The Wallpaper Book Genevieve Brunet, 2012-05-15 A wealth of design inspiration for any home: wallpaper styles to suite every taste, from nostalgic floral prints to playful retro revivals. While it has long been an essential element of interior decor, wallpaper is currently experiencing a creative boom. This everyday material has always reflected social shifts as well as changing fashions, and now designers everywhere are rediscovering its versatility, using it to achieve a variety of imaginative effects. It can add texture, warmth, wit, or personality to any space, becoming a tranquil backdrop or a striking conversation piece. A room may be papered with a profusion of patterns, or a wallpaper mural can make a bold statement, even blurring the boundaries between design and art installation. This book explores the art of wallpaper from its historical beginnings to the present day. Beginning with the handcrafted papiers peints of the eighteenth century through the Arts and Crafts movement, modernism, and Pop art, it traces the influences behind today's popular motifs and showcases a dazzling selection of the very best in contemporary wallpaper. Some designers are reviving and reinventing traditional craft techniques while others embrace the latest in digital printing technology, even incorporating glow-in-the-dark effects or LED lights.

The Yellow Wall-Paper Charlotte Perkins Gilman, 2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone – forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic – imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. CHARLOTTE PERKINS GILMAN (1860-1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. Her most famous work is the short story The Yellow Wall-Paper [1892], written when she suffered from postpartum psychosis.

Wallpaper Carole Thibaut-Pomerantz, 2009-10-13 Wallpaper was initially used as an affordable substitute for lavish coverings, such as frescoes, tapestries, leathers, or hangings. Its current form debuted in sixteenth-century England, and its popularity took off at the end of the eighteenth century following advances in reproduction techniques. Wallpaper transformed the world of interiors, offering depth and perspective, creating the illusion of panoramic vistas, and incorporating narrative sequences, collections of engravings, or brief morality or history lessons. It eventually developed into the wide range of styles that have marked four centuries of decorative art, from Raphael to conceptual art, and from frescoes to photography. This stunning contribution to wallpaper's current revival offers a comprehensive review of a savoir faire that continues to thrive.

The Yellow Wallpaper Charlotte Perkins Gilman, 2023-03-06 Edited with a new introduction by Aimee McLaughlin The Yellow Wallpaper by American writer Charlotte Perkins Gilman, first published in January 1892, is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century. What happens when a woman is pushed too far? Is she able to express her thoughts and feelings, or is she forced towards the expectation of behaving 'normally' again soon? A woman travels with her husband

to an old colonial mansion after a nervous breakdown triggered by the birth of their child. Confined to the nursery and allowed only to breathe fresh air, eat well and rest in line with a regimented 'cure', she slowly begins to unravel at the seams. Her only distraction is writing in secret – that, and the woman she begins to see trapped inside the yellow wallpaper of the room itself. Isolated and breaking apart, she sets herself a task: to free the woman, and to become one with her temporary confinement. Charlotte Perkins-Gilman's 'The Yellow Wallpaper' presents a harrowing, disturbing account of mental stress, confinement and female turmoil - within which the only available solace can be found inside four peeling, sickly yellow walls ... Our new edition also features the sequence of poems *Woman* by Charlotte Perkins Gilman. The gothic genre offers Gilman an effective mode of diagnosing contemporary culture whilst in tandem expressing her ensuing fears and anxieties. Gilman within this novella, gothicises the domestic setting, inverting the pillars of domesticity: family, security and understanding, in turn unveiling the dangers lurking behind the familiarity of gender roles within marital relations. The intimate first-person narration of the narrative serves to enhance Gilman's exposure of the oppressive forces of a male-dominated society, as she deplores her protagonist's inferior position in her domestic arrangement. The female narrator is encumbered by masculine superiority, undoubtedly dwelling in the middle of patriarchy. Embedded within her characterisation is the subjugated role bestowed upon Victorian women. Gilman projects derangement onto a familiar literary figure — the middle-class wife and mother — placing the source of this madness in the inviolate sphere for dutiful women — the home. from the new introduction to *The Yellow Wallpaper* by Aimee McLaughlin
