

Serial

Blaine L. Pardoe,Victoria R. Hester

Serial Bibliographies for Medieval Studies Richard H. Rouse,2022-05-13 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1969.

Tantamount Blaine L. Pardoe,Victoria R. Hester,2019-10-01 A cold case investigation of a notorious serial killer who terrorized 1970s Washington D.C. by the New York Times bestselling true crime coauthors. In 1971 and 1972, a deadly predator stalked the streets of the nation's capital. His targets were young girls whose fates included rape and torture before their brutalized corpses were left in plain view along busy roadways. Seven victims ranging from the ages of ten to eighteen died in his hands. On one victim he left a note, taunting police and claiming the media's name for him: The Freeway Phantom. Then, as abruptly as he started, the Freeway Phantom stopped. Decades later, Washington DC's oldest unsolved serial killing spree is pried open with the suspects, the liars, and the evidence laid bare. Father-daughter true crime investigators Blaine Pardoe and Victoria Hester shed new light and provide tantalizing new clues as to who the Freeway Phantom may be.

The Professional Serial Killer and the Career of Ted Bundy Bonnie M. Rippo Psy. D.,2007-02-13 In the pages of *The Professional Serial Killer and the Career of Ted Bundy*, you will find yourself eerily intrigued as the serial killer introduces himself to you. Say hello to your neighbor, partner, son, or daughter-whose dual identity now includes the facade of Politician, Clergyman, Lawyer, Contractor, or Compliance Officer. Your imagination will spark as you slowly but gradually become enamored to the serial killer's ingenuity, as an entrepreneur in the art of murder. Now that you are chillingly mesmerized by his charm, the serial killer takes great pleasure in his sting operation. Thrilled as he passionately and addictively perfects his art, the killer creatively refines his ruse for capturing his victims. In order to inflict the highest level of horror and pain each scene is designed to give the killer an ultimate high of sadistic pleasure. As you reel back and forth, from the disdain you feel for the killer, a sudden and unsuspecting sinking feeling erupts through your very being. The sensation that this is not a horror movie, illuminates your mind, and grasps your fascination with the question: How did this happen? A more intriguing question may be: When did this start? You may want to ask three-year old Ted Bundy.

Adnan's Story Rabia Chaudry,2016-08-09 With intimate details and newly-uncovered evidence *Adnan's Story* goes beyond what the hit podcast *Serial* covered in its investigation of Adnan Syed's

case.

Shakespeare's Serial Returns in Complex TV Christina Wald, 2020-11-13 This book examines how Shakespeare's plays resurface in current complex TV series. Its four case studies bring together *The Tempest* and the science fiction-Western *Westworld*, *King Lear* and the satirical dynastic drama of *Succession*, *Hamlet* and the legal thriller *Black Earth Rising*, as well as *Coriolanus* and the political thriller *Homeland*. The comparative readings ask what new insights the twenty-first-century remediations may grant us into Shakespeare's texts and, vice versa, how Shakespearean returns help us understand topical concerns negotiated in the series, such as artificial intelligence, the safeguarding of democracy, terrorism, and postcolonial justice. This study also proposes that the dramaturgical seriality typical of complex TV allows insights into the seriality Shakespeare employed in structuring his plays. Discussing a broad spectrum of adaptational constellations and establishing key characteristics of the new adaptational aggregate of serial Shakespeare, it seeks to initiate a dialogue between Shakespeare studies, adaptation studies, and TV studies.

Ted Bundy Al Cimino, 2019-05-15 On first impressions, Ted Bundy seemed like the perfect all-American boy. He was good-looking, fun and very charming; many women found him irresistible... But deep inside he was an evil monster who terrorised large areas of America, assaulting and murdering numerous women and adolescent girls. He used his insider knowledge of law enforcement to evade detection, escaping from imprisonment twice before his eventual capture. While he confessed to 30 killings, the real figure was probably much higher and many of the bodies have never been found. Crime writer and journalist Al Cimino delves into this astonishing and tragic tale, providing a detailed account of Bundy's crimes and the twisted manipulations of his victims. This is the story of a chameleon-like psychopath and necrophile who lured innocent victims to a horrible end.

E-series Wayne Jones, Jim Cole, 2003 This new edition of the seminal 1998 volume gives you a comprehensive overview of the world of e-series in one compact volume! With new contributions and updated chapters from authorities in their respective fields, this book covers publishing, pricing, copyright, acquisitions and collection development, cataloging and metadata, preservation and archiving, projects and innovations, indexing, uniform resource identifiers, and citation.

Implementing Online Union Lists of Serials Ruth C. Carter,James D Hooks,2019-12-06 This book, first published in 1989, is a comprehensive look at PaULS, the Pennsylvania Union List of Serials. The editors, both of whom have extensive experience with online union listing, have collected the previously published articles recording the development and implementation of PaULS; compiled new articles representing updated perspectives; provided the PaULS procedure manual; and included an annotated bibliography of literature about online union listing. Contributors to this fascinating volume describe extensive union listing activities of West Virginia University, a special library, Calgon Corporation, and a regional consortia, the Lehigh Valley Association of Independent Colleges.
