The Signs Carolynne Faulkner, 2018-05-15 In this inspiring guide to achieving happiness and wellness in life, work, and relationships, a "go-to life coach for those in the know" (InStyle) reveals how to use astrology as a roadmap to success. For thousands of years, people have looked to the night sky for guidance. Yet these

days it's so easy to lose touch with the universe and the important direction it can provide. In *The Signs*, astrologer and life coach Carolyne Faulkner reveals how the ancient wisdom of the stars can empower you to get the most out of life.

Faulkner's method is not about nebulous predictions or fate. It's about discovering the qualities, good and bad, associated with your natal chart—the position of the planets at the time of your birth—and using that knowledge to inform your decisions and relationships. Easy to use and designed as both an introduction for the cosmically curious and a deep dive for experienced spiritual seekers, this guide shows you how to interpret your chart, find balance, and reconnect with yourself. Consult *The Signs* to learn what to do when:

- You're an inflexible Taurus, resistant to change. (Create things. Even a home-cooked meal will heal you in wondrous ways.)
- You live with an argumentative Aries. (Never fight fire with fire. Wait till your partner calms down to discuss your feelings.)
- You have Capricorn influence. (Shed the need to conform. Structure is important, but it needs to be flexible enough to change as we grow.)

Fortune Telling Using Playing Cards Jonathan Dee, 2015-10-06 Will luck be a lady tonight? Or must we play the hand we're dealt? There is no need to use tarot cards to learn what the future holds: a regular deck of playing cards will do the trick - as long as you know how to read them. *Fortune Telling Using Playing Cards* teaches readers how to translate the four suits of the tarot into the more familiar hearts, diamonds,

spades, and clubs found in the common playing card deck. Readers will learn the meaning of the cards, their individual symbolism, keywords, astrological associations, and the significance of their numbers. There are even suggestions on how to do a quick reading when you're short on time - so you will always know what's in the cards.
