Kulkan's Tales Alexander Ser,2020-05-08 The second installment of the lust filled tales of Kulkan Valus. After commanding his newly acquired crew for the past two years, Kulkan, is offered one of the hardest job offers he has ever received. The task is so deadly and unlikely to succeed all other crews have turned it down, but the promise of adventure, glory, and an enormous sum of gold cause Kulkan to accept the offer and take him and his crew on a terrible journey through uncharted waters. The mysterious island of Abylon may just be the worst place Kulkan and his crew have ever visited.

The Wolves of War Greg Curtis,2016-11-30 Briagh has a secret. He's a morph. One born with the gift of changing shape. He has another secret too. He's also a thief. A genuine cat burglar. Meanwhile Elan has her own secret. Despite pretending to be a bardic warrior she's actually the Princess of Abylon. And she too has a second secret. Her entire family is mad. Her father and brothers are unable to rule. Her mother is not dead as people believe. Instead she's become the psychotic wolf mother, whose pack has been killing and devouring the people of the city for a decade. And then there's the Court and their little secret. They rule the Kingdom of Abylon even though they do not have the right. Secrets are useful things. They allow people like Elan and Briagh to live normal, even comfortable lives. They allow a kingdom to be governed by those who do not have the authority. They make life for the people of Abylon possible. But when their secrets are revealed, none of those things may hold. And when the wolf mother is the reason for that revelation - it may be war.

Babylon Berlin, German Visual Spectacle, and Global Media Culture Hester Baer,Jill Suzanne Smith,2024-03-07 The essays in this collection address the German television series Babylon Berlin and explore its unique contribution to contemporary visual culture. Since its inception in 2017 the series, a neo-noir thriller set in Berlin in the final years of the Weimar republic, has reached audiences throughout Europe, Asia, and the Americas and has been met with both critical and popular acclaim. As a visual work rife with historical and contemporary citations Babylon Berlin offers its audience a panoramic view of politics, crime, culture, gender, and sexual relations in the German capital. Focusing especially on the intermedial and transhistorical dimensions of the series, across four parts-Babylon Berlin, Global Media and Fan Culture; The Look and Sound of Babylon Berlin; Representing Weimar History; and Weimar Intertexts-the volume brings together an interdisciplinary and international group of scholars to critically examine various facets of the show, including its aesthetic form and citation style, its representation of the history and politics of the late Weimar Republic, and its exemplary status as a blockbuster production of neoliberal media culture. Considering the series from the perspective of a variety of disciplines, Babylon Berlin, German Visual Spectacle, and Global Media Culture is essential reading for students of film, TV, media studies, and visual culture on German Studies, History, and European Studies programmes.

The Fable of Wren Rue Sparks,2022-02-04 There are wonders and terrors out there you can't yet imagine, and people out there you don't yet know are family. I don't mix well with people; I prefer the birds. I spend my time trying to find the Trickster—a finch treasured by the locals. My smart mouth, brash behavior, and being non-binary in this secluded southern town keep me on the periphery of Spastoke's society. Fine by me. All I need are the birds and my uncle Jeremy. Until he dies, and I can't do anything to stop it. I want to withdraw from the town into the comfort of birdwatching and forget everything. Instead, Adrian Turney, my uncle's friend and mentor, is found dead in the woods. My only hope of unravelling the truth is Jethro; a chatty newcomer that appears earnest, but can I trust him? When my uncle appears to me in my dreams, I quickly learn what started as a search for answers is so much more: a journey into the town's shady past to uncover a danger in the woods lost to time. Along the way, I might discover I'm not alone as I thought. --- ...Not only is it a cleverly written mystery with gripping twists and turns and compelling characters, it's also full of heart. Reading this book feels like having someone wrap a warm blanket around your shoulders and tell you that everything will be all right. -Rita A. Rubin, Author of Amulet of Wishes
