Windows at Tiffany & Co. ,2018-11-01 They are astonishing, wonderful, and always, invariably modern: the windows at Tiffany's Fifth Avenue flagship are the stuff dreams are made of. Their appeal is universal, inviting passersby, old and young, to vanish through the looking glass and into a spellbinding world of robin's egg blue where even the most elusive of fantasies may come true. This hand-bound oversize Ultimate Collection edition presents a well-curated tour of the intricately crafted displays that continue to serve as references of the zeitgeist, from the legendary designer Gene Moore's Christmas and Valentine's displays to the neon creations of the current Tiffany & Co. creative team. Windows Julia Denos, 2021-02-09 Walking his dog at dusk, one boy catches glimpses of the lives around him in this lovely ode to autumn evenings, exploring your neighborhood, and coming home. Before your city goes to sleep, you might head out for a walk, your dog at your side as you go out the door and into the almost-night. Anything can happen on such a walk: you might pass a cat, or a friend, or even an early raccoon. And as you go down your street and around the corner, the windows around you light up one by one until you are walking through a maze of paper lanterns, each one granting you a brief, glowing snapshot of your neighbors as families come together and folks settle in for the night. With a setting that feels both specific and universal and a story full of homages to *The Snowy Day*, Julia Denos and E. B. Goodale have created a singular book — at once about the idea of home and the magic of curiosity, but also about how a sense of safety and belonging is something to which every child is entitled.
