

Vegas

Hunter S. Thompson

Super Casino Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

Fear and Loathing in Las Vegas (Harper Perennial Modern Classics) Hunter S. Thompson,2014-10-16 'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive ..."'

Las Vegas Little Black Book David Demontmollin,Hiram Todd Norman,2005 The bachelor party/guy's weekend has become a staple of the Las Vegas strip. The Las Vegas Little Black Book knows what men want from their weekend in Sin City, where to find it, how much to pay for it and how to go home satisfied.

A Short History of Las Vegas Barbara Land,Myrick Land,1999 The Mob came after World War II, laden with ill-gotten cash and the know-how needed to turn the dusty little burg into an international gaming mecca, but Las Vegas was built by thousands of honest, hardworking Americans and immigrants as well.

Neon Metropolis Hal Rothman,2015-10-15 First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

The Real Las Vegas David Littlejohn,1999-10-28 What images come to mind when you think of Las Vegas? Mobsters and showgirls, magicians and tigers, multimillion-dollar poker games and prizefights; towering signboards that light up the night in front of ever more spectacular casino hotels. But real people live here, too--over a million today, two million tomorrow. Greater Las Vegas has long been the fastest growing metropolitan area in America. And almost every aspect of its citizens' lives is influenced by the almighty power of the gambling industry. A team of fifteen reporters led by David Littlejohn, together with prize winning photo-journalist Eric Gran, studied the real Las Vegas--the city beyond the Strip and Downtown--for the better part of a year. They talked to teenagers (whose suicide and dropout rates frighten parents), senior citizens (many of whom spend their days playing bingo and the slots), Mexican immigrants (who build the new houses and clean the hotels), homeless people and angry blacks, as well as local police, active Christians, city officials, and prostitutes. They looked into the local churches, the powerful labor unions, pawn shops, the real estate boom, defiant ranchers to the north, and dire predictions that the city is about to run out of water. Proud Las Vegans claim that theirs is just a friendly southwestern boomtown--the finest community I have ever lived in, says Bishop Daniel Walsh, who comes from San Francisco. But their picture of Las Vegas as a vibrant, civic-minded metropolis conflicts with evidence of transiency,

rootlessness, political impotence, and social dysfunction. In this close-up investigation of the real lives being led in America's most tourist-jammed, gambling-driven city, readers will discover a Las Vegas very different from the one they may have seen or imagined.

Cult Vegas Mike Weatherford, 2001 Mike Weatherford resurrects the mystique of Vegas's Golden Age--the '60s of history and legend--bringing the hipster legacy to new Vegasphiles. Meet '50s and '60s lounge greats the Treniers, the Mary Kay Trio, and Louis Prima and Keely Smith; comedy legends Joe E. Lewis, Shecky Greene, and Don Rickles; and Vegas babes Vampira, Lili St. Cyr, Ann-Margret, and Tempest Storm. Weatherford also covers nearly every offbeat movie ever made about Las Vegas, as well as Elvis and Frank's impact on the town. This gorgeous entertainment retrospective is packed with showroom esoterica, descriptions of near-forgotten corners of Vegas cult musicology, odd trivia, and unsung heroes of a bygone era. Cult Vegas chronicles the major moments--the camp, the extreme, the awful--in short, the magic of Las Vegas' half-century run as an entertainment mecca.

Las Vegas Eugene P. Moehring, Michael S. Green, 2005-03-16 This is an account of the growth of Las Vegas, the impact of politics and war, and the struggle to establish a diverse economy. Aspects of city building, creation of infrastructure and transportation, the struggle to obtain a reliable source of water, and the function of cultural, educational and religious institutions are all given consideration.

Elvis in Vegas Richard Zoglin, 2020-11-10 "Outstanding pop-culture history." --Newsday The "smart and zippy account" (The Wall Street Journal) of how Las Vegas saved Elvis and Elvis saved Las Vegas in the greatest musical comeback of all time. Elvis's 1969 opening night in Vegas was his first time back on a live stage in more than eight years. His career had gone sour--bad movies, mediocre pop songs that no longer made the charts--and he'd been dismissed by most critics as over-the-hill. But in Vegas he played the biggest showroom in the biggest hotel in the city, drawing more people for his four-week engagement than any other show in Vegas history. His performance got rave reviews; "Suspicious Minds," the song he introduced there, gave him his first number-one hit in seven years; and Elvis became Vegas's biggest star. Over the next seven years, he performed more than 600 shows there, and sold out every one. Las Vegas was changed, too. By the end of the '60s, Vegas' golden age--when the Rat Pack led a glittering array of stars who made it the nation's premier live-entertainment center--was losing its luster. Elvis created a new kind of Vegas show: an over-the-top, rock-concert extravaganza. He set a new bar for Vegas performers, with the biggest salary, the biggest musical production, and the biggest promotion campaign the city had ever seen. He opened the door to a new generation of pop/rock artists and brought a new audience to Vegas--not the traditional well-heeled older gamblers, but a mass audience from Middle America that Vegas depends on for its success to this day. At once "a fascinating history of Vegas as gambling capital, celebrity playground, mob hangout, [and] entertainment Valhalla" (Rolling Stone) and the incredible "tale of how the King got his groove back" (Associated Press), *Elvis in Vegas* is a classic feel-good story for the ages.

Fear and Loathing in Las Vegas Hunter S. Thompson, 2010-09-29 50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed

to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.

Beneath the Neon Matthew O'Brien, 2007 The catacombs of ancient Rome served as houses of worship for Jews and Christians. The sewers of Paris yielded gold, jewels, and relics of the revolution. A slave trade thrived in underground chambers along Portland, Oregon's waterfront. Ukrainian Jews found refuge from the Nazis in a system of caves. And thousands of street people have lived in the subway tunnels of New York City. What secrets do the Las Vegas storm drains keep? What discoveries wait in the dark? What's beneath the neon? Armed with a flashlight, tape recorder, and expandable baton, Las Vegas CityLife writer and editor Matthew O'Brien explored the black-and-grey underworld of the Las Vegas flood-control system for four years. This book chronicles O'Brien's adventures in subterranean Las Vegas. He follows the footsteps of a psycho killer. He braces against a raging flood. He parties with naked crackheads. He learns how to make meth, that art is most beautiful where it is least expected, that in many ways, he prefers underground Las Vegas to aboveground Las Vegas, and that there are no pots of gold under the neon rainbow.

Leaving Las Vegas John O'Brien, 2007-12-01 This "brutal and unflinching" novel of fleeting love in Sin City inspired the film starring Nicholas Cage and Elizabeth Shue (Jay McInerney, author of *Bright Lights*, *Big City*). John O'Brien's debut novel, *Leaving Las Vegas*, is an emotionally wrenching story of a woman who embraces life and a man who rejects it; a powerful tale of hard luck, hard drinking, and a relationship of tenderness and destruction. An avowed alcoholic, Ben drinks away his family, friends, and, finally, his job. With deliberate resolve, he burns the remnants of his life and heads for Las Vegas to end it all in the last great binge of his hopeless life. On the Strip, he picks up Sera, a prostitute, in what might have become another excess in his self-destructive jag. Instead, their chance meeting becomes a respite on the road to oblivion as they form a bond that is as mysterious as it is immutable.

100 Things to Do in Las Vegas Before You Die Laura Carroll, Adam Kealoha Causey, 2016-04-01 Las Vegas may have risen to fame as hotbed of forbidden fun, but in its modern incarnation, there's something here for everyone. Whether you're a sinner or a saint, *100 Things to do in Las Vegas Before You Die* will guide you to places you never knew existed and give you that extra nudge to visit that landmark you've always wanted to see. Come here for a weekend or stay for weeks. These pages will guide you to world-class dining and entertainment on the Strip, the hippest new restaurants in Chinatown or cheap but delicious eats in the city's suburban strip malls. Hike Alpine heights just an hour away from the bright lights, or soak up mob and natural history right in town. Come any time of year: If it's summertime, there are pools galore. If it's winter, get an up-close view of the Mojave Desert's beauty. Let *100 Things to do in Las Vegas Before You Die* be your insider's guide to everything the Las Vegas Valley has to offer. You'll see why 40 million people a year visit this desert oasis - and why many of them keep coming back.

The Complete Idiot's Guide to Las Vegas John Hawks, Tom Higgins, 2009-02-03 Vegas, baby! *The Complete Idiot's Guide® to Las Vegas* takes the guesswork out

of planning the perfect vacation. Readers are given practical advice based on the kind of trip they're looking for. ?A reader-friendly list of visual icons and symbols that make navigating the book easy ?Ultimate itineraries suited to different lengths of stay and special interests ?Everything readers need to know about gambling, shopping, entertainment, restaurants, activities, and hotels ?An eight-page color insert that captures the magic of the city

Suburban Xanadu David G. Schwartz,2003 Institution. Remarkably detailed and entertaining, *Suburban Xanadu* tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

The Grit Beneath the Glitter Hal Rothman,Mike Davis,2002-03-15 The Grit Beneath the Glitter is the first real look at the new Las Vegas from the inside. In it, long-time residents as well as professionals reflect on the transformation of one of the fastest-growing and most famous cities on earth, yet one about which relatively little is known. They offer a lively and compelling portrait of the other side of Las Vegas: the people and institutions that support the glitter of the gaming and entertainment industry. Examining a range of topics--from the city's commercial history, labor conditions, and environmental problems to an analysis of the famous lights of the Strip--the contributors uncover the contradictions between the illusion and the reality of the city, the seam between fantasy and the life it masks. The essays in this collection explore the world that employees experience when they enter gaming palaces from an employee entrance in a back parking lot rather than through the scripted doors of casino/hotel palaces. They take readers into the neighborhoods where 1.4 million Americans now live, attend school, eat dinner, and go to work.

The Moulin Rouge and Black Rights in Las Vegas Earnest N. Bracey,2009-01-22 Originally opened in May 1955, the Moulin Rouge Hotel and Casino quickly rose in popularity as Las Vegas' first racially-integrated hotel and casino. Sammy Davis, Jr., Louis Armstrong, and other A-list black singers and musicians performed at the Moulin Rouge on a regular basis, and for once they were allowed to spend the night in the same hotel where they performed. This book explains the important role that the hotel-casino played in early desegregation efforts in Las Vegas. With the Moulin Rouge as the backdrop, it provides an analysis of the evolution of race-relations in Las Vegas, including a detailed account of the landmark 1960 desegregation agreement. Finally, it examines recent efforts to rebuild and renovate the historic establishment.

The Strip Stefan Al,2017-03-03 The transformations of the Strip—from the fake Wild West to neon signs twenty stories high to “starchitecture”—and how they mirror America itself. The Las Vegas Strip has impersonated the Wild West, with saloon doors and wagon wheels; it has decked itself out in midcentury modern sleekness. It has illuminated itself with twenty-story-high neon signs, then junked them. After that came Disney-like theme parks featuring castles and pirates, followed by replicas of Venetian canals, New York skyscrapers, and the Eiffel Tower. (It might be noted that forty-two million people visited Las Vegas in 2015—ten million more than visited the real Paris.) More recently, the Strip decided to get classy, with casinos designed by famous architects and zillion-dollar collections of art. Las Vegas became the “implosion capital of the world” as developers, driven by competition, got rid of the old to make way for the new—offering a non-

metaphorical definition of “creative destruction.” In *The Strip*, Stefan Al examines the many transformations of the Las Vegas Strip, arguing that they mirror transformations in America itself. The Strip is not, as popularly supposed, a display of architectural freaks but representative of architectural trends and a record of social, cultural, and economic change. Al tells two parallel stories. He describes the feverish competition of Las Vegas developers to build the snazziest, most tourist-grabbing casinos and resorts—with a cast of characters including the mobster Bugsy Siegel, the eccentric billionaire Howard Hughes, and the would-be political kingmaker Sheldon Adelson. And he views the Strip in a larger social context, showing that it has not only reflected trends but also magnified them and sometimes even initiated them. Generously illustrated with stunning color images throughout, *The Strip* traces the many metamorphoses of a city that offers a vivid projection of the American dream.

Learning from Las Vegas Robert Venturi, Denise Scott Brown, Steven Izenour, 1991

The Rough Guide to Las Vegas Greg Ward, 2002 This handbook to the neon oasis incorporates tips on blackjack and other gaming options to give you the chance to leave Las Vegas without losing the lot. It includes coverage of the area's other sights, from watersports at Lake Mead to the Hoover Dam and the Valley of Fire, plus an account of the Strip's 100 year history.

Vegas Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Vegas**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

Vegas Introduction

In today's digital age, the availability of Vegas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Vegas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Vegas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Vegas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Vegas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF

files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Vegas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Vegas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Vegas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of

acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Vegas books and manuals for download and embark on your journey of knowledge?

FAQs About Vegas Books

1. Where can I buy Vegas books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Vegas book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Vegas books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Vegas audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Vegas books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
