Steven J. Stein

**Apartment Therapy's Big Book of Small, Cool Spaces** Maxwell Ryan, 2011-11-08 Whether you inhabit a studio or a sprawling house with one challenging space, Maxwell Gillingham-Ryan, co-founder of the most popular interior design website, Apartment Therapy, will help you transform tiny into totally fabulous. According to Maxwell, size constraints can actually unlock your design creativity and allow you to focus on what's essential. In this vibrant book, he shares forty small, cool spaces that will change your thinking forever. These apartments and houses demonstrate hundreds of inventive solutions for creating more space in your home, and for making it more comfortable. Leading us through entrances, living rooms, kitchens and dining rooms, bedrooms, home offices, and kids' rooms, Apartment Therapy's Big Book of Small, Cool Spaces is brimming with ingenious tips and ideas, such as:

- Shifting the sense of scale through contrasting colors
- Adding airiness by using transparent collections
- Utilizing the area under a loft bed for a kitchen and mini-bar
- Tucking an office with chic vintage doors into an unused bedroom corner

In each dwelling Maxwell points out what makes the layout work and what adds style. Most of the "therapy" involves minor tweaks that can be accomplished on a limited budget, such as dividing a room with sheer curtains, turning a door into a desk, or disguising electrical boxes with art displays. An extensive resource guide, including Maxwell's favorite websites for buying desks, open storage solutions, and much more, will help you turn even the tiniest residence into a place you are always happy to come home to.

**Apartment** Lola M. Schaefer, 2002-07-01 Describes the different rooms in an apartment and their functions.

**Renting a Furnished Apartment** Gerrit Smith Stanton, 1916

**The First Apartment Book** Kyle Schuneman, Heather Summerville, 2012 In The First Apartment Book, Kyle shares brilliant design ideas and thirty simple DIY projects that show how anyone can infuse a first home with personality whether you're renting, moving in with a roommate or significant other for the first time, or are a newly minted owner eager to put your stamp on your place. The First Apartment Book is both a tour of amazing photographs from ten real homes across the country and a hardworking resource of great ideas. Kyle explains how each of the featured apartments achieves the perfect balance between cool design and the homeowner's lifestyle, with a sprinkling of influences from the resident's city thrown in. Kyle scours flea markets for functional pieces with personality and incorporates Pollock-inspired art and touches of taxicab yellow to make a small studio in New York City function as four different yet coherent rooms. Graffiti-like dip-dye curtains and a skateboard table reflect a Seattle renter's hip sensibility. In Cleveland, Kyle creates a modern preppy space for a plaid-loving local using subdued colors and careful pattern mixing. A couple's salon-style hanging of rock posters in Nashville feels utterly unique, and Kyle's clever ideas for storing to store their musical instruments keep the duo sane. Short on time and long on style, the thirty DIY projects include no-sew pillows, yarn-wrapped picture frames, and a dresser update using a little glue and fabric. Full of bold, vibrant photos and hundreds of big ideas for small spaces, The First Apartment Book proves that no matter what your landlord, your floor plan, or your wallet says, there are no limits on how cool your first apartment can be.

**Shared Walls** Diana E. James, 2015-02-12 The 1900 edition of Polk's Seattle City Directory listed four apartment buildings. By 1939, that number had grown to almost 1,400. This study explores the circumstances that prompted the explosive growth of this previously unknown form of housing in Seattle and takes an in-depth look at a large number of different apartment buildings, from the small and simple to the large and grand. Illustrated with numerous contemporary and vintage photographs and sketches, this volume preserves an intimate record of these under-studied and under-appreciated buildings and will inspire an appreciation for their history and architectural variety, and for their preservation as an integral part of Seattle's urban landscape.

**Apartment Houses of the Metropolis** ,1908

The Apartment Steven J. Stein, 2008-03 Millions of Americans listen to talk radio daily. Over time, a one-to-one relationship and emotional connection develops between the listeners and the host. In this case, conservative radio talk show host Mike Wiley could no longer face the peoples' cries about President and Hillary Clinton, without doing something about it. Ignoring the threat of losing his show, Wiley led one of the largest rallies in Florida history to defeat major gun control legislation and protect the Second Amendment. With the defeat of the legislation just two days later, Wiley crossed the line and began walking the talk by entering Florida's 1994 U.S. Senate race. Mike Wiley made history when he received 25 percent of the votes in the Democratic Primary for U.S. Senate, on a campaign budget of only \$20,000. While most Senate campaigns cost millions, Wiley ran one of the most effective grassroots campaigns in U.S. history, finishing second out of four candidates and forcing a runoff with Hillary Rodham Clinton's brother. This book is a must-read for anyone considering a career in politics, because it exposes some of the dire consequences a candidate will face when confronting this country's Left-wing menace. Fearing a conservative victory in the battle for Florida's Democratic Party, Hillary Clinton orchestrated an extremely dirty campaign from the White House. Three days after Wiley refused the Left's intriguing offer to drop out of the race, the Far Left and its media stooped to accuse the Jewish talk show host of being an anti-Semite. Hillary herself campaigned at Jewish synagogues, although she would later deny any involvement in the anti-Semitic smearing. Was this 1994 campaign the first desperate acts of Presidential hopeful Hillary Rodham Clinton? The Diary of Hillary's Right Wing Conspirator revisits what she demands you forget, and what she wants you never to know.

*Luxury Apartment Houses of Manhattan* Andrew Alpern, 1992-01-01 Lavishly illustrated volume provides detailed mini-histories of the Gramercy, Ansonia, Hotel des Artistes, Joseph Pulitzer's palatial residence, and many other luxurious lodgings. 175 illustrations – many from private sources – depict interiors and exteriors. Introduction. Index.

*Apartment* Teddy Wayne, 2021-06-08 From the award-winning author of *Loner* and *The Love Song of Jonny Valentine*, a powerful novel about loneliness and friendship, gender and sexuality, and the political schisms that dominate our times.

**Under Ground** S. L. Grey, 2015-07-16 They thought they were safe . . . The Sanctum is a luxurious, self-sustaining

survival condominium situated underground. It's a plush bolt-hole for the rich and paranoid – a place where they can wait out the apocalypse in style. When a devastating super-flu virus hits, several families race to reach The Sanctum. All have their own motivations for entering. All are hiding secrets. But when the door locks and someone dies, they realize the greatest threat to their survival may not be above ground – it may already be inside . . . Under Ground is a page-turning locked-room mystery from the combined talents of Sarah Lotz and Louis Greenberg, writing as S. L. Grey. It is perfect for fans of Under the Dome by Stephen King and films such as The Hole and The Descent (with a pinch of And Then There Were None by Agatha Christie).

150 Best of the Best Apartment Ideas Francesc Zamora, 2021-02-16 This gorgeous full-color guide in the popular design series showcases 150 apartments that demonstrate the range and imagination of some of the world's top architects and interior designers working today. Expressing the diversity of current trends in apartment design 150 Best of the Best Apartments is an invaluable resource for professionals and students in various fields, including architecture, interior design, and retail, as well as homeowners looking to keep current on the latest in contemporary residential architecture.

Apartment in Athens Glenway Wescott, 2011-07-06 A bestseller in 1945, this book has been out of print for over thirty years Like Wescott's extraordinary novella The Pilgrim Hawk (which Susan Sontag described in The New Yorker as belonging "among the treasures of 20th-century American literature"), Apartment in Athens concerns an unusual triangular relationship. In this story about a Greek couple in Nazi-occupied Athens who must share their living quarters with a German officer, Wescott stages an intense and unsettling drama of accommodation and rejection, resistance and compulsion—an account of political oppression and spiritual struggle that is also a parable about the costs of closeted identity.

25 Apartments and Lofts Under 2500 Square Feet James Grayson Trulove, 2007-02-06 The apartments and lofts featured here highlight the latest architecture and design innovations, with an emphasis on open space and materials such as glass, plastic, steel, and stone. The book explores the joy of living in carefully designed spaces, showcasing a range of styles from modern to traditional. This exciting collection includes innovative and exciting designs sure to inspire and amaze.

21st Century Architecture Apartment Living Beth Browne, 2011 Presents new and inspiring apartment interiors in a diverse range of styles designed by leading international architects.

The Case of the Lady in Apartment 308 Lass Small, 1996-05-24 The Case Of The Lady In Apartment 308 by Lass Small released on May 24, 1996 is available now for purchase.

*The Apartment* Greg Baxter,2012 One snowy morning in an old European capital, a man wakes in a hotel room. A young local woman he has befriended calls to the hotel, and the two of them head out into the snow to find the man an apartment to rent

*New York, New York* Elizabeth Hawes,1993 Debut.

**Nobody Lives in Apartment N-2** Anne Schraff,2000 Nobody Lives In Apt. N-2 Book. - by Anne Schraff (pp. 49) Erick and Trung notice that a nearby apartment is frequently unrented. Erick begins to see the face of a pale man with long, black hair in the window. The two friends work to solve the mystery of apartment N-2. Visit [www.artesianpress.com](http://www.artesianpress.com) for details

**The New Apartment Book** Michele Michael,1996 A guide to the art of home decorating presents a collection of how-to projects and ideas designed to transform an apartment into a home, discussing the basic principles of function, style, and color in terms of time, space, and budget constraints.

*A Paris Apartment* Michelle Gable,2014-04-22 The New York Times Best Seller! Now with an excerpt of Michelle's new book, I'll See You in Paris! Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words dust or rats or decrepit. She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's *A Paris Apartment* will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

Immerse yourself in heartwarming tales of love and emotion with is touching creation, **Apartment** . This emotionally

charged ebook, available for download in a PDF format ( PDF Size: \*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
