The Einsteins of Vista Point Ben Guterson,2022-04-12 After the tragic loss of their sister, Zack and his siblings band together to investigate a Morse Code-inspired mystery in this stunning novel about grief and resilience. When Zack's younger sister dies in a tragic accident, his family moves to a small town in the Northwest to try and heal from the pain. Vista Point is home to many mysterious landmarks, including the great domed stone Tower with its cryptic message hidden in the ceiling. Zack blames himself for his sister's death, and he struggles to find comfort in his new surroundings. Until he meets Ann, a girl who lives in the area and shows Zack all the special places to be discovered. But there's something that seems a bit strange about Ann—and perhaps a secret she is keeping from him. This masterful novel thoughtfully explores how a season of pain can evolve into a summer of healing. Guterson does a splendid job of conjuring up the ideal setting for a classic summer story....An adventure that begs to be read by flashlight under bedcovers. –Booklist Guterson sensitively explores Zack's journey toward self-forgiveness in this contemplative adventure. –Publishers Weekly The fascinating cipher that ties it all together is the highlight of this wholesome, gentle story....An inspirational throwback for families seeking tales with a classic feel. –Kirkus Reviews

Stuck inside their posh bubble, secrets are bound to unravel. When Mia finds out her best friend Jade has gone missing, her entire world shatters. Jade, the beautiful, lively social butterfly and social media star is nowhere to be found. Vista Lois Vaughan Cavalier,2008 The vast California land grants of the mid-1800s have long since been divided, yet Vista remains The Home of the Ranchos. Two imposing adobe ranch houses that served as the earliest centers of northern San Diego County social and business life now stand fully restored as focal points for educational and cultural events. Until 1926, Vista's rich soil and near-perfect climate lacked one critical element: an adequate, reliable water supply. The formation of Vista Irrigation District resulted in the celebrated arrival of an ample supply of water and marked the commencement of an agricultural empire. Vista was soon the

avocado capital of the world, with citrus, field, and flower crops flourishing as well. The home-building surge following World War II led to its incorporation as a city in 1963, which enhanced Vista's ongoing reputation as a thriving, family-oriented community that excels today in commercial, recreational, and cultural endeavors.

The Beekeeper's Ball Susan Wiggs,2016-05-31 #1 New York Times bestselling author Susan Wiggs returns to sun-drenched Bella Vista, where the land's bounty yields a rich harvest...and family secrets that have long been buried Isabel Johansen, a celebrated chef who grew up in the enchanting Sonoma town of Archangel, is transforming her childhood home into a destination cooking school—a unique place for other dreamers to come and learn the culinary arts. Bella Vista's rambling mission-style hacienda, with its working apple orchards, bountiful gardens and beehives, is the idyllic venue for Isabel's project...and the perfect place for her to forget the past. But Isabel's carefully ordered plans begin to go awry when swaggering, war-torn journalist Cormac O'Neill arrives to dig up old history. He's always been better at exposing the lives of others than showing his own closely guarded heart, but the pleasures of small-town life and the searing sensuality of Isabel's kitchen coax him into revealing a few truths of his own.
