Those About to Die Daniel Mannix,2014-01-13 Thousands flocked to see gladiators, charioteers, wild animals, women and children hacked, crucified, torn to pieces, ravished, burned, and drown. Biographies, paintings, historical evidence and an author's imagination merge to tell the story of one of history's most ruthless exhibitions—the Roman games.

Those Shoes Maribeth Boelts,2007 Jeremy, who longs to have the black high tops that everyone at school seems to have but his grandmother cannot afford, is excited when he sees them for sale in a thrift shop and decides to buy them even though they are the wrong size.

Those Whom Thou Hast Given Me Moreno Dal Bello,2015-08-13 God has given to His Son, Jesus Christ, a people of His own choosing, not according to anything they have done, but solely according to the will and purpose of God. The purpose in them being given to the Son is salvation. Christ would die for these, and these alone, and give unto them eternal life. These are the only people Jesus Christ has made atonement for; The only ones He became a curse for upon the Tree; The only ones whose sins were imputed to Christ and Whose Righteousness was/will be imputed to them. These are the same people who will be presented to the Father in a blessed state. All others were not given to the Son; they are not among those to whom Christ will give eternal life and therefore could not have been among those for whom He died and become a curse for on the Tree. They are not among those blessed of the Father, for they are declared 'cursed' on Judgement Day.

Those of Little Note Elizabeth M. Scott,2022-07-12 Because some classes of people may not have been considered worthy of notice by dominant social groups in the past, they may be less visible to us today in historical and archaeological records; consequently, they remain less studied. This volume attempts to redress this oversight by presenting case studies of historical and archaeological research on various ethnic, racial, gender, and socioeconomic groups in colonial and post-colonial North America. These contributions illustrate how historical archaeologists and ethnohistorians have used documentary and archaeological evidence to retrieve information on neglected aspects of American history. They explore ways of making more visible Native Americans, African Americans, and Euro-Americans of differing ethnic groups and economic classes, and also shed new light on such groups as celibate religious communities, women in predominantly male communities, and working-class and middle-class women in urban communities. Material evidence on those of little note provides not only fresh insight into our understanding of daily life in the past, but also a refreshing counterpoint to the male- and Euro-centered analysis that has characterized much of historical archaeology since its inception. Readers will find many chapters rewarding in their application of sophisticated feminist theory to archaeological data, or in their probing of complex relational issues concerning the construction of gender identity and gender relationships. As the first archeologically-focused collection to examine the interconnectedness of gender, class, race, and ethnicity in past societies, *Those of Little Note* sets new standards for future research. In Those Days There was No Coffee Ā. Irā Vēṅkaṭācalapati,2006 Suitable for both the academician as well as the layman, this book draws from sources as varied as fiction, essays, reviews, and more.

Those Elusive Deuteronomists Linda S. Schearing,Steven L. McKenzie,1999-08-01 As recent scholarship dates Hebrew Bible materials later and later, the Deuteronomistic History has grown in importance. Viewed as the original, earliest document of the Hebrew Scriptures, it is credited with influencing (formally or informally) almost every level of the Hebrew Bible's composition. The 13 essays in this book include articles by N. Lohfink, A.G. Auld, J. Blenkinsopp, R.J. Coggins, J. Crenshaw, J. Van Seters and R.R. Wilson, as well as outstanding articles by newer scholars in the field. All address the question of whether or not the claims made by the pervasive pan-deuteronomism movement sweeping the discipline can, in fact, be verified.

Portraits of Those I Love Daniel Berrigan,2007-10-01 *The Monk - The Artist - The Aunt - The Essayist - The Woman - The Jesuit - The Mother - Self-Portrait* Berrigan's *Portraits* is his first completely biographical work, and it is perhaps his most intimate book. Here he speaks candidly of some of the people he has known and admired, people of fame and people who will probably never be memorialized or even remembered outside these pages. Here are Thomas Merton, Dorothy Day, Peter Maurin--guides to the vision that has inspired Berrigan's own witness to Christian peace. Here is an unknown woman painter, dying of cancer but gifted with uncanny powers of insight. Here are members of Berrigan's own family: a tough-minded aunt, who found in the currently outmoded pieties of the past a remedy for the terrible day-in-and-day-out of the religious life; his own mother, providential, foreseeing, compassionate. Lastly there is a self-portrait--not in a convex mirror, not a picture at an exhibition--of what has been the meaning of these various people and of their influence on him and his work.

There Is No Crime for Those Who Have Christ Michael Gaddis,2015-03-18 Focusing on the 4th and 5th centuries, Michael Gaddis explores how various groups employed the language of religious violence to construct their own identities, to undermine the legitimacy of their rivals, & to advance themselves in the competitive & high

stakes process of Christianizing the Roman Empire.

One of Those Days Leiva Andrés,2020-06-17T00:00:00+02:00 1982. Leiva, Manu and El Canijo are three friends who always go everywhere together. They share their struggles, concerns, hopes, and fears. And their greatest fear of all is the end of the world, predicted by American preachers to occur on the afternoon of October 2, 1982. With the help of a few everyday objects, they will build masks, suits and everything necessary to survive the final judgment at all costs. Although not everything will end as they imagined...

Those We Love Most Lee Woodruff,2012-09-11 A bright June day. A split-second distraction. A family forever changed. Life is good for Maura Corrigan. Married to her college sweetheart, Pete, raising three young kids with her parents nearby in her peaceful Chicago suburb, her world is secure. Then one day, in a single turn of fate, that entire world comes crashing down and everything that she thought she knew changes. Maura must learn to move forward with the weight of grief and the crushing guilt of an unforgivable secret. Pete senses a gap growing between him and his wife but finds it easier to escape to the bar with his friends than face the flaws in his marriage. Meanwhile, Maura's parents are dealing with the fault lines in their own marriage. Charismatic Roger, who at sixty-five, is still chasing the next business deal and Margaret, a pragmatic and proud homemaker, have been married for four decades, seemingly happily. But the truth is more complicated. Like Maura, Roger has secrets of his own and when his deceptions and weaknesses are exposed, Margaret's love and loyalty face the ultimate test. Those We Love Most chronicles how these unforgettable characters confront their choices, examine their mistakes, fight for their most valuable relationships, and ultimately find their way back to each other. It takes us deep into the heart of what makes families and marriages tick and explores a fundamental question: when the ties that bind us to those we love are strained or broken, how do we pick up the pieces? Deeply penetrating and brimming with emotional insight, this engrossing family drama heralds the arrival of a major new voice in contemporary fiction.

Those Who Play With Fire Henrietta Moore,Todd Sanders,Bwire Kaare,2020-08-20 Whether initiating girls or healing cattle, bringing rain or protesting taxation, many in Africa share a vision of a world where the cultural, symbolic and cosmic categories of 'male' and 'female' serve, through ritual, to both reimagine and transform the world. Those Who Play With Fire introduces recent gender theory to the analysis of African ethnography, exploring the ways in which ideational gender categories permeate African systems of thought and ritual practices. Thus, the book provides a powerful framework with which to evaluate previous ethnographic material on Africa. In addition, Those Who Play With Fire presents a broad range of new case studies - of hunter-gatherers, agriculturalists and pastoralists - revealing the varied and complex ways in which African ideas and ideals of what it means to be 'male' and 'female' broadly inform and give meaning to a wide range of transformative rituals.

Pudd'nhead Wilson and Those Extraordinary Twins Mark Twain,2016-05-04 The two narratives published together in The Tragedy of Pudd'nhead Wilson and the Comedy Those Extraordinary Twins are overflowing with spectacular events. Twain shows us conjoined twins, babies exchanged in the cradle, acts of cross-dressing and racial masquerade, duels, a lynching, and a murder mystery. Pudd'head Wilson tells the story of babies, one of mixed race and the other white, exchanged in their cradles, while Those Extraordinary Twins is a farcical tale of conjoined twins. Although the stories were long viewed as flawed narratives, their very incongruities offer a fascinating portrait of key issues—race, disability, and immigration—facing the United States in the final decades of the nineteenth century. Hsuan Hsu's introduction traces the history of literary critics' response to these works, from the confusion of Twain's contemporaries to the keen interest of current scholars. Extensive historical appendices provide contemporary materials on race discourse, legal contexts, and the composition and initial reception of the texts.
