An Account of the Polynesian Race, Its Origin and Migrations and the Ancient History of the Hawaiian People to the Times of Kamehameha I Abraham Fornander, 1878

An Account of the Polynesian Race: Origins and migrations of the Polynesian race. 1878-80 Abraham Fornander, 1878

An Account of the Polynesian Race Abraham Fornander, 1878

Myths & Legends of Polyns Andersen, 2012-12-18 *Myths & Legends of the Polynesians* is an account of the history, art and mythology of the Polynesian peoples. The Polynesians had many myths and legends, but through the ages they had been circulated by word of mouth, and not recorded. They were recalled from the vast storehouse of time and memory by the old priests who treasured the old traditions, and by the kahuna or sorcerers who constantly relived the legends and sang the old songs. Polynesians have always had a strong romantic appeal to the outside world, possibly because of their enchanting island surroundings, their simple life and natural graces. Their legends have been woven into rich tapestries in this classic text. Stories of *Myths and Legends of the Polynesians* include: Koropanga and Rukutia Kelea and Kalamakua Uenuku Fairies and Taniwha The Tawhaki Cycle Pele the Fire-Godess The Spirit Worlds Io, Tangaroa, and Creation Tane' and Rongo The Areoi Society and and Hula Dance

The Journal of the Polynesian Society Polynesian Society (N.Z.), 1921 Vols. for 1892-1941 contain the transactions and proceedings of the society.

Religious and Cosmic Beliefs of Central Polynesia Robert W. Williamson, 2013-11-14 Originally published in 1933, this book forms one of two volumes on the religious, mythical and cosmic structures of Central Polynesia.

Religious and Cosmic Beliefs of Central Polynesia Robert Wood Williamson, 1933

The Lost Civilization of Lemuria Frank Joseph, 2006-05-17 A compelling new portrait of the lost realm of Lemuria, the original motherland of humanity • Contains the most extensive and up-to-date archaeological research on Lemuria • Reveals a lost, ancient technology in some respects more advanced than modern science • Provides evidence that the perennial philosophies have their origin in Lemurian culture Before the Indonesian tsunami or Hurricane Katrina's destruction of New Orleans, there was the destruction of Lemuria. Oral tradition in Polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty "warrior wave"--a tsunami. This lost realm has been cited in numerous other indigenous traditions, spanning the globe from Australia to Asia to the coasts of both South and North America. It was known as Lemuria or Mu, a vast realm of islands and archipelagoes that once sprawled across the Pacific Ocean. Relying on 10 years of research and extensive travel, Frank Joseph offers a compelling picture of this motherland of humanity, which he suggests was the original Garden of Eden. Using recent deep-sea archaeological finds, enigmatic glyphs and symbols, and ancient records shared by cultures divided by great distances that document the story of this sunken world, Joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather, defy gravity, and conduct genetic investigations far beyond what is possible today. When disaster struck Lemuria, the survivors made their way

to other parts of the world, incorporating their scientific and mystical skills into the existing cultures of Asia, Polynesia, and the Americas. Totem poles of the Pacific Northwest, architecture in China, the colossal stone statues on Easter Island, and even the perennial philosophies all reveal their kinship to this now-vanished civilization.

Myths and Legends of the Polynesians Johannes Carl Andersen,1995-01-01
Authoritative recounting of myths and legends – gods and creation, nature and supernatural, love and war, revenge, more – plus a lively commentary on Polynesian life and culture. 77 illustrations.

A Dictionary of the Sacred Language of All Scriptures and Myths (Routledge Revivals) G Gaskell,2016-03-10 G. A. Gaskell's Dictionary of the Sacred Language of All Scriptures and Myths, first published in 1923, examines several different aspects of religion, including examples from Ancient Egyptian religion and mythology to modern-day Christianity, providing explanations of gods, events, and symbols in alphabetical order. This is a perfect reference book for students of theology or the history of religion.

The Social and Political Systems of Central Polynesia ,

Dictionary of All Scriptures and Myths G. A. Gaskell,2012-04-01

The Social and Political Systems of Central Polynesia Robert Wood Williamson,1924

The Atlantis Encyclopedia Frank Joseph,2008-08-08 A handbook of Atlantean information for general readers and specialists alike! This is an invaluable, one-of-a-kind reference. Unlike most other books on the subject, The Atlantis Encyclopedia offers fewer theories and more facts. Although it does not set out to prove the sunken capital actually existed, The Atlantis Encyclopedia musters so much evidence on its behalf, even skeptics may conclude that there must be at least something factual behind such an enduring, indeed global legend. You'll learn: What was Atlantis? Where was it located? How long ago did it flourish? How was it destroyed? What became of its survivors? Have any remains of Atlantis ever been found? Will Atlantis ever be found? Did Atlantis have any impact on America?

Religion and Social Organization in Central Polynesia Robert W. Williamson,2013-11-14 Originally published in 1937, this presents a detailed account of religious and mythical structures in Central Polynesia.

The Social and Political Systems of Central Polynesia Robert W. Williamson,2013-11-14 Originally published in 1924, this book forms part of a three-volume study on the socio-political systems of Polynesian islands near the equator.
