EDA Directory of Approved Projects United States. Economic Development Administration,  
Faustian Bargains Joan Mellen,2016-09-13 Lyndon Johnson and Mac Wallace crossed paths only briefly; but Wallace’s life, especially one violent episode and its intricate aftermath, illuminates the dark side of our 36th president. Perhaps no president has a more ambiguous reputation than LBJ. A brilliant tactician, he maneuvered colleagues and turned bills into law better than anyone. But he was trailed by a legacy of underhanded dealings, from his “stolen” Senate election in 1948 to kickbacks he artfully concealed from deals engineered with Texas wheeler-dealer Billie Sol Estes and defense contractors like his longtime supporter Brown & Root. On the verge of investigation, Johnson was reprieved when he became president upon JFK’s assassination. Among the remaining mysteries has been LBJ’s relationship to Mac Wallace who, in 1951, shot a Texas man having an affair with LBJ’s loose-cannon sister Josefa, also Wallace’s lover. When arrested, Wallace coolly said I work for Johnson . . . I need to get back to Washington. Charged with murder, he was overnight defended by LBJ’s powerful lawyer John Cofer, and though convicted, amazingly received a suspended sentence. He then got high-security clearance from LBJ friend and defense contractor D.H. Byrd, which the Office of Naval Intelligence tried to revoke for 11 years without success. Using crucial Life magazine and Naval Intelligence files and the unredacted FBI files on Mac Wallace, never before utilized by others, investigative writer Joan Mellen skillfully connects these two disparate Texas lives and lends stark credence to the dark side of Lyndon Johnson that has largely gone unsubstantiated.

**Who Do You Serve, Who Do You Protect?** Maya Schenwar,Joe Macaré,Alana Yu-lan Price,2016-05-30 Essays and reports examining the reality of police violence against Black and brown communities in America. What is the reality of policing in the United States? Do the police keep anyone safe and secure other than the very wealthy? How do recent police killings of young Black people in the United States fit into the historical and global context of anti-blackness? This collection of reports and essays (the first collaboration between Truthout and Haymarket Books) explores police violence against Black, brown, indigenous, and other marginalized communities, miscarriages of justice, and failures of token accountability and reform measures. It also makes a compelling and provocative argument against calling the police. Contributions cover a broad range of issues including the killing by police of Black men and women, police violence against Latino and indigenous communities, law enforcement’s treatment of pregnant people and those with mental illness, and the impact of racist police violence on parenting. There are also specific stories such as a Detroit police conspiracy to slap murder convictions on young Black men using police informant, and the failure of Chicago’s much-touted Independent Police Review Authority, the body supposedly responsible for investigating police misconduct. The title Who Do You Serve, Who Do You Protect? is no mere provocation: the book also explores alternatives for keeping communities safe. Contributors include William C. Anderson, Candice Bernd, Aaron Cantú, Thandi Chimurenga, Ejeris Dixon, Adam Hudson, Victoria Law, Mike Ludwig, Sarah Macaraeg, and Roberto Rodriguez. Praise for Who Do You Serve, Who Do You Protect? “With heartbreaking, glass-sharp prose, the book catalogs the abuse and destruction of Black, native, and trans bodies. And then, most importantly, it offers real-world solutions.” —Chicago Review of Books “A must-read for anyone seeking to understand American culture in the present day.” —Xica Nation “This brilliant collection of essays, written by activists, journalists, community organizers and survivors of state violence, urgently confronts the criminalization, police violence and anti-Black racism that is plaguing urban communities. It is one of the most important books to emerge about these critical issues: passionately written with a keen eye towards building a world free of the cruelty and violence of the carceral state.” —Beth Richie, author of Arrested Justice: Black Women, Violence, and America’s Prison Nation
