## **History of the Hoosac Tunnel** Edward Sandford Martin,1878

Tunnels (Tunnels #1) Roderick Gordon,Brian Williams,2011-05-01 The New York Times Bestseller! The story of an outcast boy, his eccentric dad, and the scary underground world they discover through secret TUNNELS.14-year-old Will Burrows has little in common with his strange, dysfunctional family. In fact, the only bond he shares with his eccentric father is a passion for archaeological excavation. So when Dad mysteriously vanishes, Will is compelled to dig up the truth behind his disappearance. He unearths the unbelievable: a secret subterranean society. The Colony has existed unchanged for a century, but it's no benign time capsule of a bygone era--because the Colony is ruled by a cultlike overclass, the Styx. Before long--before he can find his father--Will is their prisoner....

*The Tunnel* A. B. Yehoshua,2020 From the award-winning, internationally acclaimed Israeli author, a suspenseful and poignant story of a family coping with the sudden mental decline of their beloved husband and father--an engineer who they discover is involved in an ominous secret military project Until recently, Zvi Luria was a healthy man in his seventies, an engineer living in Tel Aviv with his wife, Dina, visiting with their two children whenever possible. Now he is showing signs of early dementia, and his work on the tunnels of the Trans-Israel Highway is no longer possible. To keep his mind sharp, Zvi decides to take a job as the unpaid assistant to Asael Maimoni, a young engineer involved in a secret military project: a road to be built inside the massive Ramon Crater in the northern Negev Desert. The challenge of the road, however, is compounded by strange circumstances. Living secretly on the proposed route, amid ancient Nabatean ruins, is a Palestinian family under the protection of an enigmatic archaeological preservationist. Zvi rises to the occasion, proposing a tunnel that would not dislodge the family. But when his wife falls sick, circumstances begin to spiral . . . The Tunnel--wry, wistful, and a tour de force of vital social commentary--is Yehoshua at his finest.

**Natural Tunnel** Tony Scales,2004 Presents the story of the Natural Tunnel in Scott County, Virginia. This work includes images and accounts that span from its geological beginnings to its role as a premier state park.

The Tunnel Ernesto Sabato,2011-04-28 Infamous for the murder of Maria Iribarne, the artist Juan Pablo Castel is now writing a detailed account of his relationship with the victim from his prison cell: obsessed from the first moment he saw her examining one of his paintings, Castel had become fixated on her over the next months and fantasized over how they might meet again. When he happened upon her one day, a relationship was formed which swiftly convinced him of their mutual love. But Castel's growing paranoia would lead him to destroy the one thing he truly cared about... Sabato's first novel El Túnel (translated as 'The Outsider' or 'The Tunnel'), written in 1948, is framed as the confession of the painter Juan Pablo Castel, who has murdered the only woman capable of understanding him. Sabato's novels were praised by authors such as Albert Camus and Graham Greene.

**Give Me Everything You Have** James Lasdun,2013-02-12 A true story of obsessive love turning to obsessive hate, Give Me Everything You Have chronicles the author's strange and harrowing ordeal at the hands of a former student, a self-styled verbal terrorist, who began trying, in her words, to ruin him. Hate mail, online postings, and public accusations of plagiarism and sexual misconduct were her weapons of choice and, as with more conventional terrorist weapons, proved remarkably difficult to combat. James Lasdun's account, while terrifying, is told with compassion and humor, and brilliantly succeeds in turning a highly personal story into a profound meditation on subjects as varied as madness, race, Middle East politics, and the meaning of honor and reputation in the Internet age.

**The Tunnel** Tim Vicary,1990 Action-packed and fun to encourage reading for enjoyment.

Tunnel Vision Susan Adrian,2015-01-20 Romance and action come crashing together in Susan Adrian's Tunnel Vision in which a teenage boy with incredible powers is brought to the attention of the government. Jake Lukin just turned 18. He's decent at tennis and Halo, and waiting to hear on his app to Stanford. But he's also being followed by a creep with a gun, and there's a DARPA agent waiting in his bedroom. His secret is blown. When Jake holds a personal object, like a pet rock or a ring, he has the ability to tunnel into the owner. He can sense where they are, like a human GPS, and can see, hear, and feel what they do. It's an ability the government would do anything to possess: a perfect surveillance unit who could locate fugitives, spies, or terrorists with a single touch. Jake promised his dad he'd never tell anyone about his ability. But his dad died two years ago, and Jake slipped. If he doesn't agree to help the government, his mother and sister may be in danger. Suddenly he's juggling high school, tennis tryouts, flirting with Rachel Watkins, and work as a government asset, complete with 24-hour bodyguards. Forced to lie to his friends and family, and then to choose whether to give up everything for their safety, Jake hopes the good he's doing—finding kidnap victims and hostages, and tracking down terrorists—is worth it. But he starts to suspect the good guys may not be so good after all. With Rachel's help, Jake has to try to escape both good guys and bad guys and find a way to live his own life instead of tunneling through others.

The Tunnel Dorothy Richardson,2014-09-19 The Tunnel is the fourth volume in Dorothy Richardson's novel series Pilgrimage. The series, set in the years 1893-1912, chronicles the life of Miriam Henderson, a "New Woman" rejecting the Victorian ideals of femininity and domesticity in favour of a modern life of independence. In addition to the formal and stylistic innovations in The Tunnel, its attention to women's experience of modernity is groundbreaking. It chronicles Miriam's working day as a dental receptionist and her forays into the public space of cafés, city streets, and political and intellectual talks. Richardson matches her focus on Miriam's consciousness with remarkable detail, giving the narrative a powerful realism. Contemporary reviews (including those by Virginia Woolf and Katherine Mansfield), personal letters, and Richardson's essays on modernism, feminism, and aesthetics place this important novel in context.

The Tunnel (Classic Reprint) Bernhard Kellermann,2018-05-03 Excerpt from The Tunnel The New York season reached its climax with the opening concert in the newly-built Madison Square Palace. There was an orchestra of two hundred and twenty performers, every single one of whom was a musician of repute. The most famous living composer had been secured specially for the occasion as conductor. The unprecedented fee of six thousand dollars was to be paid him for the evening. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**The Tunnel** Anthony Browne,2008 Scornful of his younger sister's fears, a young boy decides to explore a tunnel forcing her to go after him when he doesn't return. Suggested level: junior, primary.

**Einstein's Tunnel** S. Perone,2004-10 It is a world turned upside down...a world created when a future time traveler re-directs the course of World War II. The United States has suffered six decades of oppressive fascist rule. Now, while a decimated band of expatriate American rebels fight to liberate their country, international dissension threatens a nuclear holocaust. Tony Shane--a rebel with a dangerous, incredible plan--has inherited wartime secrets that might free his country: a plan derived from Albert Einstein--whose cryptic legacy conceals an improbable time travel strategy. To unravel the secrets of Einstein's tunnel, Shane persuades Sarah Stenstrom--a beautiful young scientist in a Nazi cyber-research laboratory--to join his cause. But their intimate relationship soon threatens the entire mission. Vito Mironi--a powerful mob boss within a corrupt Nazi regime--secretly supports the rebels. But the reality of Einstein's plan soon converts Mironi into Shane's most dangerous adversary. Joining Shane's desperate odyssey is a ruthless rebel assassin, Salomé, with a burning personal agenda. But only Nathan Carothers--charismatic rebel leader--knows the true dark purpose underlying their mission. Confronted by surprising obstacles, Tony Shane traverses a perilous path--while racing a deadly doomsday clock--to fulfill the promise of Einstein's Tunnel.

**Building the Caldecott Tunnel** Mary Solon & Mary McCosker,2014 Today, the Caldecott Tunnel connects Alameda and Contra Costa Counties, located in the San Francisco Bay Area. The original two bores of this tunnel opened in 1937, the same year as the San Francisco Oakland Bay Bridge, and changed Contra Costa County from an area of small rural communities into one of growing suburbs. But this was not the first tunnel to connect these counties. The Kennedy Tunnel, opened in 1903, was accessed by steep and winding roads and located several hundred feet above today's

tunnel. A third bore of the Caldecott Tunnel was opened in 1964 and a long-awaited fourth bore in late 2013. The tunnels have not been without disaster and tragedy over their hundred-plus years of existence, yet they remain an integral part of the commercial, social, and historic fabric of the region.

The Tunnel Anthony Browne,2001 A modern fantasy about sibling rivalry. Age group 4 plus.

**Tunnel Vision** Sara Paretsky,1994 Stubbornness has landed private eye V.I. Warshawski in big trouble at her Chicago office. With her grand old Loop building set to be razed, she's become a hold-out tenant amid frayed wiring and scary, empty corridors. Then she finds a homeless woman with three kids in the basement, and before she can rescue them, they disappear. Worst of all, she's been implicated in a murder--after the body of Deirdre Messenger, a prominent lawyer's wife, turns up sprawled across her desk. V.I., who had volunteered with Deirdre at a women's shelter, suspects her death is linked to a case of upper-class domestic abuse so slickly concealed that the police refuse to believe it. Increasingly at odds with the cops, V.I. is blindly plunging ahead after the truth. And her path may lead to corruption at the highest levels.or deep into the abandoned tunnels beneath Chicago's streets, where secrets are hiding in the dark like a child's--or V.I.'s--worst nightmare.

**Tunnel Kids** Lawrence Taylor,Maeve Hickey,2001-02-01 Winner of the Southwest Book Award! Beneath the streets of the U.S.-Mexico border, children are coming of age. They have come from all over Mexico to find shelter and adventure in the drainage tunnels that connect the twin cities of Nogales, Sonora, and Nogales, Arizona. This book opens up the world of the tunnel kids and tells how in this murky underworld of struggling immigrants, drug dealers, and thieves, these kids have carved out a place of their own. Two parallel tunnels— each fourteen feet wide and several miles long— drain the summer rains from Mexico to the United States. Here and in the crumbling colonias you'll meet the tunnel kids: streetwise El Boston, a six-year veteran of the tunnels; his little pal Jesús; Jesús' girlfriend, La Flor, and her six-month-old baby; wild Negra; poetic Guanatos; moody Romel and his beautiful girlfriend, La Fanta. They form an extended family of some two dozen young people who live hard-edged lives and answer to no one in El Barrio Libre— the free barrio. Lawrence Taylor and Maeve Hickey met these kids at Mi Nueva Casa, the safe house built to draw the youths out of the tunnels and into a more normal life. The authors spent two summers with tunnel kids as they roamed all over Nogales and beyond in their struggle to survive. In the course of their adventures the kids described their lives, talking about what might tempt them to leave the tunnels— and what kept them there. Hickey's stunning portraits provide a heart-stopping counterpoint to Taylor's incisive prose. Story and photos together open a window into the life of the tunnel kids—a world like that of many homeless children, precarious and adaptive, albeit unique to the border. Where most people might see just another gang of doped-up, violent children, Taylor and Hickey discover displaced and sometimes heroic young people whose stories add a human dimension to the world of the U.S.-Mexico border.

**Tunnel Design by Rock Mass Classifications** Z. T. Bieniawski,1979

**The Moffat Tunnel of Colorado** Edgar Carlisle McMechen,1927

Tunnel Stanley Johnson,1984 The story of the construction of the tunnel between Britain & France. The consortium entrusted with the expertise finds itself opposed by certain commercial & political interests, whose front men start with blackmail, advance to piracy & murder & more

**Tunneling in Rock** Ernest Wahlstrom,2012-12-02 Tunneling in Rock reviews the theory and practice of engineering geology and its application to tunneling in rocks. This book explores the history of tunneling, defines terminologies of tunneling, and illustrates tunnels. The book discusses the petrography of unaltered rocks, such as rock minerals, fragmental rocks, igneous rocks, sedimentary rocks and metamorphic rocks. The book then describes rock alteration, which may be caused by weathering. Such alterations are low-temperature alterations at moderate depths, hydrothermal alteration, deuteric alteration, pneumatolytic alteration, and other miscellaneous types of alteration. The book also discusses elementary rock mechanics, such as isotropism and anisotropism; mechanical properties of rocks; force and stress; and the fracture and fold anisotropy in rocks, including the deformation of minerals, elastic, quasi-elastic, and plastic rocks. The remaining chapters of the book focus on hydrogeology; geological investigation of proposed tunnel locations and its application to tunnel planning and design; different tunneling methods; and geological investigations during tunnel constructions. Those who are interested in geological aspects of planning and constructing tunnels will find this book valuable.

Unveiling the Magic of Words: A Report on "**Tunnel**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Tunnel**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

**Tunnel Introduction**

Tunnel Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Tunnel Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain.

Tunnel : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Tunnel : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Tunnel Offers a diverse range of free eBooks across various genres. Tunnel Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Tunnel Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Tunnel, especially related to Tunnel, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Tunnel, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Tunnel books or magazines might include. Look for these in online stores or libraries. Remember that while Tunnel, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Tunnel eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Tunnel full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Tunnel eBooks, including some popular titles.

### FAQs About Tunnel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and

providing a more immersive learning experience. Tunnel is one of the best book in our library for free trial. We provide copy of Tunnel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tunnel. Where to download Tunnel online for free? Are you looking for Tunnel PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Tunnel. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Tunnel are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Tunnel. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Tunnel To get started finding Tunnel, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Tunnel So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Tunnel. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Tunnel, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Tunnel is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Tunnel is universally compatible with any devices to read.
