When Rick and Lora say they've been colleagues for a long time, they mean it. For over 200 years, these partners have roamed the mortal world as real-life cupids - magic-wielding foot soldiers on the battlefield of love. Now it's the 21st century, and Rick and Lora are facing their most challenging case ever: bringing together a Type-A, career-driven woman and a former football player-cum-barista who couldn't be more different. The pair is perfect for each other (even if they don't know it yet) so the cupids will have to make sure their love arrows land, and do it all while they face their own unrequited feelings for one another. **Cupid's Poisoned Arrow** Marnia Robinson,2009-06-23 "If you want to be a better lover and have an amazing relationship (now or in the future), *Cupid's Poisoned Arrow* is a must-read." —real reader review Eyes met, sparks flew—all fireworks and passion. In the beginning, it felt like magic...but somewhere along the way, the flame burnt out. That cute quirk you used to love doesn't seem so cute anymore. The connection and fire that brought you together are lost—and you may feel hurt, unsure, or disconnected. You might be trying in vain to change your partner. You may even resign yourself to a passionless fate. Ancient sages recognized the lull in intimacy, passion, and connection that happens in even the most solid relationships—and hinted at the ways we can overcome it. With an entertaining blend of personal experiences, neuroscientific research, and amorous insights from around the world, *Cupid's Poisoned Arrow* shows that we can use lovemaking to balance one another—and let harmony arise naturally. Here, you'll discover the twenty-one Exchanges, a series of intimacy-building activities that can help you and your partner connect on a deeper level. These exchanges speak directly to the part of your brain that can fall in love—and stay in love—and are based on touch, eye contact, and attentiveness. By focusing on generous pampering rather than self-stimulation, you can create a nourishing cocoon of comfort and safety...and deepen your connection through bonding-based intimacy. Incorporating the principles of yin and yang, the Exchanges offer a balanced approach that emphasizes giving and receiving to spark a fulfilling sexual connection between you and your partner. Discover why real readers are saying "It works!" and "I wish I had read this book 10 years ago." You'll never look back.

*Cupid's Arrow* Angela Nichelle,2010-02-14 Safina Ralph is single on Valentine's Day. She's determined to have a good time in L.A. away from her home in Chicago with her friend, Lynn. The two of them have exclusive passes to Red, the hottest nightclub on Venice Beach. Just as the festive atmosphere begins to coax Safina into the party mood, she notices someone, or something in the rafters, shooting arrows into the crowd of unsuspecting partygoers below! Chaos erupts as Safina races to stop the attack. When she confronts Kal, one of the club's sexy owners, Safina's sure he's the attacker despite his warm reassurances and her body's hot response to his

touch. Consumed with overwhelming feelings of dj vu and desire, Safina is relieved to get back home but she can't shake unsettling questions and Kal's handsome face from her mind. After their encounter at Red, Kal tracks Safina down in Chicago with questions of his own. And the answers for them both could be the key to everything they've wished for, but will Safina accept the truth and can Kal trust his heart? Excerpt: Are you alright? Lynn yelled, coming over to her. Safina rubbed her temples, trying to talk over the noise. I think I need to take a break. I'm going to the bathroom. I'll go with you. No, you stay. Your guy can actually dance. I'll be right back. Safina smiled weakly at her friend before weaving through the mass of bodies. At least she shared the same shoe size as Lynn, but the heels were higher than she preferred. Relieved to finally see the bathroom sign, Safina cursed when someone bumped into her from the side. She turned to see the rude person responsible for her possibly bruised shoulder, but no one paid her any attention. Looking heavenward in exasperation, Safina noticed something flashing overhead in the open ceiling design of the club. She narrowed her gaze and sucked in a quick breath. What the-? Someone was up there! Moving toward the bathroom door and away from the rest of the crowd, Safina looked up again and gasped in surprise. Blinking twice, she tried to make sense of what she was seeing. There was a man with wings balancing dangerously on a rafter beam about thirty feet off the ground! She watched in shocked silence as the winged man drew something from his back. A bow and arrow! Safina's mouth fell open in shock as he pulled the massive bow back and took aim at someone on the ground. Panic, icy cold and paralyzing, gripped her as she watched the arrow descend with unerring accuracy to the unsuspecting women dancing with a man. Lynn! In slow motion, Safina saw the arrow pierce Lynn's back and disappear from view. Gasping with horror, Safina dashed back toward the dance floor. No! Safina screamed. No! Someone stop him! She couldn't move fast enough and no one seemed to hear her over the thump of the loud music. Tears blinded her as she fought her way through the crowd. Safina reached Lynn, yanking her hard away from her bewildered dance partner. Lynn! Safina cried, looking at her friend's chest. Maybe the arrow had gone straight through. Lynn frowned. What's wrong with you? Safina shook her head. I thought you were hurt. I-I saw him . . . and he shot you! Lynn touched Safina's head. You must be sick. I'm fine. Better than fine- I saw him. Look! Safina pointed up toward the ceiling and froze when her eyes locked with the mysterious man overhead. He studied her and Safina stared back, unable to tear away her gaze. Do you see him? She yelled, feeling her legs start to wobble as she shook Lynn's arm. Lynn squinted up at the dark ceiling. I don't see anything, Safina. Safina watched transfixed as the winged man leapt into the air and disappeared in a flash. A second later, she crumpled to the floor.

**Doctor Cupid's Arrows** Prince P.,2020-07-21 Sometimes, I swear my life is a Julia Roberts movie. Right now, I am going through the part that sucks. The most. So bad that I feel the overwhelmingly desperate need to take a leaf out of her book. Just feels like a long-drawn bildungsroman. Only problem is my character isn't growing as fast as I want it to or as I should be. Day and night, I sit here waiting for my twist of fate to happen. 'Patience, Patience. The time has got to be right,' I tell myself, hoping for the 'all's well that ends well' ending. Please Doctor Cupid, please don't misfire your arrows. And just as my strong-willed Julia Roberts spirit kicks into full gear, this man comes into the picture (why does it always have to be a man thrown in the mix) and I swear (twice now) my life is a Julia Roberts movie, like for real. Hold on tight for the twists and turns - and an ending that'll blow your ... never-mind, I probably shouldn't reveal too much just yet xx.

**Cupid's Arrows** Rudyard Kipling,2014-10-11 Joseph Rudyard Kipling (30 December 1865 – 18 January 1936 was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to England when he was five years old.Kipling's works of fiction include *The Jungle Book* (a collection of stories which includes Rikki-Tikki-Tavi), the *Just So Stories* (1902), *Kim* (1901), and many short stories, including *The Man Who Would Be King* (1888). His poems include *Mandalay* (1890), *Gunga Din* (1890), *The Gods of the Copybook Headings* (1919), *The White Man's Burden* (1899), and *If—* (1910). He is regarded as a major innovator in the art of the short story; his children's books are enduring classics of children's literature; and one critic described his work as exhibiting a versatile and luminous narrative gift.Kipling was one of the most popular writers in England, in both prose and verse, in the late 19th and early 20th centuries. Henry James said: Kipling strikes me personally as the most complete man of genius (as distinct from fine intelligence) that I have ever known. In 1907, he was awarded the Nobel Prize in Literature, making him the first English-language writer to receive the prize, and its youngest recipient to date. Among other honours, he was sounded out for the British Poet Laureateship and on several

occasions for a knighthood, all of which he declined. Kipling's subsequent reputation has changed according to the political and social climate of the age and the resulting contrasting views about him continued for much of the 20th century. George Orwell called him a prophet of British imperialism. Literary critic Douglas Kerr wrote: He [Kipling] is still an author who can inspire passionate disagreement and his place in literary and cultural history is far from settled. But as the age of the European empires recedes, he is recognised as an incomparable, if controversial, interpreter of how empire was experienced. That, and an increasing recognition of his extraordinary narrative gifts, make him a force to be reckoned with.
