*Why Are We Yelling?* Buster Benson,2019-11-19 Have you ever walked away from an argument and suddenly thought of all the brilliant things you wish you'd said? Do you avoid certain family members and colleagues because of bitter, festering tension that you can't figure out how to address? Now, finally, there's a solution: a new framework that frees you from the trap of unproductive conflict and pointless arguing forever. If the threat of raised voices, emotional outbursts, and public discord makes you want to hide under the conference room table, you're not alone. Conflict, or the fear of it, can be exhausting. But as this powerful book argues, conflict doesn't have to be unpleasant. In fact, properly channeled, conflict can be the most valuable tool we have at our disposal for deepening relationships, solving problems, and coming up with new ideas. As the mastermind behind some of the highest-performing teams at Amazon, Twitter, and Slack, Buster Benson spent decades facilitating hard conversations in stressful environments. In this book, Buster reveals the psychological underpinnings of awkward, unproductive conflict and the critical habits anyone can learn to avoid it. Armed with a deeper understanding of how arguments, you'll be able to: Remain confident when you're put on the spot Diffuse tense moments with a few strategic questions Facilitate creative solutions even when your team has radically different perspectives Why Are We Yelling will shatter your assumptions about what makes arguments productive. You'll find yourself having fewer repetitive, predictable fights once you're empowered to identify your biases, listen with an open mind, and communicate well.

Do they stay hidden and safe, or risk it all to save the day? **Buster Tries to Bail** David Powlison,2020-09-21 This colorful, beautifully illustrated children's book invites children ages three through eight into Buster Bunny's world to learn alongside him how to bring his worries and stress to Jesus. Buster loves racing, but the more he thinks about the upcoming competition at the county fair for who will be the fastest animal in Mulberry meadow, the more stressed he gets. No matter how hard he trains, he can't eat or sleep, and eventually he decides he wants to quit running. Buster's parents talk with him about quieting the noise in his head so he can listen to Jesus instead of all his worries. Parents and children will learn concrete, grace-based ways to deal with stress. Based on David Powlison's minibook Stressed Out and edited by Nan Powlison, Buster Tries to Bail ends with a special section that guides parents in teaching their children to respond with faith when worries take hold in their hearts. Buster Tries to Bail is part of the Good News for Little Hearts series, bringing gospel help and biblical counsel to families. Based on CCEF's model of hope and help, each story focuses on an animal family's real-life issues, encouraging young readers toward a growing relationship with Jesus in the midst of challenging circumstances. Each individual story guides parents toward meaningful conversations with their kids, based on what Scripture has to say about living by faith in everyday life. By providing biblical help and hope to issues every child faces through vivid illustrations and a story based on a different animal family, even the youngest child will be engaged. Each story offers practical ways to follow Jesus in difficult situations. Instead of a moralistic message, young readers are encouraged to develop a real relationship with the God who cares for them. Buster Tries to Bail, along with all of the Good News for Little Heartsbooks, will become a lifelong gift for parents and children, as well as teachers, biblical counselors, and anyone hoping to provide concrete, grace-based help for young children. Buster Tries to Bail is illustrated by Joe Hox and edited by Nan Powlison.

*Buster* Caleb Huett,2021-04-06 Buster's a therapy dog who needs to take matters into his own paws to help a boy understand his own anxiety even if it means breaking a few rules. Buster's in big trouble. He's been dragged to Dog Court for breaking one of the most sacred of all dog rules: Never, ever talk to a human, or let a human know how smart you really are. But he swears he had a good reason! The boy he's been taking care of, Tonio, needed his help in a big way. You see, Tonio is afraid all the time -- afraid of saying or doing the wrong thing, afraid of making a fool of himself or (even worse) hurting someone else's feelings. His doctor thinks having a therapy dog will help his anxiety -- and Buster wants to help. He really wants to help. Even if it means breaking the rules

**BUSTER THE BIG BROWN BEAR - 16 adventures of Buster the Bear** George Ethelbert Walsh,2018-09-08 This book is for all little boys and girls who love animals. BUSTER THE BEAR is brave and fearless in danger, and so lovable that you won’t lay down this book without saying wistfully, “I almost wish I had him really and truly as a friend and not just a story-book acquaintance.” This, of course, is a splendid wish; but none of us could afford to have a big brown bear as a friend and living in their house, for that is just what you would have to do if you went outside of the books. So we will leave them just where they are—in the books—and read about them, and let our imaginations take us to him where we can see them playing, skipping, singing, and sometimes fighting, and if we read very carefully, and think as we go along, we may come to know them even better than if we went out hunting for them. In the meantime, come out into the woods with me,

and let us listen and watch, and I promise you it will be worthwhile. The stories and adventures of Buster in this volume are: I When Buster Was a Cub II Buster and Loup III How Buster Got Out of the River IV Buster is Carried Away by the Men V How Buster Was Stolen VI Buster’s Cruel Masters VII Buster Makes His Escape VIII Buster’s First Public Appearance IX Buster Saves Chiquita X Buster Becomes a Trick Bear XI Buster In a Railroad Wreck XII Buster Meets the Little Girl Again XIII Buster and the Little Girl XIV Buster Tries to Escape and is Discovered XV Buster is to be Sent to the Zoo XVI Buster Returns to the North Woods This volume is sure to keep you and your young ones enchanted for hours, if not because of the quantity, then their quality. They will have you coming back for more time and again. ===== KEYWORDS/TAGS: fairy tales, animal stories, folklore, myths, legends, children’s stories, childrens stories, bygone era, fairydom, fairy kingdom, ethereal, fairy land, classic stories, children’s bedtime stories, happy place, happiness, laughter, Buster the bear, Cub, Loup, mountain lion, River, trapped, Carried Away, Man, Men, Stolen, Steal, thief, Cruel, Master, Escape, Public, Appearance, Save, Chiquita, Trick Bear, Railroad, Railway, Wreck, accident, Little Girl, Meet, Discover, discovery, Zoo, Returns, North Woods, forest, jungle, illustrated, kind, adventure, tales, escapades, , Spot, , girl, cage, Lynx, Ocelot, Lion, cave, animals, paw, big, Groundy, Leopard, Nell, opposite, swim, pole, train, growl, North, Cat, sweet, cruel, bank, polecat, mountain, hill, outside

**Buster Keaton: Cut to the Chase** Marion Meade,2014-04-01 An American icon, Joseph Frank “Buster” Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond. His elaborate slapstick made audiences scream with laughter. But, his stone face hid an internal turmoil. In BUSTER KEATON: CUT TO THE CHASE, biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education. “Buster” made his name as a child of vaudeville, thrown around the stage by his father in a cartoon pantomime of very real abuse. The lessons he carried forward from that experience translated into some of the greatest silent films of all time. Keaton wrote, directed, performed, and edited dozens of features and shorts, including his masterpiece, The General. However, those early scars also led to decades of drinking and mistreatment of women. Keaton saw huge successes, Hollywood sex scandals, years of neglect from studios and audiences, and finally a shaky resurrection that assured his place in Hollywood’s film canon. Meticulously researched, this book brings together four years of research and hundreds of interviews to paint a nuanced portrait of a compelling artist. No comedy fan or film buff should miss this insider story of the man behind the stone face.
