Sidewinder Ron Westrum,2013-08-15 In the mid-1950s a small group of overworked, underpaid scientists and engineers on a remote base in the Mojave Desert developed a weapon no one had asked for but everyone in the weapons industry desired. This is the story of how that unorthodox team, led by visionary Bill McLean, overcame U.S. Navy bureaucracy and other more heavily funded projects to develop the world's best air-to-air missile. Author Ron Westrum examines that special time and place—when the old American work ethic and “can do” spirit were a vital part of U.S. weapons development—to discover how this dedicated team was able to create a simple and inexpensive missile. Today, many decades after its invention, the Sidewinder missile is still considered one of the best that America has to offer. In a time of billion-dollar weapons development contracts, astronomical cost overruns, and defense acquisitions scandals, this revealing, highly readable tale about one of the most successful weapons in history should be of interest to anyone concerned with national security.=

Sidewinder Jory Sherman,2009-12-01 Cattle rancher Brad Storm was tracking one of his herd when fate set him within the lethal striking distance of a rattlesnake. Bitten and poisoned, he sent the serpent to meet its maker but then lost consciousness. Saved by a Hopi medicine man who believes Brad has inherited the spirit of the snake, he is given a new name—Sidewinder—and a totem to wear around his neck, the rattle of his attacker. Brad doesn't believe in spirits and just wants to put the incident—and Native American superstitions—behind him. But when rustlers torch his ranch, steal his cattle, and kidnap his wife, Brad embraces his new identity as he embarks on a trail of revenge.

The Floating Outfit 13 J.T. Edson,2017 Fast and deadly as a snake which gave him his name, Sidewinder, the limping Comanche war chief, rampaged across Texas and threatened the peace between his people and the white men. Only a man with a tremendous knowledge of the Comanche could hope to prevent Sidewinder from endangering the whole Comanche nation with his policy of burning, killing and looting, which would inevitably bring retaliation from infuriated Texans and U.S. Army personnel. The Ysabel Kid was such a man He knew Sidewinder well, and it was his knife which had crippled the chief in a boyhood fight. So when the Kid took up Sidewinder's trail, he knew it could only end when one of them lay dead.

Sidewinder Mike Dunn,1991

Sidewinder Daniel Foster,2015-04-01 Either Kate's love was worth nothing to Thomas... or maybe it was worth everything. Maybe it was worth enough to commit murder. Pictures don't lie, even when they accuse a loving, devoted husband of murder. Thomas was a brilliant detective, but his last case was never solved because it ended with his disappearance. The reason now seems clear, but Kate won't believe it. She can't. And she'll prove his innocence, no matter what the cost. Corruption and deceit cloud her way, but in the middle of it, she finds the most unlikely person - a homeless boy who clings to her like the child she and Thomas never had. Perhaps she and the boy can survive the truth together. Maybe they can mend the tatters of one another's hearts.

Sidewinder Marcella Haddad,2023-06-26 In SIDEWINDER, a small desert town wrestles with the arrival of mysterious strangers and their prophetic portent: that a prehistoric monster is on its way to devour their home. Seja Arantija is both a watcher, tasked with protecting their city, as well as the descendent of a line of future-tellers. Tormented with new discoveries about

their mother's past and their own destiny, Seja must decide for their city whether to uproot everything for survival or face the potential wrath of the approaching horrors.

Shock & Awe Abigail Roux,2013-11-11 After barely surviving a shootout in New Orleans, Sidewinder medic Kelly Abbott has to suffer through a month of recovery before he can return home to Colorado. He's not surprised when fellow Sidewinder Nick O'Flaherty stays with him in New Orleans. Nor is he surprised when Nick travels home with him to help him get back on his feet – after all, years on the same Marine Force Recon team bonded the men in ways that only bleeding for a brother can. He's very surprised, though, when Nick humors his moment of curiosity and kisses him. Nick knows all of Kelly's quirks and caprices, so the kiss was a low-risk move on his part...or so he thought. But what should've been a simple moment unleashes a flood of confusing emotions and urges that neither man is prepared to address. Now, Kelly and Nick must figure out what they mean to each other – friends and brothers in arms, or something even deeper? – before the past can come back to ruin their tenuous future.

Operation Sidewinder Sam Shepard,1970 A political allegory on the the dehumanising effects of American technology. An Air Force computer in the form of a huge snake escapes into the American forest and becomes the focal point for specific forces.

Sidewinders Patrick Perish,2019-01-01 S-shaped markings trail behind a rattlesnake scaling a tall desert dune. It is a sidewinder making its characteristic climb! These snakes have developed a special way of moving so only two small areas of their bodies touch the scalding hot sand at a time. Readers will be slithering their way through the pages of this informative title about the desert adaptations of sidewinders!

Sidewinders William W. Johnstone,J.A. Johnstone,2008-09-01 First in the blazing Western series featuring two reluctant heroes from the bestselling authors of the First Mountain Man and Last Gunfighter novels. In frontier literature, the name "Johnstone" means big, hard-hitting Western adventure told at a breakneck pace. Now, the bestselling authors kick off a rollicking, dramatic new series—with the first novel about a pair of not-quite-over-the-hill drifters winding their way across the American west—mostly on the right side of the law . . . but sometimes, if the situation calls for it, on the wrong side . . . Meet Scratch Morton and Bo Creel, two amiable drifters and old pals. Veterans of cowboying, cattle drives, drunken brawls, and a couple of shoot-outs, Scratch and Bo are mostly honest and don't go looking for trouble—it's usually there when they wake up in the morning. Now, in remote Arizona Territory, they're caught up in a battle between two stagecoach lines. The owner of one, a beautiful widow, has gotten both Scratch and Bo hot and bothered—each trying to impress her as they fend off the opposing stage line trying to destroy her. But nothing is what it seems in this fight, and two tough sidewinders are riding straight into a trap. Praise for the novels of William W. Johnstone "[A] rousing, two-fisted saga of the growing American frontier."—Publishers Weekly on *Eyes of Eagles* "There's plenty of gunplay and fast-paced action."—Curled Up with a Good Book on *Dead Before Sundown*

Sidewinder Precision Pro Douglas Porter,2016-06-21 Orphaned by bandits on a

failing colony world, Marilee had nothing to lose when she was offered the chance to pilot a fighting spaceship. Soon she learned how slim the chances of survival were – no more than even odds of living past the first minute of her first fight. Somehow she managed to survive a day at a time; but how long could her sanity hold out when every day brought the risk of instant death?
