Astrology and the Rising of Kundalini Barbara Hand Clow, 2013-09-02 Revised and updated edition of the classic astrology text on predicting and navigating life crises • Provides charts for the transits of Saturn, Uranus, and Chiron--now updated through 2050--to predict your personal growth cycles and timing of kundalini rising • Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages • Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication • No astrological chart needed to use this book In this updated edition of *Liquid Light of Sex*, renowned astrologer and spiritual teacher Barbara Hand Clow explores the

connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy--the "liquid light of sex" that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

The Zodiac and the Chakras Marcia A. Hillary, 2004 In this highly readable little book, the author (a practicing psychologist) brings us through the relationships between the 12 houses of the zodiac and the 12 chakras.

Alchemical Tantric Astrology Frederick Hamilton Baker, 2021-06-01 • Shows how the astrological cycle around the signs of the zodiac represents the alchemical transformation of consciousness and chakra awakening • Expands the meaning of each astrological sign based on its association with the chakras and the alchemical transmutation cycle from lead to gold • Offers sample chart analyses to show how you can discover your spiritual challenges and opportunities Demonstrating the connections between astrology, alchemy, and yoga, Frederick Baker reveals how he discovered their correspondences by rotating the natural order of the zodiac, placing Aquarius and Capricorn at the bottom and Cancer and Leo at the top, to reflect the alchemical order of metals from lead to gold. is Alchemical Tantric Arrangement then revealed a corresponding alchemical order of the seven traditional planets--from Saturn (lead) to Sun (gold)--and also aligned with the seven chakras and the three major energy channels (nadis) of the Tantric yoga system, including the channel through which Kundalini energy rises from root chakra to crown chakra. Baker uses these rediscovered correspondences to expand the meaning of each astrological sign based on their association with the chakras, the alchemical transmutation cycle from lead to gold, and the wisdom of ancient myth. He also offers expanded meanings for each chakra in association with the twelve signs of the zodiac and their ruling planets as well as new insights into the influence of Chiron and Eris. The author provides a complete analysis of his own birth chart as well as Alchemical Tantric Astrology insights into significant events over the past few decades, including the intense changes of 2020. Baker's revolutionary new take on our individual spiritual journeys shows how the astrological cycle around the signs of the zodiac represents the alchemical and Tantric transformation of consciousness and the natural path of spiritual unfolding.

Liquid Light of Sex Barbara Hand Clow, 2001-09-01 A nationally known astrologer explores the connection between spiritual emergencies at age 30,

40, and 50 and key astrological passages of Saturn, Uranus, and Chiron. • Provides techniques for directing the kundalini energy released during planetary passages for optimal personal and psychic development. • Includes charts for birth years starting in 1930 so that readers can determine the timing of their planetary passages. • By Barbara Hand Clow, author of the bestselling Pleiadian Agenda (60,000 copies sold). Kundalini--the energy of eros that lies at the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, we form at age 30, we transform at age 40, and we transmute at age 50. Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the midlife crisis--she explores how kundalini energy, the liquid light of sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change.

ESOTERIC ASTROLOGY – VOL. 10 Dr. Douglas M. Baker, 2017-08-10 Introduction to: ESOTERIC ASTROLOGY – VOL. 10 INTERCEPTED SIGNS - Seventh House thru Twelfth House By Dr. Douglas M. Baker Intercepted Signs are not a rarity in esoteric astrology. Probably a quarter of the world's population is involved. It is a rarity to find them adequately dealt with in a horoscope. Volume 9 and 10 help to remedy this situation. An intercepted Sign indicates the element of being "boxed in", if only in the sense of peoples ice-bound during winter in the far northern hemisphere and in the sea-locked fiords. But, out of even these extremes may emerge the superlative (First House) of some quality which carries in it genius and existentialism reminiscent of the fiery Norsemen themselves, with their red, flaming hair, First Ray physical bodies and propensity (bent – Twelfth House) for navigation, exploration and colonization, thereby expressing and spreading the initial and rare qualities of the emerging Anglo-Saxon sub-race. "Intercepted" in astrology means a Sign which lies between two houses without occupying the cusp of either. Intercepted charts usually emerge where the native is born in extreme latitudes, north or south, and may even produce four intercepted Signs. Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual, it is also capable of providing the personality with direction and useful advice. When we are dealing with Man on the Path, a far, far more accurate an interpretation of his situation, its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology. The development of the computer has made the horoscope available to the millions, and it is but a matter of time before the same computers begin to sieve out the "real from the unreal." In the end, however, the real is only discovered within, and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles. To ignore the individual horoscope is to leave astrology, esoteric or exoteric, with feet of clay. What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope. Thus, providing the interpreter views the horoscope from a point of higher synthesis, the most accurate interpretation of a personality matter may be gauged from particular astrological aspects. Bailey herself, or the Tibetan Master through her, gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers, called "hierarchical", which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet, as It implements the Divine Plan for the Earth.

Jyotish (Vedic Astrology) Wing Commander Santosh Sharmaa, 2018-05-16 This is the world's first astrological (Vedic Jyotish) book which is based on

scientific evaluation and validation. The interpretations are based on rationale and logic. Your and other people's robotic behavior stems from a pre-programmed chip, which is embedded in your mystic glands inside the brain. This chip controls the inherent behavior of a person. The information about this coded chip is available in your kundali (astrological chart). Shani (Saturn): a new revolutionary understanding Shani is like a GPS with an in-built navigation system. A retrograde (R) or debilitated (D) Shani is like a GPS, which is malfunctioning. Obviously, you land up at wrong places, at wrong timings, thus wasting your life's energy reaching nowhere. This creates frustration, sadness, depression, and mental agony. Self-pity makes you wail in a well of despair, you wallowing, "my fate!"

ESOTERIC ASTROLOGY - VOL. 7 Dr. Douglas M. Baker, 2015-09-21 Introduction to: ESOTERIC ASTROLOGY - VOL. 7 THE SOUL'S PURPOSE, CASES 1 - 16 By Dr. Douglas M. Baker This very important work is based on an analysis of the horoscope, placing emphasis on the Rising Sign as it expresses the Soul's Purpose and its nuances. Thus, the universal approach is yet maintained but brought to bear on the specific or existential features of the individual's horoscope. Via 16 detailed analyses in this volume, the earnest student or professional astrologer is given in-depth information regarding Karma, previous lives, chakras, myth, objects for meditation, the Ray of the Soul and of course, the Soul's purpose for the personality. (Vol. 8 treats cases 17 – 33.) The introductory section explains: Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound

Esoteric Astrology – Vol. 5 Dr. Douglas M. Baker, 2015-05-24 Esoteric Astrology – Vol. 5 Rising Signs - Libra through Pisces The Theory, Interpretation and Practice. This publication takes a new and revitalised look at astrology. It is simple to understand, yet remains a powerful tool, capable of providing a solid foundation for the comprehension of this broad and magnificent subject. This textbook, like most of Dr. Baker's printed

books, eBooks and DVDs, enhances your studies via many charts, lists, tables and images (over 100 in this one). This major work is a very comprehensive introduction for those who want to study this subject in earnest, and for the more advanced student it will serve as an essential reference manual. In today's computer-based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds, and with 100% accuracy! Consequently the needless paraphernalia, usually associated with learning astrology, has been stripped away. Emphasis is placed on the application of astrology to the unique problems of the modern world, its use as a method of revealing purpose and meaning in life, and ultimately as a key to the psychosynthesis of personality. The horoscope is described in comprehensive detail, with special attention given to the esoteric ruling planets of the zodiac signs, which are more relevant than orthodox rulers in the charts of spiritually-minded people. The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world. The significance of karma is represented for it gives dramatic effect to our daily actions, and the third factor of esoteric psychology, lying beyond our understanding of heredity and environment, is given full prominence. This integrative and enriching work can be read alone, as a fascinating introduction and foundation to the New Astrology, or can be followed up with the author's extensive range of astrological books and video tapes, audio lectures and the all-embracing Dictionary of Astrology for the 21st Century. Together they provide a complete system for the professional and novice alike, containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology.

Chart Shapes Wanda Sellar, 2021-01-29 Do you know the Bowl from the Basket shape in a natal chart? Did you realise just how much information you can gain from examining the actual pattern of the planets in the chart? No matter how knowledgeable we are about astrology, natal chart analysis can still present a challenge - however, understanding chart shapes could make all the difference. In this fascinating study, Wanda Sellar pinpoints an effective route into the astrological labyrinth using a concept which was pioneered by Marc Edmund Jones and then followed by Robert Jansky in the last century. Each chart shape has its own central theme: a Locomotive shape has its starting point with the leading planet which may be in any house or sign, a See-Saw shape begins with the core opposition, a Wedge with the confining trine. Not all charts fit neatly into one of the idealised patterns, and those that take a little coaxing are still a revelation in interpretation. Sometimes it is the planet that stands outside the idealised shape that reveals the core of the personality. This treasure trove includes a multitude of worked case histories, including Arnold Schwarzenegger, Mata Hari, George Blake, Bobby Fischer, Harrison Ford and Agatha Christie. This fascinating and accessible book is suitable for all levels.
