George W. Carey

The Zodiac and the Salts of Salvation George Washington, 1989-07-01 A medical doctor and American mystic explores the relationship between homeopathic remedies and the 12 zodiac signs in this classic text. The Zodiac and the Salts of Salvation combines scientific and spiritual knowledge to provide a holistic, astrology-based approach to wellness. Expanding on Dr. George W. Carey's treatise, *The Relation of the Mineral Salts of the Body to the Signs of the Zodiac*, this two-part volume presents a thorough introduction to the esoteric chemistry of the human body. In Part 1, Dr. Carey discusses each homeopathic remedy and how it relates to the body's physiology. In Part 2, co-author Inez Eudora Perry explains the meaning, origin and spiritual significance of each zodiac sign in both eastern and western religion, as well as masonic texts. The authors then detail how each of the homeopathic remedies behave in the body depending on the person's sun sign and the current phase of the solar calendar. First published in 1932, *The Zodiac and the Salts of Salvation* remains an important and informative guide for all students of homeopathy and astrology.

Medical Astrology Eileen Nauman, 1996 Astrology, nutrition, health--never before have these topics been so completely explained! As an aid to individual health, medical astrology has been a most popular phase of stellar science. Eileen Naumann has integrated this topic with the most modern information on nutrition to provide a truly encyclopedic reference for those interested in their own health.

The Zodiac and the Salts of Salvation George W. Carey, Inez E. Perry, 2019-08-22 First published in 1932, *The Zodiac and the Salts of Salvation* is a thorough introduction to homeopathy and astrology written by

George Washington Carey and Inez Eudora Perry. Dr. Carey was born in 1845 and was an American medical doctor who wrote several books during the early twentieth-century on biochemistry, religion, astrology, physiology, and his mineral-based theory of the origin of human health and disease. In *The Zodiac and the Salts of Salvation*, Dr. Carey and his co-author Perry explore the relationship between the basic biochemical cell salts, or homeopathic remedies, and the twelve sun signs, or zodiac signs. In Part 1, Dr. Carey takes the reader on an in-depth examination of each homeopathic remedy and how it relates to the body's physiology. In Part 2, Perry explains the meaning and origin of each of the zodiac signs in both eastern and western religion, masonic texts, and their spiritual significance. The authors then detail how each of these homeopathic remedies interact in different ways in a body depending on the person's sun sign and the current phase of the solar calendar. *The Zodiac and the Salts of Salvation* remains an important and informative guide for all students of homeopathy and astrology. This edition is printed on premium acid-free paper.

The Zodiac and the Salts of Salvation: Two Parts George W. Carey, 2018-07-25 After digesting the material presented by Carey and Perry, readers will have a new understanding of basic homeopathic principles, as well as being able to tie various homeopathic remedies to the sun signs. Once this is understood, it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body. For example, when an Aries is too quick to anger, perhaps a regular dose of kali phosphate may even out the temper. Or when Virgo is beginning to feel digestive problems, kali sulphate may help balance out the minerals in the body. Nothing beats going to the

doctor when needing a diagnosis; however, knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house. In Part I, Dr. Carey relates the parts of the body to the biochemical cell-salts (homeopathic remedies) that were espoused by Dr. Schuessler. Part II, by Inez Perry, enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies. She discusses the twelve sign types in relation to Biblical symbolism, and also combines information from the Kabbalah, masonic texts, eastern and western philosophy, to trace the spiritual symbolism of the signs. She then shows how the twelve basic biochemical remedies work with the sign types. According to Carey and Perry, astrology deals with the body (anatomy) of the Grand Man (the universe), and by analogy, with the human body as it relates to astrological symbolism. The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers.

Relation of the Mineral Salts of the Body to the Signs of the Zodiac George W. Carey, 1996-09 Each sign of the Zodiac is represented by the twelve functions of the body and the position of the Sun at birth. the cell-salt corresponding with the Sign of the Zodiac and function of the body is consumed more rapidly than other salts and needs and extr.
