The Slovaks Peter P. Jurchak,1946 Geared towards American readers, this book is a series of historical and biographical narratives about the Slovak people and their culture.

Illustrated Slovak History Anton Špiesz,Dušan Čaplovič,2006 Little contemporary scholarship on Slovak history exists in English. This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries. It presents the history of Slovakia in terms of the latest scholarship and in the context of on-going historical debate about Slovak history and its presentation in post-socialist world. Extensive footnotes by scholars, 350 color illustrations, Index, Bibliography, Foreword and Epilogue.

The Slovak Dilemma Eugen Steiner,Steiner,1973-05-10 The Slovak Dilemma is a case-study in nationalism. Accepting the view that the four and a half million Slovaks who inhabit the eastern part of Czechoslovakia are a separate Slav ethnic group, Dr Steiner describes their position in Czechoslovak history, their role

in political life, the extraordinary persistence and continuing frustration of their national aspirations. After a brief survey of the history of the Slovaks under Hungarian rule, Dr Steiner examines their position in the democratic Czechoslovak Republic which was established in 1918. He analyses the causes of Slovak discontent and shows that although the new constitution granted full expression to Slovak culture, it limited complete development of Slovak national rights. Nevertheless he suggests that Slovak separatism played little part in the dismemberment of Czechoslovakia in 1938 and that the real attitude of the people towards Hitler's puppet Slovak State was eloquently expressed in their tragic rising against it in August 1944.

The Slovak National Awakening Peter Brock, 1976-12-15 The Slovaks lived under Hungarian rule for centuries, with no clear sense of political separateness, preserving Slovak as their spoken language, but using Czech as their written language. In the last decades of the 18th and the first half of the 19th centuries, the efforts made by clerical intellectuals to develop a language more closely attuned to Slovak needs led to the rise of Slovak nationalism. The Slovak National Awakening describes the three major stages in the development of national consciousness. In the 1780s Catholic intellectuals began to write in the vernacular; a Catholic priest, Bernolák, produced a Slovak grammar and dictionary and an influential treatise in defence of Slovak as a language separate from Czech. However, while Slovak ethnic distinctness was being asserted, the sense of belonging to the Hungarian nation was not questioned. The next steps were taken by the Protestant intelligentsia, who had been pro-Czech since the Reformation. Influenced by German concepts of linguistic nationalism, they began to assert Slovak cultural and linguistic separateness, but still within the political framework of the Hungarian State. The third stage in the Slovak Awakening came in the mid-1840s when a group of young Protestant intellectuals, led by L'udovít Štúr, rejected their predecessors' 'Czechoslovakism'

and advocated a Slovak language and a Slovak nationality. In 1851, the Catholic Bernolákites and the Protestant Štúrites were able to agree on the language that became the basis of modern Slovak. This study of the relation between language and nationalism will appeal to specialists in European history and will be of interest for the light it throws on modern separatists and anti-imperialist movements.

Slovaks of Chicagoland Robert M. Fasiang, Robert Magruder, 2014 An engaging pictorial history of the Slovak community in Chicagoland, documenting their journeys and struggles through rare and vintage images. The story of Slovak Americans in Chicagoland is a tale of the American dream. In a few short years, emigrants from Slovakia with little to their names came to the United States and succeeded beyond their highest hopes. This fascinating story of rags to riches has been documented in historical photographs in *Images of America: Slovaks of Chicagoland*. Many Slovaks came to America with few assets, no more than a sixth-grade education, and no knowledge of the English language. They went to school and became naturalized citizens. Many took menial jobs in stockyards, steel mills, and oil refineries. They saved their money and opened grocery stores, banks, construction firms, and other businesses. Slovaks built beautiful churches, quality schools, and recreational facilities. They raised their families to be proud Americans and incorporated traditions from Slovakia into their daily lives, including the important role of religion.

Cleveland Slovaks John T. Sabol, Lisa A. Alzo, 2009 Cleveland's Slovaks can best be characterized as survivors. Many survived ethnic persecution and poverty so they could have a chance at something better. Beginning with a small core of immigrants seeking work aboveground rather than in the coal mines of neighboring states, Cleveland's Slovak community grew through a giant chain migration. Their neighborhoods flourished close to their jobs and their churches. Many of the ancestors of

today's Slovaks came to the United States classified as Hungarians. In their hearts, though, they knew what they were and what language they spoke. They held on to their native language even as they learned English and unwaveringly encouraged their children to strive for the opportunity America offered. According to the 2000 census, 93,500 northeast Ohioans claim Slovak heritage. The photographs in Cleveland Slovaks show their neighborhoods and family life and give readers an appreciation of the community's legacy.

Slovak : Slovakian for Beginners, Giant Collection Fluent Now, 2018-05-28 Are YOU planning a trip to Slovakia? Are YOU Moving To Slovakian? Do YOU Have Slovakian Heritage? A Historical Phonology of the Slovak Language Rudolf Krajčovič, 1975

Colloquial Slovak James Naughton, 2015-08-27 Colloquial Slovak: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Slovak as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively

in Slovak in a broad range of situations. No prior knowledge of the language is required. Colloquial Slovak is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in Slovakia An overview of the sounds of Slovak Balanced, comprehensive and rewarding, Colloquial Slovak is an indispensable resource both for independent learners and students taking courses in Slovak. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

The Slovak Dictionary Jakub Kovac, 2018-08-18 If you're looking for a reliable modern Slovak-English dictionary, you're in the right place. This concise dictionary includes 1,300 modern Slovak terms. The words are ordered alphabetically first in English and then in Slovak for convenient access.

Colloquial Slovak (eBook And MP3 Pack) James Naughton, 2014-10-14 COLLOQUIAL SLOVAK is easy to use and completely up to date! Specially written by an experienced teacher for self-study or class use, the course offers you a step-by-step approach to written and spoken Slovak. No prior knowledge of the language is required. What makes this new edition of COLLOQUIAL SLOVAK your best choice in personal language learning? Interactive – lots of exercises for regular practice Clear –

concise grammar notes Practical – useful vocabulary and pronunciation guide Complete – including answer key and reference section Whether you're a business traveller, or about to take up a daring challenge in adventure tourism; you may be studying to teach or even looking forward to a holiday – if you'd like to get up and running with Slovak, this rewarding course will take you from complete beginner to confidently putting your language skills to use in a wide range of everyday situations. Accompanying audio material is available to purchase separately on two CDs or in MP3 format, or comes included in the great value COLLOQUIAL SLOVAK paperback and CDs complete course. Recorded by native speakers, the audio material complements the book and will help develop your listening and pronunciation skills. For the eBook and MP3 pack, please find instructions on how to access the supplementary content for this title in the Prelims section.

Traditional Slovak Folktales David L. Cooper, 2016-09-16 This delightful collection makes the rich but little-known Slovak folk culture available for English-language readers. Most of the fifty tales assembled here from the collections of folklorist Pavol Dobsinsky are translated into English for the first time. The poetic qualities of the originals have been carefully preserved. The general reader will enjoy these tales immensely, and students will find an insightful introduction to the genres of the folktale and the specifics of Slovak tales. For expert readers, all of the tales have been classified according to the Aarne-Thompson index, and many include short commentaries that draw on the work of Viera Gasparikova.

Slovakia in History Mikuláš Teich, Dušan Kováč, Martin D. Brown, 2011-02-03 Until the dissolution of Czechoslovakia, Slovakia's identity seemed inextricably linked with that of the former state. This book explores the key moments and themes in the history of Slovakia from the Duchy of Nitra's ninth-century origins to the establishment of independent Slovakia at midnight

1992-3. Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter-Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement. They show how, after a thousand years of Magyar-Slovak coexistence, Slovakia became part of the new Czechoslovak state from 1918-39, and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989. There is no comparable book in English on the subject.

The generative structure of the Slovak sentence František Miko, 2017-12-04

Slovak Vocabulary Veleslav Biely, 2015-03-14 This guidebook lists thousands of words in English with translations into Slovak, perfect for beginners just starting to learn the language and indispensable for more advanced speakers. Words are divided into 18 pertinent and handy categories, including measurements, weather, people, animals, traveling, shopping and much more. The guide begins with a list of Slovak letters and their IPA pronunciations, before delving into the most common and useful words in the language, so that whether you are in a classroom or in a shop in Bratislava, you have the vocabulary you need to succeed - right at your fingertips.

Slovak for You Ada Bohmerova, 1999 This textbook is intended to fill an urgent need for a reliable, up-to-date Slovak language textbook suitable for use at the university level in either an intensive or regular course. It is designed to enable you to understand and speak the language of Slovakia -- a modern country in the Heart of Europe. -- teaches you how to master the principal communicative skills in Slovak -- will enable you to read and understand (with the help of a dictionary) current Slovak texts in the media, literature, and correspondence -- presents the basic Slovak vocabulary in texts and exercises -- is the first textbook

that presents Slovak with the help of findings of contemporary contrastive English-Slovak linguistics -- comes complete with a Slovak-English dictionary -- contains an abundance of well-designed exercises -- presents information about Slovakia, contemporary life, and culture, as well as some historical data -- Slovak songs (both lyrics and music) -- conversion data for measures and weights -- a bibliography of selected books about Slovakia and the Slovak language -- a number of photographs, pictures, and illustrations -- a new, detailed map of Slovakia Two supplementary audiocassettes provide exercises in pronunciation and conversation for the beginning chapters. It also includes a performance of 4 Slovak folk songs. (Beginner level)

At the Price of the Republic James Ramon

Felak,1995-06-15 Slovak nationalist sentiment has been a constant presence in the history of Czechoslovakia, coming to head in the torrent of nationalism that resulted in the dissolution of the Republic on January 1, 1993. James Felak examines a parallel episode in the 1930s with Slovak nationalists achieved autonomy for Slovakia-but "at the price" of the loss of East Central Europe's only parliamentary democracy and the strengthening of Nazi power. The tensions between Czechs and Slovaks date back to the creation of Czechoslovakia in 1918. Slovaks, who differed sharply in political tradition, social and economic development, and culture, and resented being governed by a centralized administration run from the Czech capital of Prague, formed the Slovak People's Party, led by Roman Catholic priest Ankrej Hlinka. Drawing heavily on Czech and Slovak archives, Felak provides a balanced history of the party, offering unprecedented insight into intraparty factionalism and behind-the-scenes maneuvering surrounding SSP's policy decisions.

Modern Slovak Prose Robert B Pynsent,1990-07-23 Modern

Slovak Prose is a collection of essays based on papers delivered at a symposium at the School of Slavonic and East European Studies. Although few major Slovak writers published during the 1970s

'normalisation' period after the Warsaw Pact intervention, Slovak literature did not stagnate like Czech literature. The essays in this volume cover the whole period from the death throes of socialist realism to the lively, sophisticated, cosmopolitan fiction of the late 1970s and 1980s. The cut-off date is 1988. All the prose writers considered important by the Slovaks themselves and by non-slovak scholars are covered: Tatarka, Jaros, Johan Ides, Ballek, Bednr, Dusek and so forth. The volume contains a survey introduction to Slovak fiction from the 1950s to the present. This book is the first to assess an area of east central European culture which has been virtually ignored in the West.

Introduction

In today's digital age, the availability of Slovak books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slovak books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of

Slovak books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slovak versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slovak books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection,

you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss

of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slovak books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an

excellent resource for literature enthusiasts. Another popular platform for Slovak books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have

their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slovak books and manuals for download have transformed the

way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the

vast world of Slovak books and manuals for download and embark on your journey of knowledge?

FAQs About Slovak Books

What is a Slovak PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Slovak PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often

have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Slovak PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Slovak PDF to another file format?** There are

multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Slovak PDF?

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to

Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
