Wings E.D. Baker,2011-04-10 Tamisin has always been a little weird. Her freckles actually look more like sparkles and occasionally, she likes to dance under the full moon. Then one day, wings sprout from her back, and Tamisin learns that her parents adopted her from fairyland. Inspired by A Midsummer Night's Dream, this fairy tale will delight fans of The Tales of the Frog Princess and new readers alike.

Blood Wings Stephen Gresham,1990-01-01 Wade Martin is haunted by a horrifying and very real incarnation of his worst nightmare--a bloodthirsty batman who is winging over the Everglades at night, feeding on unsuspecting Floridians

Illusions Aprilynne Pike,2011-05-03 I don't do patrols, I don't go hunting, I just stick close to you. You live your life. I'll keep you safe, Tamani said, sweeping a lock of hair from her face. Or die trying. Laurel hasn't seen Tamani since she begged him to let her go last year. Though her heart still aches, Laurel is confident that David was the right choice. But just as life returns to normal, Laurel realizes that a hidden enemy lies in wait. Once again, Laurel must turn to Tamani to protect and guide her, for the danger that now threatens Avalon is one that no faerie thought would ever be possible. And for the first time, Laurel cannot be sure that her side will prevail.

My Life with Wings Hal Marcovitz,2013-05 My Life With Wings has been selected for the 2014

Beverly Hills Book Award in the New Fiction category. The book is also a finalist for the Eric Hoffer Award Montaigne Medal and the Hoffer Grand Prize... Hal Marcovitz's funny yet thought-provoking *My Life With Wings* is about a newspaper copy editor, Eggerton, who wakes up one day and discovers that he has wings. What is he going to do with them? Eggerton does not seem to easily relish this unexpected development. Instead, he deeply ponders on what his action should be and how will he cope with this new chapter of his life...Simply put, this is a unique tale and a creditable triumph for the author who has created a book worthy of sitting on a shelf next to the works of other great writers. -Lit Amri, book critic for ReadersFavorite.com

Wings of My Father Andrew Angelo,2020-11-07 Before the advent of today's technology, with the many varieties of communication and navigation available via iPads, iPhones, and streaming information into today's cockpits, the pilot had to solely rely on information provided through the aircraft's communication and navigation radios.Loss of these radios, through a complete electrical failure, on a dark stormy night would place the pilot and his aircraft in the position of being blind and deaf while they flew with

Chicken Wing Cookbook Sharon Powell,2021-03-26 Chicken wings are pretty popular as a dish in the United States of America. They're also referred to as buffalo wings at times. The right cooking method, the right marinade, and the right amount of crispness that brings out the best of the wings are all continuously debated by chicken-wing lovers. The origin of the dish is also debated just as much. One of the popular theories surrounding the origin of chicken wings is Teresa Bellissimo's preparation of frying the wings in hot oil to prepare a quick snack. Her son, Dominic, had shown up with unexpected guests, and she deep fried the wings and tossed them in some hot sauce. It was purely an experimental cooking achievement that turned out to be pretty genius later on. John Young's experimentation with chicken wings reserved for the stock is also cited by many as one of the origin theories of the iconic dish.

Wings Danielle Steel,2009-02-25 From a house on the edge of her family's dusty farmland airstrip near Chicago, the child Cassie O'Malley would sneak into the night to look at the planes sitting shimmering in the moonlight. Her World War I veteran father, Pat, wanted his son to be a pilot, not his reckless, red-haired daughter. But it was Cassie who had the gift. Ever since she could remember, Cassie felt the pull of getting in a cockpit and taking to the skies. Observing all the while was her father's junior partner, Nick Stick Galvin, a fellow war ace and airborne daredevil. Nick would become her confidant and best friend, willing to break all the rules to teach her to fly, knowing that the greatest gift he could give her was the freedom of flying. When California entrepreneur Desmon Williams sees Cassie in a local airshow, he invites her to California where she breaks new ground as a test pilot. Soon Cassie's record-breaking flights make her a media darling. Drawn by Desmond's plans for her to break Amelia Earhardt's records, but determined to avoid her mistakes, Cassie trains for the remarkable journey around the world. From public appearances to press conferences, easily used by both her husband and the press, Cassie realizes that there is more to life than making headlines. Risking her life, pushing herself to her limits, she decides to chart her own course and pursue her own destiny, whatever it costs her. *Wings* is set in a time of constant change, when the world was on the brink of war and the skies were filled with adventurers, a time when courage and daring forever changed modern-day aviation.

The Angel with the Broken Wings Sally J. Knipe,2012-07 The angel was even more beautiful than before ... Angelica sat on a hand-carved chest in Johnny's foyer, and even though Johnny was told to look but not touch, he couldn't resist, and he picked her up. The angel fell from his small

hands, and with a loud crash, her wings broke into a million pieces all over the floor. God, however, does a miraculous work. Johnny's story is one that teaches the importance of obedience but also brings home the lesson that when God repairs us, we are even more beautiful than before.

Things with Wings Pam Holden,2021-04-30 We all know that birds have two wings. What else has wings to fly? Do you know something that has four wings? What has got two wings, but can't fly?

Wings Comics #108 Kari Therrian,Wings Co.,2017-01-25 WINGS COMICS #108Wings Comics was first published in 1940. Wings Comics was the descendant of Fiction House's old Wings magazine from the 1920's. Both the comic and the magazine were aimed at flight enthusiasts, with earlier issues, in particular, concentrating on aviation history and (relatively) basic aerobatic stunts such as wing-walking. As the war in Europe spread to America, the magazine moved from a pure aviation focus to publishing war-hero stories that were virtually indistinguishable from the Blackhawk and Captain Midnight tales that were popular at the time.You can enjoy again - or for the first time -Wings Comics #108 with this public domain reprint from Golden Age Reprints. Check out the full line - new titles every week! The classic comic reprints from GOLDEN AGE REPRINTS and UP History and Hobby are reproduced from actual comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available. Angel's Wings Anne Stuart,2015-08-24 Angela Hogan is a pilot. A good pilot, and one of the few female flying aces of the 1930s. Struggling to make a living while the Great Depression rages, Angela has no problem running a small business and competing with men who believe a woman's place is in the home. She has a plan to bring in business. All she needs to do is break the record for flying from Newfoundland to Havana, and that's exactly what she plans to do. But when a competing air freight company threatens her livelihood, Angela has no choice but to hire a hotshot pilot with a reputation for setting records in the air and being a lady's man on the ground. Jack Clancy doesn't like bossy women. He prefers blondes with more beauty than brains, but he takes the job at Hogan Air Freight in order to save enough money to ship his own plane back to the States and get it the repairs it needs. He tries to tell himself that's the only reason, even as he is drawn inexplicably to Angela Hogan. The female pilot and her determined attitude bother Jack, but that doesn't stop him from fantasizing about what lies beneath that prim and proper exterior, even as she squares off to fight him at every turn. Soon Jack and Angela's shared passion for flying turns into a passion for one another. But Jack has no intention of becoming tied to a woman like Angela and having his wings clipped. And Angela has no intention of leaving the flying to the men so she can become a homemaker. She intends to finish what she started and break the record for the flight she had planned, even when it turns out that the record she's breaking belongs to Jack Clancy.
