree*. **The Madness Season** C.S. Friedman,1990-10-03 Three hundred years had passed since the Tyr conquered the people of Earth as they had previously overcome numerous races throughout the galaxy. In their victory they had taken the very heart out of the human race, isolating the true individualists, the geniuses, all the people who represented the hopes, dreams, and discoveries of the future, and imprisoning them in dome colonies on planets hostile to human life. There the Tyr, a race which itself shared a unified gestalt mind, had left these gifted individuals to work on projects which would, the conquerors hoped, reveal all of human kind's secrets to them. Yet Daetrin's secret as one no scientist had ever uncovered, for down through the years he had succeeded in burying it so well that he had even hidden his real nature from himself. But, taken into custody by the Tyr, there was no longer any place left for Daetrin to run, no new name and life for him to assume. Now he would at last be forced to confront the truth about himself—and if he failed, not just Daetrin but all humans would pay the price...

While Ty manages their herd of dairy cows, Betsy busies herself with the farm's day-to-day operations and tries to forget her dream of motherhood. But when her free-spirited sister, Jenna, drops off her two young daughters for “just two weeks,” Betsy's carefully constructed wall of self-protection begins to crumble. As the two weeks stretch deeper into the Alabama summer, Betsy and Ty learn to navigate the new additions in their world—and revel in the laughter that now fills their home. Meanwhile, record temperatures promise to usher in the most active hurricane season in decades. Attending an art retreat four hundred miles away, Jenna is fighting her own battles. She finally has time and energy to focus on her photography, a lifelong ambition. But she wonders how her rediscovered passion can fit in with the life she's made back home as a single mom. But when Hurricane Ingrid aims a steady eye at the Alabama coast, Jenna must make a decision that will change her family's future, even as Betsy and Ty try to protect their beloved farm . . . and their hearts. Joy Preston misses her beloved late grandmother dearly. But when she learns the terms of Nana's will, she's shocked--and more than a little irked. Joy moved to Colorado years ago and is now CEO of a successful nail polish company. Her life and career are in Denver. How can Nana have expected her to give that up, even temporarily, to take over a bed and breakfast in North Carolina for six months? The B&B is always elaborately decorated for the season, with themed guest rooms and dazzling lawn displays created for the annual Parade of Homes competition. The entire town takes part in the festivities, and soon Joy, too, is joining in the gingerbread house contest and letting her reservations melt away. There's another special reason for Heart and Soul's popularity. Rumor has it that, during holiday season, guests can be reunited with the spirit of a loved one who's passed on. Joy's skeptical, yet she feels her beloved Nana's influence all around her . . . perhaps even indulging in a little matchmaking between Joy and handsome estate attorney Will Drake. *Flight Season* Marie Marquardt, 2018-02-20 From Marie Marquardt, the author of *Dream Things True* and *The Radius of Us*, comes a story of two teenagers learning what to hold on to, what to let go of, and that sometimes love gets in the way of our plans. Back when they were still strangers, TJ Carvalho witnessed the only moment in Vivi Flannigan's life when she lost control entirely. Now, TJ can't seem to erase that moment from his mind, no matter how hard he tries. Vivi doesn't remember any of it, but she's determined to leave it far behind. And she will. But when Vivi returns home from her first year away at college, her big plans and TJ's ambition to become a nurse land them both on the heart ward of a university hospital, facing them with a long and painful summer together – three months of glorified babysitting for Ángel, the problem patient on the hall. Sure, Ángel may be suffering from a life-threatening heart infection, but that doesn't make him any less of a pain. As it turns out, though, Ángel Solís has a thing or two to teach them about all those big plans, and the incredible moments when love gets in their way. Written in alternating first person from the perspectives of all three characters, *Flight Season* is a story about discovering what's really worth holding onto, learning how to let go of the rest, and that one crazy summer that changes your life forever.
