**Shift** Hugh Howey,2016 In 2007, the Center for Automation in Nanobiotech (CAN) outlined the hardware and software platform that would one day allow robots smaller than human cells to make medical diagnoses, conduct repairs, and even self-propagate. In the same year, the CBS network re-aired a program about the effects of propranolol on sufferers of extreme trauma. A simple pill, it had been discovered, could wipe out the memory of any traumatic event. At almost the same moment in humanity's broad history, mankind had discovered the means for bringing about its utter downfall. And the ability to forget it ever happened. This is the sequel to the New York Times best-selling Wool series.

**Shift** Derek Deprey,2017-03 What's your next move? Every day, we move in one direction or another. We're free to choose from endless possibilities. Only you can choose the direction for the rest of your life. Now is the time for you to SHIFT from, I'm so busy and stressed, to, I'm living my ideal life right now. It's your next move!

**SHIFT: How Top Real Estate Agents Tackle Tough Times (PAPERBACK)** Gary Keller,Dave Jenks,Jay Papasan,2008-07-31 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BUSINESS BESTSELLER USA TODAY MONEY BESTSELLER Tough times make or break people. Shift is rich in easy-to-understand strategies, charts, and illustrations that show you exactly what you need to do to thrive in today's very challenging and 'shifted' real estate market. --Bernice Ross, Inman News The Millionaire Real Estate Series More than 1,000,000 copies sold! SHIFTS happen... Markets shift, and you can too. Sometimes you'll shift in response to a falling market, and other times you'll shift to take your business to the next level. Both can transform your business and your life. You can change your thinking, your focus, your actions, and, ultimately, your results to get back in the game and ahead of the competition. The tactics that jump-start your business in tough times will power it forward in good times. No matter the market-shift! SHIFT explores twelve proven strategies for achieving success in any real estate market, including Master the Market of the Moment: Short Sales, Foreclosures, and REOs Create Urgency: Overcoming Buyer Reluctance Re-Margin Your Business: Expense Management Find the Motivated: Lead Generation Expand the Options: Creative Financing

Shift Peter Arnell,2010-06-15 Little changes can make a big difference. When some of the world's biggest corporations need to revive their brands, innovate products, and rethink their images, they call Peter Arnell. Now in his fourth decade of branding and marketing for such companies as Samsung, Reebok, DKNY, GNC, and Pepsi, Arnell explains how you can use some of the same strategies that famous brands do, in order to improve your own image, life, and career. Arnell knows this firsthand because he applied many of these same strategies to transform his own life by losing 256 pounds. How did he do it? Arnell created an idea he calls Shift. With Shift, you'll discover the steps you need to take in order to become the best you. Creating and revitalizing brands happens every day in business. Shift shows how you can make it happen for yourself and your personal brand. Innovative insights such as “go helium” are used by Arnell to explain how he reached his ultimate goal of 150 pounds—you can apply his techniques to reach for your own goals. You will see-through Arnell's description of how he “went tiger”—how to exercise your own discipline and commitment, without apology, even if that means bucking the norm. And by learning to reach out to your brand audience, you will come to understand the importance of your network of friends, acquaintances, colleagues, and family—your fan club— in keeping you motivated and providing the feedback you need for success. Weaving together personal stories of his own transformation with stories about how he created transformative change for brands such as Reebok and Pepsi, Arnell shares his unique vision on how each of us can rebrand and transform ourselves, both personally and professionally, to achieve the success we desire. PETER ARNELL, founder of Arnell, is one of the foremost branding and design experts in the world. Among the companies he and his team have worked with are DKNY, Samsung, Chanel, Reebok, Mars, Pepsi, Home Depot, GNC, De Tomaso, Fendi, Mikimoto, Special Olympics and Con Edison. He and his family live in Westchester County, New York.

**Shift** Brian Haynes,2009 Whether you're just getting started ministering to families or you've got a full-blown family ministry, Shift helps you equip parents to become spiritual leaders in their homes.

From Drift to Shift Jody B. Miller,2017-04-18 The popular work happiness expert offers inspiration and insight into dealing with life's obstacles by finding a new path to happiness and fulfillment. In one form or another, change comes to all of our lives—often in way we couldn't expect, catching us off-guard and leading to feelings of helplessness. In From Drift to Shift, Jody Miller collects inspiring true stories of people who faced unexpected obstacles and struggles only to change course, discover their passions, and come out on top of their lives with a renewed sense of self. “There come multiple points in life when we have to make a shift in order to find true happiness and purpose, regardless of what others think. Whether you are a CEO or a stay-at-home parent, the stories in From Drift to Shift will inspire you toward an optimism that comes from facing your demons, your challenges, and the roadblocks along your path” (Brad Feld, from the introduction).

The Shift Gary Foster, PhD,2021-10-05 The Shift is not about what to eat or not eat. It's not about when to eat. It's about building thinking habits, proven through science, that help you lose weight. There are so many myths surrounding weight loss: Setbacks mean failure. Big results require big goals. You need to power through alone. You have to hate your body to lose weight. Happiness awaits you only at the end of the journey. All of these are untrue, unhelpful—and actually undermine long-

term weight loss. Dr. Gary Foster's 7 Mindset Shifts show you how to—and why you should—treat yourself in a way that feels better and primes you for likelier success. His argument and the techniques in each chapter, built on years of research and breakthroughs in cognitive behavioral therapy and positive psychology, can lead to results on the scale—but, more important, in your own thinking. The Shift flips old-fashioned weight-loss theory on its head, training you to recognize when your thinking is taking you away from your goals, to focus on action rather than outcome, and to value non-scale victories more than the number on the digital display. It's evidence-based motivation—and it really works! The 7 Mindset Shifts include treating yourself with compassion, leaning into your strengths, appreciating the power of small steps (and more frequent rewards), finding your people, and truly relaxing into happiness and gratitude. "Diet thinking" isn't habit-forming; mindset shifts are. And muscular yet kind mental habits, like the ones found in The Shift, are key to long-term, positive change.

**Shift** Rachel Vincent, 2010-02-17 A werecat warrior and her fearsome pride face an unexpected new enemy as this action-packed shapeshifter series continues. Being the first female werecat enforcer isn't easy. But while scars accumulate, I'm also getting stronger in so many ways. As for my personal life? It's complicated. Choices worth making always are. Ever since my brother's death and my father's impeachment, it's all I can do to prevent more blood from spilling. Now our pride is under attack by a flight of vicious thunderbirds. And making peace with our new enemies may be the only way to get the best of our old foe. With the body count rising and treachery everywhere, my instincts tell me to look before I leap. But sometimes a leap of faith is the only real option. . . .

**Dust** Hugh Howey, 2016 Wool introduced the world of the silo. Shift told the story of its creation. Dust will describe its downfall.

**Shift!** Craig Elias, Tibor Shanto, 2010-06-25 There is a silver bullet in sales its called timing when you get to highly motivated decision makers at EXACTLY the right time: after they experience a Trigger Event BUT before they call your competition. When you have the right timing the sale almost happens by itself There are few challenges getting to the prospect, understanding their dissatisfaction, presenting a solution, or closing the sale. By luck or sheer numbers youve had timing happen before, not its time to make it happen again, and again, and again. ... simple but profound truths that will help you leverage intent for immediate action and cut down the selling cycle, while creating lasting bonds with customers. Stephen M.R. Covey, author of the New York Times and #1 Wall Street Journal bestseller The Speed of Trust ... an entirely new perspective on things that are hiding in plain sight for all sales professionals. Well done! Kevin Fancey, Senior Vice President of Sales, Ricoh Canada Inc By combining the power of relationships with timing - what Elias and Shanto call Trigger Events - the authors present a powerful sales strategy... Keith Ferrazzi, #1 NYT Bestselling author of Who's Got Your Back and Never Eat Alone Elias and Shanto have brought referrals into the 21st Century, showing you how to capitalize on the key moments that will bring you success in a busy, fast-paced world. This is a must read! Ivan Misner, NY Times Bestselling author and Founder of BNI and the Referral Institute

**Shift** Tracy Latz, Marion Ross, 2008-02-21 Stuck = caught or held in a position from which it is impossible to move; not able to find a solution or way out of a situation Are you feeling stuck? In your circumstance? In your relationship? In your physical condition? In your life? Would you like to remove the obstacles in your path that prevent a more joyful flow in your life? Are you frustrated with an inability to put well-meaning concepts described in popular books and film to positive benefit in your life? This book is for anyone, like us, who has ever felt blocked in their ability to move forward, an inner restlessness, an emptiness, or a sense that there must be more to life than their experience up until this moment. Essentially, this book is for anyone who is interested in overcoming the hurdles which keep us stuck or prevent us from moving forward. The 12 Keys will give you the resources to understand why you are stuck and explain how you can make different choices to begin moving in your life.

**The Shift** Lynda Gratton, 2014 We are now facing a revolution in the way we work. This is not just about the impact that a low carbon economy will have on the way we work. It is also about how the nexus of technology and globalisation will work together with demographic and societal changes to fundamentally transform much of what we take for granted about work.

**Agility Shift** Pamela Meyer, 2016-11-03 As contrary as it sounds, planning -- as we traditionally understand the term--can be the worst thing a company can do. Consider that volatile weather events disrupt trusted supply chains, markets, and promised delivery schedules. Ever-shifting geo-political tensions, as well as internal political upheaval within U.S. and global governments, derail long-planned new ventures. Technology failures block opportunities. Competitors suddenly change their product or release date; your team cannot meet the pace of innovations in your market niche, leaving you sidelined. There are myriad ways in the current business environment for a company's well-considered business plans to go awry. Most business schools continue to prepare managers to be effective in stable and predictable environments, conditions that, if they ever existed at all, are long gone. The Agility Shift shows business leaders exactly how to make the radical mindset and strategy shift necessary to create an agile, entrepreneurial organization that can innovate and thrive in complex, ever-changing contexts. As author Pamela Meyer explains, there is much more involved than a reconfiguration of the org chart and job descriptions. It requires relinquishing the illusion of control at the very foundation of most management training and business practice. Despite most leaders' approaches, Agility is not simply accelerated planning. Unlike many agility books on the market, The Agility Shift provides specific, actionable strategies and tactics for leaders at all levels of the organization to put into practice immediately to improve agility and achieve results.

**Filter Shift** Sara Taylor, Joel Comm, 2016-12-13 Work through the biases that hinder your ability to effectively communicate across race, genders, generations, sexual orientation, and political ideology. Filter Shift describes the notion of unconscious filters: how we create them, how we perceive the world through them, and how

they control us. The vast majority of us are persistently held back by our unconscious biases and misperceptions, even with the best of intentions. Filter Shift explores the unseen dynamics that get in the way, providing a series of blueprints for success. “Using a language that is easy to adapt and models that drive home concepts, Filter Shift provides a foundation for understanding how our filters impact our interactions, and thereby, our ability to perform and interact with others in a positive way.” –Myrna Marofsky, author of The Art of Diversity Training “In the quest for increasing cultural competence for workplace effectiveness, it is rare to find a skillful, articulate coach like Sara Taylor.” –Donna Rae Sheffert, Leadership and Management Consultant
