

Townlands

Margaret Franklin

General Alphabetical Index to the Townlands and Towns, Parishes, and Baronies of Ireland ,1984 In all genealogical work the first and most important step is to establish the geographical origin of the ancestor. In Irish research the genealogist may know the name of the county where the ancestor lived but be puzzled about a place name given as the place of birth or residence. In all probability the place-name s that of a townland, the smallest territorial subdivision in Ireland. Since research in Ireland will usually start at the parish level, there must be a reference tool that will key the townland to the parish in which it is located. This work was prepared under the auspices of the British government for almost that purpose. The over 900 densely printed pages show the county, barony, parish, and poor law union in which the 70,000 townlands were situated in 1851, as well as the location of the townlands on the Great Ordnance Survey maps, with appendices containing separate indexes to parishes and baronies.

Townlands in Ulster W. H. Crawford,R. H. Foy,1998 To appreciate the value of the concept of the townland the best course for us is to examine in detail every aspect of one or more of them in terms of our own existence. In local history studies we concentrate on the community that has lived in the townland. This publication will introduce the reader to the documentary sources that survive in archivies and explain how they can be related to the traditions, the artefacts and the oral evidence. It will provide a framework plus numerous worked examples for those with an interest in studying the townland where their ancestors lived. Set as a basis upon which further research could be undertaken this important study begins by choosing eight townlands across Ulster providing a variety of concepts, ideas and observations which will interest the family and local historian alike. Indeed the editors in their introduction observe, that just as local historians, not just those with a special interest in local and family hsitory, to appreciate the significance of the townland in Irish history. The townlands covered in this study include: Forttown, Co. Antrim; Scolboa, Co. Antrim; Ballymagee, Co. Down; Cranfield, Co. Down; Drumskinny 3 & Montiaghroe, Co. Fermanagh; Gallan, Co. Tyrone; Holly-hill, Co. Tyrone; and Owenreagh, Co. Londonderry. In casting their net wide the contributors have managed to build up a picture of townlands across the country and have ensured that this book is representative of the whole of Ulster and not any single part or even merely the eight townlands under study.

Townlands of Leinster and the People who Lived There Flann O'Riain,2000 This is a collection of some of the Irish Times column 'Where's That?' associated with the province of Leinster. These examine the meaning of those place-names, some of the history of the places, and the people and their surnames who lived therein.

A Guide to Tracing Your Limerick Ancestors Margaret Franklin,2003 These invaluable guides include church records, civil and land records, censuses, newspapers, commercial directories, school records and others, where they can be accessed, and how they can be used to best effect.

Irish Townlands Paul Connell,Brian Ó Dálaigh,1998 Nine essays by a group of Irish graduates in modern history who decided to continue meeting and produce a series of studies. Genealogical Musings Dennis Ford,2018-10-16 For a quarter century, I've pursued genealogical minutiae—the particulars of family compositions in the townlands of Eastern County Mayo and nineteenth century records of the Juchnewicz families of Girdziunai village in Lithuania. But genealogy is more than the obsessive collection of baptisms, marriages, and deaths. The study of family history is also the study of history. Musings traverses the sometimes grim, sometimes odd, events that occurred at the fact-jammed intersection of family history and history—a Revolutionary War massacre, the Black Tom munitions explosion in 1916, the embarkation of troops from Hoboken in World War I, the Women's Army Corps in World War II, the lives of longshoremen in the New York harbor, and the lives of slaves on the Eastern Shore of Virginia. In our time—and a step ahead of a category 4 hurricane—Musings explores the history and culture of Jacksonville and Saint Augustine. We meet memorable characters on these journeys through time—miserly German spymasters, a psychologically astute general, a luckless Polish legionnaire, groundbreaking female soldiers, two runaway slaves in a Virginia jail, and the Cazique of Poyais, sovereign of an imaginary country. And we meet two timeless characters—the banshee and Count Dracula.
