All the Way to the Top Annette Bay Pimentel, 2020-03-10 2021 Schneider Family Book Award Young Children's Honor Book (American Library Association) Experience the true story of lifelong activist Jennifer Keelan-Chaffins and her participation in the Capitol Crawl in this inspiring autobiographical picture book. This beautifully illustrated story includes a foreword from Jennifer and backmatter detailing her life and the history of the disability rights movement. This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change—even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. ALL THE WAY TO THE TOP! A Rise: A Feminist Book Project Nominee A Junior Library Guild Selection All the Way to the Top is perfect for: Elementary school teachers looking for books to supplement disability rights curriculum and the history of the ADA (find a free Common-Core Aligned Educator Guide at www.sourcebooks.com) Parents looking for social justice picture books, books on activism and for young activists, and inspiring books for girls Parents, teachers, librarians, and guardians looking for beautifully illustrated, inspirational and educational books for young readers in their life

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

No Shortcuts to the Top Ed Viesturs, David Roberts, 2007-11-27 NATIONAL BESTSELLER • This gripping and triumphant memoir from the author of The Mountain follows a living legend of extreme mountaineering as he makes his assault on history, one 8,000-meter summit at a time. “From the drama of the peaks, to the struggle of making a living as a professional climber, to the basic how-tos of life at 26,000 feet, No Shortcuts to the Top is fascinating reading.”—Aron Ralston, author of Between a Rock and a Hard Place and subject of the film 127 Hours For eighteen years Ed Viesturs pursued climbing’s holy grail: to stand atop the world’s fourteen 8,000-meter peaks, without the aid of bottled oxygen. But No Shortcuts to the Top is as much about the man who would become the first American to achieve that goal as it is about his stunning quest. As Viesturs recounts the stories of his most harrowing climbs, he reveals a man torn between the flat, safe world he and his loved ones share and the majestic and deadly places where only he can go. A preternaturally cautious climber who once turned back 300 feet from the top of Everest but who would not shrink from a peak (Annapurna) known to claim the life of one climber for every two who reached its summit, Viesturs lives by an unyielding motto, “Reaching the summit is optional. Getting down is mandatory.” It is with this philosophy that he vividly describes fatal errors in judgment made by his fellow climbers as well as a few of his own close calls and gallant rescues. And, for the first time, he details his own pivotal and heroic role in the 1996 Everest disaster made famous in Jon Krakauer’s Into Thin Air. In addition to the raw excitement of Viesturs’s odyssey, No Shortcuts to the Top is leavened with many funny moments revealing the camaraderie between climbers. It is more than the first full account of one of the staggering accomplishments of our time; it is a portrait of a brave and devoted family man and his beliefs that shaped this most perilous and magnificent pursuit.

Top of the Rock Warren Littlefield, T. R. Pearson, 2013-02-12 Top of the Rock is an absorbing insiders’ account of an incredible time and place in television history: the years when Must See TV—led by Cheers, Seinfeld, Friends, ER, and Law & Order—made NBC an unstoppable success. Here the story is vividly told through the words of the actors, writers, producers, creators, and network executives who helped the Peacock rise to its greatest heights—and then saw it all fall apart. Under the supervision of President of Entertainment Warren Littlefield, NBC went from being an also-ran,

losing millions of dollars in failed shows, to the number one station, generating billions of dollars in profit. At its height, the Thursday night lineup alone brought in more revenue than the other six nights of programming combined. Top of the Rock dishes out behind-the-scenes stories from all the biggest shows, revealing the highly risky business decisions, creative passion, and blind leaps of faith that made Must See TV possible. Jerry Seinfeld | Jason Alexander | Kelsey Grammer | Sean Hayes | Helen Hunt | Lisa Kudrow | Eriq La Salle | Matt LeBlanc | John Lithgow | Julianna Margulies | Eric McCormack | Debra Messing | Megan Mullally | David Hyde Pierce | Paul Reiser | Noah Wyle | and more

The Inn at the Top Neil Hanson,2013-09-24 The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales.The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different different time and place.
