Revealing Revelation Amir Tsarfati, 2022-05-03 Tour the Final Book of the Bible Revelation was written because God wants us to know what the future holds. Guided by accessible teaching that lets Scripture speak for itself, you'll take a closer look at the timeline of what believers and nonbelievers will experience before, during, and after the tribulation plan that the Lord has specifically prepared for the people of Israel in the end times encouragements, challenges, and warnings Jesus Himself gave to prepare us for His return Revealing Revelation provides an eye-opening look at what lies ahead for every person in the end times—either in heaven or on earth. Abandoned in Death J. D. Robb, 2022-02-08 Homicide detective Eve Dallas must untangle a twisted family history while a hostage's life hangs in the balance—in Abandoned in Death by New York Times bestselling author J. D. Robb. The woman's body was found in the early morning, on a bench in a New York City playground. She was clean, her hair neatly arranged, her makeup carefully applied. But other things were very wrong—like the tattoo and piercings, clearly new. The clothes, decades out of date. The fatal wound hidden beneath a ribbon around her neck. And the note: Bad Mommy, written in crayon as if by a child. Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge? When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind.

Think Harmony with Horses Ray Hunt, 1978 When you ask your horse to do something it should be his idea ... he wants to do it, he understands how to do it, and he does it. These words are typical of the way Ray Hunt expresses his philosophy of the ideal relationship between horse and man. That philosophy is discussed in this book, in a manner that makes the reader feel as if he is listening to Ray talk. It is persuasive talk - gently persuasive; this man's ideas make a lot of sense, and the success he has achieved with those ideas is impressive. Ray Hunt traveled around the country working with groups of riders who were interested in his philosophy of harmony with horses. As Gene Lewis says in his forward to the book, Ray's theory is to unite the horse and rider into one working unit of both mind and body. He has developed a language and has become a wonderful teacher and demonstrator. Included in this book is an interpretation of the Ray Hunt method of schooling a horse written by Vincent W. Carpenter, who attended one of Ray's clinics. He tells amazing stories that Ray might not tell about himself and summarizes the whole philosophy in a clear and objective way. Also included is a question and answer section, in

which a number of the most commonly asked questions are answered in detail. And throughout the entire book runs the simple, basic idea: think harmony.--Publisher's description.
