The 2009 PPP Update provides an intermediate benchmark and more firmly based real expenditures and price level indexes for 2009 than would have been possible using the conventional extrapolation technique. Euro Area Crisis: And Update - HL 163 Great Britain: Parliament: House of Lords: European Union Committee,2014-04-04 The Eurozone has exited recession and there are positive indications of progress in countries such as Ireland, Portugal and Spain; but the report Euro Area Crisis: An Update (HL 163) concludes that the Eurozone remains weak and vulnerable. Despite some countries showing signs of recovery, the report finds that fundamental weaknesses still exist such as: poor growth; huge differences in prosperity between Member States destructively high levels of unemployment; and growing fears of a deflationary spiral. These weaknesses leave the Eurozone extremely vulnerable to future shocks. The Committee also repeats its warning to the Government that the UK is becoming increasingly isolated as the euro area knits closer together. In order to ensure the UK's interests are effectively promoted, the Government and the Bank of England should maintain and develop constructive relationships with the increasingly

My Ticket to Ride Janice Mitchell, 2021-09-15 A true-adventure, coming-of-age tale set in the

exhilarating first wave of Beatlemania ... It's 1964, and 16-year-old Janice is struggling in a grim foster home in Cleveland when she falls suddenly, deeply in love ... with the Beatles. They and their music stir in her an ecstatic new sense of freedom. With a friend, she hatches a bold plan to escape their dreary lives and run away to London to meet the Fab Four. On their own for the first time—in "Beatleland"—they explore a new city, a new culture, and a new life, visiting the hippest clubs of Soho, meeting some nice English boys, hitchhiking to Liverpool ... But unbeknownst to them, the runaways have become international news—and a hunt is on. Adventure and newfound freedom end abruptly when Janice is apprehended by London police and hauled home to Cleveland and an unforgiving juvenile justice system. Warned by responsible adults to put it all behind her, she doesn't speak of her extraordinary adventure for more than fifty years. In this memoir, she looks back with fresh insight on the heady early days of Beatlemania and an era in America when young women exercising some control over their lives presented a serious threat to adult society.
