Ed McGivern's Book of Fast and Fancy Revolver Shooting Ed McGivern,2007-10-17 Ed McGivern needs no introduction to gun enthusiasts and serious marksmen. For more than 50 years he was revered as one of the top authorities in the field of small firearms. Cowboy Shooting Sports Paul Love,2015-08-29 First of all, I don't do either Cowboy Action Shooting or Cowboy Fast Draw - yet. However, I am old enough to have grown up with the radio, TV and movie cowboys that used to dominate the airwaves and the silver screen. The values that I learned growing up were heavily influenced by those western heroes - Hopalong Cassidy, Roy Rogers, John Wayne, and many others. Like other kids my age I dreamed about riding the range with a six gun at my side. Times have changed but I still watch old westerns and I still get a kick out of watching the good guys defeat the bad guys. So when I read an article recently in the local paper about a fast draw contest it caught my interest and I started doing some research about cowboy shooting - fast draw and action shooting. The more I read the more interested I became in the people who were not just shooting firearms from the Old West period in our history, but were also reviving the spirit of the Hollywood Old West. Those shows from the 50s and 60s included themes such as protecting the weak, learning to live peacefully with people of other races and religions, and standing up for what you believe - and even if the plots were a little simplistic, they helped youngsters identify those values with the heroes they were watching on the TV or movie screen. Eventually I decided to write this book about Cowboy Action Shooting and Cowboy Fast Draw, along with some background information about the actual history of the Old West. The book isn't an instruction manual or an expert view of these sports - it's intended to be an overview of what they are, how they got started, what you need to participate, and why you might enjoy taking part. And it's written with the hope that a few people who aren't aware of Cowboy Action Shooting or Cowboy Fast Draw may see this book, get interested themselves, and help keep the spirit of the Old West alive.

All about Cowboy Action Shooting Ronald Harris,2001-02 This book tells the story of the Single Action Shooting Society (SASS). Heavily illustrated, it tells how modern cowboys and cowgirls have recreated the Old West, right down to the handguns, clothing and accessories.

Shooters Abigail A. Kohn,2004-06-10 Frequenting gun shops and shooting ranges, and devoting

particular attention to those whose interest in weaponry extends beyond the casual, Abigail A. Kohn captures in finegrained and often entertaining, yet always humane, detail how gun owners actually think and feel about their guns. Through her conversations--with cowboy action shooters at a regional match, sport shooters, hunters, with shooters of all ages and races--we hear of the savage beauty of a beautifully crafted long gun, of the powerful historical import owners attach to their guns, of the sense of empowerment that comes with shooting skill, and the visceral thrill of discharging a dangerous weapon. Cutting through the cliches that link gun ownership with violent, criminal subcultures and portray shooters as gun nuts or potential terrorists, Kohn provides us with a lively and untainted portrait of American gun enthusiasts.

The Art of Revolver Shooting Walter Winans, 1911-01-02 The highly-readable American classic, by the definitive expert of that era. Walter W. Winans (born April 5, 1852) was a stand-out American marksman, horse breeder, sculptor, and painter who participated in the 1908 and 1912 Summer Olympics. He won two medals for shooting: a gold in 1908 and a silver in 1912, as well as demonstrating the sport of pistol duelling in the 1908 Games. He was the author of ten books on shooting, of which this was the first. The Winans range at the National Shooting Centre, Bisley, England is named after him. His book covers a wide range of history, design, developments and marksmanship technique of the revolver. It has a special focus on techniques used at the classic Bisley competitions in England during the Victorian era. Including stages that featured rapid fire, moving, and disappearing targets with valuable tips that may be of interest to 'Action Shooter' competitors. Shooters on any level will find something of value in this truly outstanding gem of shooting literature. Original book description: 1911 New Edition, Revised and enlarged Mr. Walter Winans, the well-known champion revolver-shot, has been for many years working out the theory and practice of revolver shooting, and this is the first occasion of his publishing the collected results

of his close study of the weapon. Although several chapters of the book give minute instructions as to how to shoot in order to win prizes at the Bisley meeting, the author has not neglected the more general and practical side of the subject, and even such matters (hitherto regarded in the light of professional secrets) as trick- and stage-shooting, shooting in the dark, etc., are treated in detail not previously attempted, while a chapter on how to use the revolver (as distinct from target shooting) in warfare, has a present interest that must appeal to many. Keywords: pistol, markmanship, Bisley, rapid fire, revolver, hunting, handgun, duel, dueling

Deer Creek ,Moggy,2023-09-07 This is a fictional, short western story. The story begins in the current day of 2017 while at a cowboy competition shoot, dressed in an era custom representing 1860 to 1899 with two replica revolvers, a rifle, and shotgun representing the era. Then due to an event occurring during a competition shoot, the story's main character is flipped back in time to 1880. Once in the past, now our main character must adapt to the era without injecting 2017 into the 1880s. Being in the past means the main character is dealing with the day's good guys, bad guys, and is able to help a family through hard times before he's flipped back into his time of 2017.
