TROJAN WARS.

📖 **The Trojan War** Barry Strauss,2007-08-21 Drawing on archaeological research, an expert account of the famous historical battle confirms many details recounted in Homer’s epic account, from Troy’s alliance with the Hittite Empire to the significant fire at the end of the twelfth century and facts

📖 **Trojan Odyssey** Clive Cussler,2004-11-30 In his first adventure since the revelation that he’s a parent, Dirk Pitt must uncover the truth behind the myth of another long-lost father-figure, Homer’s Odysseus, if he’s going to stop a dangerous cult from reshaping the earth in their own image. Fraternal twins, Summer Pitt and Dirk Pitt, Jr., are working to determine the origin of a strange brown tide infesting the ocean off the shore of Nicaragua when two startling things happen: Summer discovers an artifact, something strange and beautiful and ancient. And the worst storm in years boils up out of the sky, heading straight for them and a nearby floating luxury resort hotel called Ocean Wanderer. The peril for everybody concerned is incalculable. And now that Dirk Pitt has learned he’s a father, he will stop at nothing to protect his two children. He rushes into the chaos, only to find that what’s left in the storm’s wake makes the furies of nature pale in comparison. For there is an all-too-human evil at work in that part of the world, and Summer’s relic may be the only clue to the man calling the shots. Whoever he is, he’s connected to a cult that believes the Celts, also known as the Achaeans, reached the New World millennia before the accepted history suggests. If he’s right, his ancestors laid the foundation for the work he will soon complete—and our world will be a very different place. Though if Summer’s discovery is to be believed, the world is already a very different place...

📖 **Talking Trojan** Hilary Susan Mackie,1996 In this penetrating new look at the use of language in the Iliad, Hilary Mackie examines the portrayal of the opposing forces in terms not only of nationality but of linguistics. The way the Greeks and the Trojans speak, Mackie argues, reflects their disparate cultural structures and their relative positions in the Trojan War. While Achaean speech is aggressive and public, intended to preserve social order, Trojan language is more reflective, private, and introspective. Mackie identifies the differences between Greek and Trojan language by analyzing poetic formulas, usually thought to indicate a similarity of language among Homeric characters, and conversations, which are seen here to be of equal importance to the numerous speeches throughout the Iliad. Mackie concludes with analyses of the two great heroes of the Iliad, Hector and Achilles, and the extent to which they represent their own cultures in their use of language.

The Trojan Women is a thousands-year-old tale of courage, resilience, and hope in the face of utter devastation.

📖 **The Trojan Horse** Ron Fontes,Justine Fontes,2017-01-01 For ten years, the battle raged. Thousands of ancient Greece’s best warriors battled their enemies, the Trojans, in a desperate attempt to win back King Meneleus’s beautiful wife, Helen. After a decade of fighting and thousands dead, the Greek forces suddenly fell back. Cautionously the Trojans ventured out of the city walls, where they discovered a giant wooden horse and a messenger. Should they accept this peace offering? Or is the gift horse too good to be true?
