A Revolution in History Ibraheem Sulaiman, 1986

Staying Right Here Usman Hameedi, 2023-04-04 Usman Hameedi's debut collection, *Staying Right Here*, is a journey in finding home. Hameedi invites readers to bear witness to vignettes of joy and hardship as he navigates finding his place in America. From an ode to Bodegas, an autobiography of his eyebrows, and elegies for lost friends, Hameedi's thematic metaphors for family, wellness, and American biases weave a literary tapestry. Reading Usman's work is like drinking a warm chai while watching the sunset in Brooklyn, or coming home to an aromatic Biryani. In his first poetry collection, Hameedi writes with an unmistakably unique voice that is not afraid of who he is. *Staying Right Here* is for those who have looked for themselves in the media and only seen a one-dimensional character staring back at them.

Bivan's House Adamu Kyuka Usman, 2011-12-29 Talgon, a small-time contractor in the West African nation called Bivans House, sets out to be honest in his dealings but finds himself alone in a sizzling corruption that smears the virtuous as much as the crook. In Bivans House, the vulture, by his opportunism, is feasting on the ruins of his preys without pity; the tortoise, by his cunning, is running faster than the antelope to collect, without remorse, prizes he has not won; and the rat, by his thievery, is filling his barns with the harvest of the rabbit without regret. Flames of violence, frauds, and scams blaze a trail that leaves Talgon wondering how it

all began and where it will leave the West African nation called Bivans House.

Rajesh Khanna Yasser Usman,2014-12-05 The untold story of Hindi cinema's first superstar Obsessed female fans routinely sent him love letters written in blood. Hysterical crowds camped outside his house to catch a glimpse of the superstar. And the frenzy unleashed by his public appearances was enough to give law-enforcers a nightmare. In the 1970s, Rajesh Khanna achieved the kind of fame that no film star had ever experienced before—or has since. But having climbed to the pinnacle of success, he then saw it all vanish. And through it all, he remained a fighter till the very end. In this riveting biography, journalist Yasser Usman examines Rajesh Khanna's dramatic, colourful life in its entirety: from little-known facts about his childhood to the low-down on his relationships and rivalries, from his ambitious hopes to his deep-seated insecurities. What emerges is a tantalizingly written, meticulously researched chronicle of a fascinating and mercurial man—one who was both loved and feared by those closest to him. It is a story that encapsulates the glittering, seductive, cut-throat world of Bollywood at its best and its worst.

The Usman Report (1923) Dagmar Wujastyk,Christèle Barois,2022-01-26 The Report of the Committee on Indigenous Systems of Medicine, Madras (1923), commissioned by the Madras government in 1921, was the first major health report to be published in India. It is commonly referred to as the Usman

Report, after the committee's chairman Muhammad Usman. Its main purpose was to provide indigenous practitioners with an opportunity to put forward a strong case for state encouragement and financial support. The second volume of the Usman Report, titled Written and Oral Evidence, mainly consists in written responses to a questionnaire relating to theoretical, practical, economic and institutional dimensions of medical practice. Practitioners' testimonies came from all over India and were submitted in English, Sanskrit, Urdu, Tamil, Telugu, Malayalam, Kannada, and Oriya, providing a snapshot of the practices and sociopolitical positionings significant for those practicing traditional medicines in India at the beginning of the twentieth century. This volume provides the first English translation of the vernacular testimonies of this important document.

Guru Dutt: An Unfinished Story Yasser Usman, 2021-01-07 Guru Dutt's filmography has some names which have long been considered as some of the best films to have ever been made in India. His masterpiece Pyaasa (1957) was featured in TIME magazine's All-Time 100 Movies list in 2005. His films are still celebrated and revered by viewers, critics and students of cinema the world over, not only for their technical brilliance but also for the eternal romanticism and their profound take on the emptiness of life and the shallowness of material success. He was Indian cinema's Don Juan and Nietzsche rolled into one. But while much has been said and written on the film-maker and his art, little is known about his life behind the screens.

This richly layered account takes a deep dive into the journey of a lonesome, troubled genius who was endlessly being pulled in contrary directions throughout his life. A child prodigy, who actually began as a dancer learning from the great Uday Shankar, an unconventional film-maker who desired commercial success without ever compromising on artistic satisfaction, a self-made entrepreneur who hated numbers yet single-handedly ran a film studio juggling the roles of a producer, director, actor, financier – all this while struggling silently with a deeply troubled personal life, at the centre of which was his tumultuous marriage with Geeta Dutt. Guru had it all – love, family, money, fame and validation from his audience. His untimely death by suicide, that too after multiple failed attempts, had shocked the entire film industry. But what led to that fateful night when he tipped his hat and said his final goodbye? Best-selling Bollywood biographer Yasser Usman explores the man and the myth Guru Dutt in this definitive biography of a nonconformist star, uncovering the extraordinary lives of the rich and the famous as well the incredible toll it takes on the emotional and mental health of a human being. With cameos from close friends and colleagues Dev Anand, Waheeda Rehman, Johnny Walker, S.D. Burman and most significantly Dutt's sister, noted painter Lalitha Lajmi, a short but compassionate, ambitious and ultimately tragic life reveals itself in the pages of this book. This is a gripping, meticulously researched and moving portrait of an unfinished life – a tale of unrequited love, unresolved relationships and

unmatched cinematic talent.

Midnight Doorways Usman T. Malik, 2022-04-25 Birds and eerie visions haunt an orphanage for girls in Lahore. Two lovers find themselves pulled into rising floodwaters by an invisible force. A chaperone faces ancient horrors as her wards begin to disappear on a routine school trip. An opium addict narrates to a sub-inspector the story of an otherworldly woman rising from a gravestone. In seven stories that skilfully weave the mundane with the fantastic, Usman T. Malik explores the volatility of the supernatural to stunning effect. Twisted and delightfully grotesque, at once strange and familiar, these works of superlative imagination reveal the depth of timeless emotions: love and friendship that transcend all difference, greed and bigotry that lurk in every corner, and injustice and uncertainty that colour individual worlds. An acclaimed new voice in fantasy writing, Malik employs his extraordinary craft and prowess to present a collection that will thrill, enchant and terrify the reader in equal measure. WINNER OF THE 2021 CRAWFORD AWARD FROM THE IAFA (International Association for the Fantastic in the Arts)

City of Red Midnight: A Hikayat Usman T. Sufism-The Soul of Islam Sultan ul Ashiqeen Sultan Mohammad Najib ur Rehman, 2020-10-30 Sufism is a journey. A miraculous one. Filled with hurdles yet easy for those who are born pure and those who choose. It is the choices and not always the actions as they could be deceptive. Sufism is the spiritual and mystical aspect of Islam. The esoteric cosmos has every spiritual blessing, notion and trial. In the universe of Sufism, the

destination is being One with the Divine Essence (tawhid) and the dear friend and leader on this path is the spiritual guide. Motivation and power to accomplish comes from loving Allah only, as Sultan Bahoo has famously said, "Only Allah! Everything other than Allah is lust." The names Allah and Mohammad (Ism-e-Allah Zaat and Ism-e-Mohammad) are sustenance which strengthen the very soul of man. After all it is the journey of soul. Deep respect embedded in the heart for the family of Prophet Mohammad (peace be upon him) is like Noah's Arc and the sacred Companions are guiding stars. The Mohamman Assembly is the determining factor declaring one worthy to embark on the quest of Sufism or to demote or worse to forever halt. Wolves, brigands and the negative powers that drive one away are Satan, inner self (an-nafs) and the mortal world. Sharia is the door into this esoteric world. This journey of gnosis has its own set of guidelines. These can come in the form of inspiration, unveiling, waham (inward conversation with Hoo هُوَ) and ilm-e-dawat (communication with sacred souls of shrines). This book is all and MORE! A must read for every spiritual traveller. *The Mad Professor of Babel*du Adamu Kyuka Usman,2012-05-21 Prof. Philjez is not the everyday professor. His mind passes the world through a mystic calculus and comes out with quaint theorems. His eyes views life through a cosmic geometry, and he formulates shocking hypothesis. Speaking more to animals and plants than to human beings, Prof. Philjez takes flight to the world of ideas from which he never returns. You need to be a little mad to read this book.

The Ahmadis and the Politics of Religious Exclusion in Pakistan Ali Usman Qasmi,2014-05-15 This path-breaking work traces the history of the political

exclusion of the Ahmadiyya religious minority in Pakistan by drawing on revealing new sources. This volume is the first-ever scholarly study of the declassified material of the court of inquiry that produced the Munir-Kiyani report of 1954, and the proceedings of the national assembly that declared the Ahmadis as non-Muslims through the second constitutional amendment in 1974. The book chronicles the details of anti-Ahmadi violence and the legal and administrative measures adopted against them, and also addresses wider issues of politics of Islam in postcolonial Muslim nation-states and their disputative engagements with the ideas of modernity and citizenship.
