Zuma Jeremy Gordin,2010-11-22 The first edition of Zuma, published in late 2008, concluded with Jacob Zuma's future balancing on a knife's edge. National elections loomed, but so did corruption charges and endless court battles. Since then Zuma's star has spectacularly risen - the corruption charges were dropped, he led the ANC to election victory and duly became President of South Africa, and his new cabinet and government appointments were generally well received. But he has also recently suffered a huge blow with revelations of another love-child, this time with the daughter of soccer supremo Irvine Khoza. Many of his supporters have distanced themselves from him, and Zuma is looking isolated. Pundits are once again wondering how long he'll survive as President. In this revised and updated edition, Jeremy Gordin takes the reader right up to present. He covers in detail the highs and lows of Zuma's past 18 months, including the final salvoes of his legal battles, as well as his first year as President. New material in this edition also includes the 'Pedro' document (a document Zuma wrote in 1986), and accurate information on his wives and children.

Where's Zuma? Kobus Galloway,2015-11-05 From the arms deal to the courtroom, from his own wedding(s) to the Gupta wedding, see if you can spot Jacob Zuma in these hilarious cartoons. Find him in the election queue, in Parliament and at Nkandla. Whether he's travelling in a blue-light brigade or in the darkness thanks to loadshedding, can you see him? And that's not all. You can also look out for Julius Malema, Helen Zille, the Shaik brothers, Barack Obama, Sepp Blatter, Steve Hofmeyr, Oscar Pistorius, Homo Naledi and many many more! If you're an adult with a political sense of humour, this book is for you. And kids might enjoy it too.

The Zuma Years Richard Calland,2013-08-16 The face of power in South Africa is rapidly changing - for better and for worse. The years since Thabo Mbeki was swept aside by Jacob Zuma's 'coalition of the wounded' have been especially tumultuous, with the rise and fall of populist politicians such as Julius Malema, the terrible events at Marikana, and the embarrassing Guptagate scandal. What lies behind these developments? How does the Zuma presidency exercise its power? Who makes our foreign policy? What goes on in cabinet meetings? What is the state of play in the Alliance - is the SACP really more powerful than before? And, as the landscape shifts, what are the opposition's prospects? In *The Zuma Years*, Richard Calland attempts to answer these questions, and more, by holding up a mirror to the new establishment; by exploring how people such as Malema, Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast; by examining key drivers of transformation in South Africa, such as the professions and the universities; and by training a spotlight on the toxic mix of money and politics. *The Zuma Years* is a fly-on-the-wall, insider's approach to the people who control the power that affects us all. It takes you along the corridors of government and corporate power, mixing solid research with vivid anecdote and interviews with key players. The result is an accessible yet authoritative account of who runs South Africa, and how, today.

The Kanga and the Kangaroo Court Mmatshilo Motsei,2007 Inspired by rare strength and courage, this gripping narrative tells the story of a young woman--known variously as Khwezi and the complainant--who made a principled decision to lay a charge of rape against Jacob Zuma, a man who was a father-figure, a family friend, a comrade--and the deputy president of South Africa. She took on the fight against considerable odds, Zuma being one of the most popular and powerful political leaders of his time. Enduring prolonged public attacks, she listened to Zuma supporters chant Burn the Bitch outside the courtroom during her trial. Her accusers and the judge concurred that having worn a kanga that evening, the complainant had, like so many other women, asked for it. Crushed and conquered

by the mechanics of power, she was forced to flee into exile. By using the trial of Jacob Zuma as a mirror, this account reveals the hidden yet public forms of violence against women in their homes, marriages, and churches. Caught in the crossfire of the nation's political succession battle, this young woman refused to back down. Her story outlines the particular ways in which women can be subjugated by power, and by speaking out, she amplified the muffled screams of the countless victims of those who parade their authority in parliament, government, and religion.

When Zuma Goes Ralph Mathekga, Justice Malala, 2016

Zuma Exposed Adriaan Basson, 2012-11-15 This is the book President Jacob Zuma does not want you to read. From Shaik to 'The Spear', award-winning investigative journalist Adriaan Basson reveals the truth behind Jacob Zuma's presidency of the ANC and South Africa. From one bad decision to another, this explosive, roller-coaster account traces the unravelling of a likeable but deeply flawed leader who came to power as victim, not visionary. Basson forensically unpacks the charges against Zuma and reveals a president whose first priority is to serve and protect his own, rather than the 50 million people he was elected to lead. To be published on the eve of the ANC elective conference in Mangaung, this is essential reading for any South African who cares about the country they live in.

Woman in the Wings Carien du Plessis, 2017-10-01 As a longstanding cabinet minister, chairperson of the African Union Commission and ANC presidential hopeful, Nkosazana Dlamini Zuma has always been in the public eye, but to many people this media-averse politician remains an enigma. Praised by some and criticised by others, and variously described as 'undiplomatic' and 'one of the continent's best political operators', it is difficult for the public to form an opinion of her. In this book, journalist Carien du Plessis investigates Dlamini Zuma's life and career, tracking her early years, education and involvement in the struggle; her role as a cabinet minister under all four presidents of democratic South Africa; and her achievements as AU Commission chairperson. The book considers her feminism and political philosophy; tracks her presidential ambitions and campaigning; and explores how her personal relationship with one of her most important backers, President Jacob Zuma, has influenced her. Whatever role she takes up next within the ANC, Dlamini Zuma has a part to play in South Africa's political future. *Woman in the Wings* is a fascinating insight into what type of leader she may one day become.

My Name Is Zuma Isaac Osae-Brown, 2019-10-31 Zuma is a 12-year-old boy with autism, from California. Sometimes, Zuma feels discouraged because he is not as popular among the kids in his community. His potential is trapped; locked inside his mind. While other kids can describe their thoughts with words, Zuma thinks in pictures. He struggles with words, and has a hard time expressing himself. His dad is stressed out, and unhappy. Luckily, help comes from professionals who know the perfect strategy to bring out Zuma's potential to read, speak, and play. They understand that Zuma is not the only one who is different; everyone is. They help Zuma and his family to understand that individuals with disabilities are just as capable as everyone else. Zuma confronts his fears, and ultimately, sets the stage for inclusive education.

Zuma's Own Goal Brij Maharaj, Ashwin Desai, Patrick Bond, 2011 In a collection of original essays, leading analysts address the profound challenges facing the current South African government, giving an in-depth analysis of issues including economic policy, AIDS, social security, housing, basic services and education - and how society reacts. Chapter authors include Gillian Hart, Ben Fine, Andries du Toit, Greg Ruiters, Prishani Naidoo, Franco Barchiesi, Fred Hendricks, Lungisile Ntsebeza, Carol Ann Spreen and many more.

Enemy of the People Adriaan Basson, Pieter du Toit, 2017-11-07 *Enemy of the People* is the first definitive account of Zuma's

catastrophic misrule, offering eyewitness descriptions and cogent analysis of how South Africa was brought to its knees – and how a people fought back. When Jacob Zuma took over the leadership of the ANC one muggy Polokwane evening in December 2007, he inherited a country where GDP was growing by more than 6% per annum, a party enjoying the support of two-thirds of the electorate, and a unified tripartite alliance. Today, South Africa is caught in the grip of a patronage network, the economy is floundering and the ANC is staring down the barrel of a defeat at the 2019 general elections. How did we get here? Zuma first brought to heel his party, Africa's oldest and most revered liberation movement, subduing and isolating dissidents associated with his predecessor Thabo Mbeki. Then saw the emergence of the tenderpreneur and those attempting to capture the state, as well as a network of family, friends and business associates that has become so deeply embedded that it has, in effect, replaced many parts of government. Zuma opened up the state to industrial-scale levels of corruption, causing irreparable damage to state enterprises, institutions of democracy, and the ANC itself. But it hasn't all gone Zuma's way. Former allies have peeled away. A new era of activism has arisen and outspoken civil servants have stepped forward to join a cross-section of civil society and a robust media. As a divided ANC square off for the elective conference in December, where there is everything to gain or to lose, award-winning journalists Adriaan Basson and Pieter du Toit offer a brilliant and up-to-date account of the Zuma era.

Zuma ,2006

The Democratic Moment Xolela Mangcu,2009 *The Democratic Moment* is, among other things, a look at the mass forces that swept Jacob Zuma to power in South Africa in 2009 and put an end to the elite politics of the Thabo Mbeki era. Trenchant and provocative, Xolela Mangcu looks at the new configuration of power in South Africa and in the process illuminates such topics as the new black elite, with particular attention to institutions such as the political opposition, the courts and the media. This is a book that will stimulate ideas, provoke discussion, create controversy and help to understand where South Africa stands as a society and a nation.

The President's Keepers Jacques Pauw,2018-05 Investigative journalist Jacques Pauw exposes the darkest secret at the heart of Jacob Zuma's compromised government: a cancerous cabal that eliminates the president's enemies and purges the law-enforcement agencies of good men and women. As Zuma fights for his political life following the 2017 Gupta emails leak, this cabal - the president's keepers - ensures that after years of ruinous rule, he remains in power and out of prison. But is Zuma the puppet master, or their puppet? Journey with Pauw as he explores the shadow mafia state. From KwaZulu-Natal and the Western Cape to the corridors of power in Pretoria and Johannesburg - and even to clandestine meetings in Russia. It's a trail of lies and spies, cronies, cash and kingmakers as Pauw prises open the web of deceit that surrounds the fourth president of the democratic era. -- from back cover.

Bring Me My Machine Gun Alec Russell,2009-04-14 Tells the story of post-apartheid South Africa, from the hopeful reconciliation of Nelson Mandela's rule to the disappointments of Thabo Mbeki's administration to the possible election of Jacob Zuma as president.

Dominance and Decline Susan Booyesen,2015-10-01 As Jacob Zuma moves into the twilight years of his presidencies of both the African National Congress (ANC) and of South Africa, this book takes stock of the Zuma-led administration and its impact on the ANC. *Dominance and Decline: The ANC in the Time of Zuma* combines hard-hitting arguments with astute analysis. Susan Booyesen shows how the ANC has become centred on the personage of Zuma, and that its defence of his extremely flawed leadership undermines the party's capacity to govern competently, and to protect its long term future. Following on from her first book, *The African National Congress and the Regeneration of Power* (2011), Booyesen delves deeper into the four faces of power that characterise the ANC. Her

principal argument is that the state is failing as the president's interests increasingly supersede those of party and state. Organisationally, the ANC has become a hegemon riven by factions, as the internal blocs battle for core positions of power and control. Meanwhile, the Zuma-controlled ANC has witnessed the implosion of the tripartite alliance and decimation of its youth, women's and veterans' leagues. Electorally, the leading party has been ceding ground to increasingly assertive opposition parties. And on the policy front, it is faltering through poor implementation and a regurgitation of old ideas. As Zuma's replacements start competing and succession politics take shape, Booysen considers whether the ANC will recover from the damage wrought under Zuma's reign and attain its former glory. Ultimately, she believes that while the damage is irrevocable, the electorate may still reward the ANC for transcending the Zuma years. This is a must-have reference book on the development of the modern ANC. With rigour and incisiveness, Booysen offers scholars and researchers a coherent framework for considering future patterns in the ANC and its hold on political power.

For my Country Themba Maseko, 2021-05-17 'When I joined the struggle as a 13-year-old boy in Soweto, I would never have imagined that one day I would blow the whistle on a special kind of corruption that was destroying the party and the values I had been fighting for all my life.' In 2010, government spokesperson Themba Maseko was called to the Gupta family's Saxonwold compound and asked by Ajay Gupta to divert the government's entire advertising budget to the family's media company. When Maseko refused to do so, he was removed from his position and forced to leave the public service. The life of this once-proud civil servant would never be the same again. Maseko, whose activism was forged in the Soweto uprising of 1976, is a product of the struggle, and has always been unfailingly loyal to the principles of the ANC. In 2016, when the party called on members with evidence of wrongdoing by the Guptas to step forward, Maseko was the only one to do so. For this courageous act of whistleblowing, he was ostracised, slandered and even threatened. As a former senior state official, Maseko also offers a rare insider's view of the presidencies of Thabo Mbeki and Jacob Zuma and of the inner workings of government. Compelling and revelatory, *For My Country* shows what it takes to stand up for one's principles and defy the most powerful man in the country.

Clever Blacks, Jesus and Nkandla Gareth Van Onselen, 2014-05-08 Jacob Zuma is a man who walks in two worlds. As president of South Africa, he is tasked with upholding the principles that define the Constitution and embodying the values they are designed to engender. But, as an individual, a set of private impulses - ranging from his religious beliefs, to his traditional African cultural convictions, to a populist and patriarchal attitude to power - defines his world view; and many of these impulses run counter to the Bill of Rights. The result is an often-violent clash between his formal duties and more informal demagogic instincts. South Africa's public debate is where that conflict plays itself out. Here, Gareth van Onselen has put together a comprehensive collection of Zuma's most controversial - and often contradictory - public statements. With some 350 quotes collected along ten themes that define Zuma's personal beliefs, *Clever Blacks, Jesus and Nkandla* documents some of Zuma's most notorious moments. It aims to serve as both an

easy guide to Zuma's personal philosophy and a reference point for some of the debates that have defined his political career. The quotes represent one of the fundamental fault lines that run through South African discourse today - a society trapped between its Third World realities and its much-vaunted First World ambitions. In many ways, Zuma is the epicentre around which the subsequent debate has unfolded.
