Ursa Tina Shaw,2019-04-01 This alternate history coming-of-age YA is the Winner of the 2018 Storylines Tessa Duder Award. “An inferior people, that’s what the Director called us at the beginning of his reign, but still useful.” There are two peoples living in the city of Ursa: the Cerels and the Travesters. Travesters move freely and enjoy a fine quality of life. Cerel men are kept in wild camps and the women are no longer allowed to have children. The Director presides over all with an iron fist. Fifteen-year-old Leho can’t remember a time when Cerels lived without fear in Ursa. His parents once tried to organise an uprising – his mother was blinded, and his father was taken away. But now his world is changing. Revolution is coming. People will die. Will Leho be able to save his family?

**The Story of Ursa Major and Ursa Minor** Cari Meister,2013 Callisto, a beautiful young huntress, is not looking for love. Ursa Okky Arista,2020-05-05 Pada usia seperempat abad, menurut orang-orang, seharusnya berada di puncak vitalitasnya dan menghabiskan waktu di luar ruangan. Seharusnya jatuh cinta pada pria lajang yang bisa diajak menikah. Bukan bolak-balik rumah sakit lantaran sakit punggung seperti manula. Bukan jatuh cinta pada pria yang sudah bertunangan. Dan Ursa adalah semua yang bukan. Dimulai dari Dokter Irysad yang harus pensiun akibat penyakit jantungnya, berkas Ursa dilimpahkan pada dokter muda dengan wajah seteduh pagi setelah diguyur hujan semalaman dan mata secerah Sirius, Janu Averroes Mahawira atau biasa dipanggil Pak Eros. Diam-diam perasaan itu tumbuh tanpa disadari keduanya, melupakan fakta bahwa Eros memiliki seorang tunangan. Siapa yang mau menjadi orang ketiga dalam sebuah hubungan? Tetapi perasaan itu tak diminta. Jika boleh memilih, Ursa pun akan memilih jatuh cinta pada pria lajang yang dapat dengan mudah ia miliki, bukan dengan Pak Eros dan tunangannya yang ular.

Ursa Major: The Iliad of Ulysses the Bear Ulysses Arctos Gyas,2019-10-21 Ulysses is a curious Alaskan grizzly intrigued by the shuffle and bustle of life in the city. He ventures from the Chugach to study the humans. But... Ulysses is a bear. His efforts frequently end in tranquillizer darts and a trip back to the park. Read the stories of a curious bear... going to college, looking for a vehicle, getting a job, following a honey trail, sampling a picnic, and studying an ecosystem. Each pair of pages features the story of Ulysses' iliad, a relevant factoid about science, society, and nature, and an image to be colorized with pencils.

**Songs in Ursa Major** Emma Brodie,2022-06-28 A scintillating debut from a major new voice in fiction, *Songs in Ursa Major* is a love story set in 1969, alive with music, sex, and the trappings of fame. Raised on an island off Massachusetts by a mother who wrote songs for famous musicians, Jane Quinn is singing in her own band before she's old enough to even read music. When folk legend Jesse Reid hears about Jane's performance at the island's music festival, a star is born--and so is a passionate love affair: they become inseparable when her band joins his on tour. Wary of being cast as his girlfriend--and haunted by her mother's shattered ambitions-- Jane shields her relationship from the public eye, but Jesse's star power pulls her into his orbit of fame. Caught up in the thrill of the road and the profound and lustful connection she has with Jesse, Jane is blind-sided by the discovery she makes about the dark secret beneath his music. Heartbroken and blackballed by the industry, Jane is now truly on her own: to make the music she loves, and to make peace with her family. Shot through with the lyrics, the icons, the lore, the adrenaline of the early 70s music scene, *Songs in Ursa Major* pulses with romantic longing and asks the question so many female artists must face: What are we willing to sacrifice for our dreams?

**The Constellation Ursa Major** Lisa Owings,2013-08 This book on the Constellation Ursa Major describes the constellation, tells of the origin of the myth, retells the transformation of Callisto and Arcas, and discusses the constellation in other cultures.

eventually placed in the stars. The seven brightest stars in Ursa Major form one of the best-known shapes in the sky, the Big Dipper. Learn more in Ursa Major.

**Ursa Minor** Eric Larsen,2014 Three sixteen in the afternoon. One hundred million years.

**Ursa Major** Ulysses Arctos Gyas,2019-01-13 Ulysses is craving some honey. But Ulysses is a bear, and bees don't care to share. Humans have honey by the bottle, and Ulysses follows the trail to its source. Read the story of a curious bear looking to learn about honey. Each pair of pages features the story of Ulysses' odyssey, a relevant factoid footnote by C Jared Castor, and a full-sized image to be colorized with pencils. The moral (to try to find out how and why things are made) and the plot (inquisitive observation) are worth sharing with readers of any age. This book is 34 pages long and designed for a wide range of skill levels. Emphasis on vocabulary building and the integration of fact and fiction render Ursa Major an enticing educational tool.

**Ursa Major** Wes Engel,2018-05-18 Ursa Major Death in the Desert A Summary Consider . . . Two bodies lie alongside a forgotten highway of the IdahoNevada desert. The sun is burning hot. Crows circle overhead. Sam Garrett, an ordinary guy living an ordinary life, comes across the scene of the two murdered victims. He is then propelled into a maelstromone involving a string of murders, fundamental polygamist sects, church cover-ups, corrupt politicians, and corporate greed. The twists, turns, and subplots occur within a broader context of contemporary issues facing the desert southwest. Sam is both stalked by and later stalks the killers as he attempts to unravel the puzzle and stay alive. In the process, he must dodge both secret polygamist societies as well as the federal FBI authorities.

**Songs in Ursa Major** Emma Brodie,2021-06-22 A transporting love story of music, stardom, heartbreak, and a gifted young singer-songwriter who must find her own voice: “In the vein of Daisy Jones and the Six and The Final Revival of Opal and Nev, [this] is an intoxicating chronicle of the music industry, inspired largely by the love affair between artists Joni Mitchell and James Taylor” (Elle). The year is 1969, and the Bayleen Island Folk Fest is abuzz with one name: Jesse Reid. Tall and soft-spoken, with eyes blue as stone-washed denim, Jesse Reid’s intricate guitar riffs and supple baritone are poised to tip from fame to legend with this one headlining performance. That is, until his motorcycle crashes on the way to the show. Jane Quinn is a Bayleen Island local whose music flows as naturally as her long blond hair. When she and her bandmates are asked to play in Jesse Reid’s place at the festival, it almost doesn’t seem real. But Jane plants her bare feet on the Main Stage and delivers the performance of a lifetime, stopping Jesse’s disappointed fans in their tracks: A star is born. Jesse stays on the island to recover from his near-fatal accident and he strikes up a friendship

with Jane, coaching her through the production of her first record. As Jane contends with the music industry's sexism, Jesse becomes her advocate, and what starts as a shared calling soon becomes a passionate love affair. On tour with Jesse, Jane is so captivated by the giant stadiums, the late nights, the wild parties, and the media attention, that she is blind-sided when she stumbles on the dark secret beneath Jesse's music. With nowhere to turn, Jane must reckon with the shadows of her own past; what follows is the birth of one of most iconic albums of all time. Shot through with the lyrics, the icons, the lore, the adrenaline of the early 70s music scene, *Songs in Ursa Major* pulses with romantic longing and asks the question so many female artists must face: What are we willing to sacrifice for our dreams?

*Photographic Guide to Ursa Major Using the Sloan Digital Telescope* Dave Lane, 2008-07-31 A Photographic Catalogue of Deep Sky Objects in the Ursa Major Constellation taken on the Sloan Digital Telescope. Ursa Major, often known as The Plough is a familiar sight in the night sky to most of us. It's seven major stars can be clearly seen in even the most light polluted environments. Those who live in dark locations can see many more stars ..... but what is also there? This volume shows what can be seen in Ursa Major through a large powerful telescope, the Sloan Digital Telescope at Apache Point Observatory in Arizona, a multi-filter imaging 2.5 meter scope which also records spectroscopic redshift details. The Sloan Telescope Survey commenced in 2000 and aims to map 25% of the sky, and record observations on about 100 million objects. This volume illustrates the hidden grandeurs of the Ursa Major Constellation using these images from the Sloan Telescope. *Ursa Minor: Fear* Tom Hutchison, 2016-02-24 In 2013, Nature's supernatural balance is shattered when werewolves assassinate the President of the United States during a live television broadcast. The vampire nations are quick to arrive and come to aide all of mankind during the darkest of all hours, as they begin the systematic slaughter of all lycanthrope races. And now, twenty years later, a young girl with a power she can barely control, sets out to right what has gone horribly wrong the only way she knows how. KILL THEM ALL

*The Constellation Ursa Minor* Lisa Owings, 2013-08 Retells the story of Ursa Minor, discusses the origins of the myth, the stars that make up this constellation, and how to locate it in the night sky.

*Rockets in Ursa Major* Fred Hoyle, Geoffrey Hoyle, 2015-06-24 Originally written as a play and performed at the Mermaid Theatre, Easter 1962. It is the early 20th century. Man is seeking signs of life elsewhere in the universe, but all exploratory ships have been lost without a trace - except for

DSP15. Thirty years after leaving earth, and given up for lost, DSP15 suddenly appears on radar screens at the space station at Mildenhall, England. Her crew had been frozen to prevent ageing, and as the ship settles to a landing, Dr Richard Warboys eagerly awaits with other scientists for word of what DSP15 has found. But there is no crew, only a message scratched into a metal surface, signed by the captain: If this ship returns to Earth, then mankind is in deadly peril - God help you - And so Earth becomes accidentally involved in a cosmic battle against a virtually omnipotent alien power, in a story suspenseful and exciting from cover to cover.

Teddy Roosevelt and the Treasure of Ursa Major Kennedy Center, The, 2011-01-04 Imagine if you lived in the White House! The first book centers around three of Theodore Roosevelt's children, Kermit, Ethel and Archie. Their mother is away and they are left in the charge of a comical nanny named Mrs. Duffit and their President father, who is very preoccupied with the visit from a quirky Russian Ambassador, Count Cassini. Eager to keep the children out of trouble, President Roosevelt sends his children on a treasure hunt--just like Treasure Island, only in the White House. There are mysteries popping out of Dolley Madison paintings and strange goings-on in the attic--and the result is a rollicking good time and a crash course in American history too. Ron Kidd has masterfully adapted the script from the original play into a novel for us, and Ard Hoyt's playful illustrations are interspersed throughout.

*Raising Ursa* Nicole S. Amato, 1996 Based on the true story of a sea lion pup born in an aquarium, found to have a broken jaw and an infection, and nursed to recovery by her keepers.
